To whom this may concern,

My name is Andrew Salgado and I currently serve as the Board President of AFTA, an arts in education organization that offers educational programs to youth in Southwest Florida by trained, professional artist-educators. I am writing this letter on behalf of Jennifer Saunders to recommend her to you.

I have known Ms. Saunders for over twenty-five years. We have taught together, served on education and film panels, and worked together in a variety of programs. We have often “compared notes” on the topics of arts, history, culture, media arts and technology as to how to make use of best practices when teaching our young in a country as diverse as the United States.

I have always found Ms. Saunders to be a highly devoted educator, one who truly does her homework. Ms. Saunders has an extraordinary understanding of Media Arts. She is a highly skillful instructor and speaker and I have personally enjoyed working alongside her be it in the classroom or at conferences where I have found her presentations to be engaging, educational and enlightening.

Without reservation, I recommend her highly for the position she is seeking with you. Please feel free to contact me should you have any questions.

Very truly yours,

Andrew Salgado
