✓ Plans / Goals for 2017 Betty Believes that there is always room for growth and improvements. For 2017, we will have agendas and minutes so that those who cannot attend for whatever the reason is, will be able to see what was discussed. We are looking to have a "communication officer" who will lead and work with Larry, Betty and Alex to communicate things we are working on and planning. For the monthly meets, all sidebar discussions will be asked to refrain from, comments, input will be asked to hold until "open floor" begins. This will ensure everyone hears the items being discussed and help reduce miscommunication issues.	Larry/Betty
✓ Upcoming events / activities Toy4Tots ride With December being a huge holiday, events will be slim and we ask for you all to be safe in your travels and we Wish you a Merry Christmas	Larry/Betty/Alex
