SABGC JR. GOLF

Debra Hopson, Jr. Golf Director

SABGC Jr. Golf is in full swing. We meet every Saturday morning at Bing Maloney Golf Course. The juniors are instructed by Mike Craft of the OneSwing Golf Academy. Saturday practice consists of driving range work and chipping and putting practice. The sessions are approximately an hour to an hour and a half in length followed by play on the 9-hole course. The homework is ongoing. The juniors are asked to do something related to golf each day.

We recently took our juniors on a field trip to Pebble Beach. The students toured the grounds and each received a Pebble Beach Bag Tag and Ball Marker from the Pro Shop. After the tour, the juniors played a round at the Peter Hay Course. That was followed by a picnic lunch on the grounds of the Pebble Beach Market and a walk to the 18th hole for a group picture. On Sunday morning, we headed out to Del Monte Golf Course where the older juniors and adults played a round. It was a fun time for both juniors and adults alike.

In July, Brenten Brown and AJ Nua participated and did well in the Drive, Chip & Putt competition that was held at Cordova. (Brenten drove 287 yards!) They represented themselves, their families and SABGC well. On the girls side, Ari Samuels continues to work hard and it's paying off for her. Just recently, she participated in an event in which she turned in scores of 84-83-76! Our juniors are awesome!
