## **SSOR Tab collection for Ronald McDonald House Charities**

Southern Sands Off Road Collects pop Tabs for the Ronald McDonald house from cans on a yearly basis. At the end of the year, we donate them to the local Ronald McDonald House to assist in the day to day running of the facility. The Ronald McDonald House helps provide a “home away from home” for the seriously ill Children and their families while hospitalized or receiving outpatient treatment. We all know there is no place like home, however providing something close to that helps the child when they are sick.

We have reached out to our fellow Jeep Clubs here in the Jacksonville/St. Augustine/Daytona area and have challenged them to see what club can pull together and donate the most Tabs. We have a yearly Certificate of Recognition that is presented to the winning Jeep/Off Road Club for them to display. While there is recognition, we all win when it comes to the grand total of Tabs that is turned in to our local Ronald McDonald House.

We would love to have your business help our club, Southern Sands Off Road in collecting pop Tabs. With your help, we can work helping a sick child and their family a little more comfortable during a time of need.

Please feel free to call if you have any question.
