

## **David Boren | Executive Vice President**

David Boren joined PG Genatt Group, LLC in September 2011 as a managing partner. Prior, David spent six and a half years at Genatt Associates Inc as Vice President. David is credited for building the Design Professional, Construction & Environmental Services Group at Genatt Associates. David also spent 9 years with AIG Companies in various underwriting and management roles. David began his career with Lexington Insurance Company (a member company of AIG) in 1996 as an Employment Practices Liability Underwriter. In 1998, Lexington moved David from Boston to their New York City offices. By 2000, David was named Regional Underwriting Manager for Professional Lines for the New York region. His responsibilities included: Employment Practices Liability, Miscellaneous Professional Liability, Excess Lawyers Professional Liability, Architects & Engineers Professional Liability including Project Specific Design Insurance and Contractors Professional Liability. In 2002, David was named Regional Casualty Executive for Lexington Insurance Company in New York. With this title, his responsibilities expanded to include General Liability, Products Liability, Excess Casualty, Excess Transportation and Sexual Misconduct Liability. He helped personally to boost Lexington's New York office from \$12M in Gross Written Premium in 1998 to \$95M in 2004, when he left the company.

From April 2004 until February 2005, David joined National Union Fire Insurance Company (a member Company of AIG) as the Assistant Vice President of the National Accounts Segment for the Professional Liability Division. In this role he was responsible for the underwriting and management of Technology E&O, Telecommunications E&O, Media Liability, Miscellaneous E&O, Advertising/Publishing E&O, Consultant E&O, Internet media Liability and a variety of Network Security Coverages.

David received his Bachelor of Arts in Communications from Syracuse University.
