

"A CAMPAIGN TO KEEP THE VIRGINIA THEATER OPEN"

The Virginia Theater has shown movies in North Baltimore for 77 years (July 10, 1937) by projecting light through film onto the silver screen. That method is over! Movie projection has changed from 35 millimeter film to digital projection.

The Virginia Theater needs strong support to help finance the transition from film to digital projection, thus keeping the theater open on Main Street in downtown North Baltimore.

A group of interested persons has voluntarily formed to seek financial assistance for the digital installation. This committee is offering the opportunity to all those who want to see the theater remain open on Main Street to lend their financial support by making contributions which will be memorialized with a brass plate on a seat in the theater or on a brass plate in the theater lobby.

The first opportunity is for those interested in theater seat contributions. Seats are being offered as follows: one seat at \$100 each, a row of 4 seats for \$500, or a row of 8 seats for \$1000. Each seat will have a single brass plate. Married person may have both names on a single plate for \$150. Individual seats may also be purchased in memory or in honor of someone for \$100.

The other opportunity is for those persons, especially merchants and other businesses and professional offices to have the contributor's name on a large plaque in the lobby of the theater. The contribution required for the lobby plaque is at three levels: Gold Level: \$1000, Silver Level: \$500, Bronze Level: \$200.

Copies of this campaign plan will be sent to residents, current and past, businesses, and professionals, with instructions to send a check for the appropriate amount to:

Ms. Mandy Baltz
The Huntington Bank
141 N Main St
North Baltimore, OH 45872

Payment is requested by November 21, 2014. The contribution will be held in trust at the bank until all contributions have been received. If the campaign fails to receive the amount of money needed to allow for the digital conversion, the check will be returned to the sender and the Virginia Theater will close.

The committee urges all to help to keep the theater open to offer first-run movies, thereby keeping the "*The Theater Lights On*", which will convey the message: North Baltimore is Alive and Well"
