

MISSION

K9s For Warriors is dedicated to providing service canines to warriors suffering from Post-traumatic Stress Disability, traumatic brain injury and/or military sexual trauma as a result of military service post 9/11.

Our goal is to empower them to return to civilian life with dignity and independence.

Dedicated to our **AMERICAN WARRIORS**

K9S FOR WARRIORS

K9s For Warriors is a 501(c)(3) nonprofit.

WE EXIST TO SUPPORT OUR NATION'S HEROES

K9s For Warriors pairs rescue dogs with military veterans suffering from Post-traumatic Stress Disability, traumatic brain injury and/or military sexual trauma. Each dog is carefully selected and extensively trained to become a service dog for an American hero.

Our in-house program provides each veteran with more than 120 hours of hands-on training with professional canine trainers. The training includes public access testing, equipment, seminars, veterinary care, all meals and housing **at no cost** to the veteran.

*GIVE A NEW LEASH ON LIFE TO
RESCUE DOGS AND MILITARY HEROES*

HEAL HERO, HEAL

K9s For Warriors’ philosophy is to involve the veteran in the final training with their new service canine partner. This approach allows each veteran to become part of the solution in their recovery.

Our staff is passionate and dedicated to serving our warriors and canines. Each person brings with them a unique knowledge and expertise to offer a complete package of support to the organization.

We have more than 500 remarkable volunteers committed to socializing the dogs. Many volunteers also bring home cooked meals to the warriors during their stay.

We have seen tremendous success in the men and women who have completed our program. Many have reunited with their families, gone back to school and have significantly reduced their medications.

K9s For Warriors is devoted to our nation’s heroes and rescue dogs.
