  - Ms. Cecily Rohrs *Stewardship from a place of scarcity*
- 2:00 Panel discussion
- 3:30 Dismissal followed by book signing

**Provocative Conversations in Stewardship** is an initiative of the Maumee Valley Presbytery meant to assist churches in exploring God's invitation to enter into the Mission of God through financial commitments and faithful application of resources in a Christian context.

Dr. Mark Allen Powell is a professor of New Testament at *Trinity Lutheran Seminary* in Columbus, Ohio. He is a prolific writer with a passionate gratefulness for God's many gifts. Powell is a graduate of *Texas Lutheran College*, *Trinity Lutheran Seminary*, and *Union Theological Seminary*. He served as a pastor in Pasadena, Texas and Richmond, Virginia. His book *Giving to God: The Good News of Biblical Stewardship* presents the reader with practical responses to God's abundant resources.

Rev. Lynn Miller served many years as the stewardship theologian for *Mennonite Mutual Aid* of Goshen, Indiana. Currently he is active in stewardship education across the broader church. Miller is a graduate of *Wilmington College* and the *Associated Mennonite Biblical Seminaries*. With experience in farming and construction, Miller also served in *Mennonite Central Committee Agricultural Development* from 1976-1979 in Botswana, Southern Africa. He was the pastor of the *South Union Mennonite Church* in West Liberty, Ohio from 1985-1992. Lynn is the author of four books: *Firstfruits Living: Giving God Our Best*; *The Power of Enough: Finding Contentment*; *Just in Time: Stories of God's Extravagance*; *Stewardship For All* (co-author with Bedru Hussein)

Mr. Dan Sauder is part of the 3<sup>rd</sup> generation at *Sauder Woodworking Co.* and is serving as the Executive Vice President of Engineering & New Markets. Sauder is an 82 year-old privately held family business that was founded in 1934 by Erie Sauder (Dan's grandfather). The company's core product line is Ready-to-Assemble furniture sold at all the major mass retailers in North America. The company has "stewardship" as one of its 4 core values. Dan is currently in charge of new markets, product engineering, research and development, and the machine building departments. Over the years he has served on many different boards including: *Pettisville School Board*, *Pettisville School Foundation*, *Northwest Ohio Chapter of Mennonite Economic Development Associates*, and *Sauder Village*. Dan is an Elder in the *Tedrow Mennonite Church*.

Ms. Cecily Rohrs has spent the last 25 years standing beside people who find themselves living in generational poverty. A graduate of BGSU, she taught Speech and English at high school and college, and worked for 27 years in management at *Sauder Village*. Since "retiring", Cecily fulfills God's call encouraging and supporting those who live in poverty who need legal, medical, and common sense help. Obtaining a Master degree from Winebrenner Seminary with a heavy emphasis on counseling, she prefers to meet people right where they are—in McDonalds; on the streets; in prison. By standing beside those in poverty she has learned to understand and love folks near to God's heart. Cecily is the director of four Archbold Area Homeless Shelters, Fulton County Christmas Cheer, and "Shepherd", an inter-faith community mentoring program. She is currently the coordinator of the Center for Lifelong Learning at *Northwest State Community College*, and a member of *St. Martin's Lutheran Church*, Archbold, Ohio.
