OTHER INFORMATION

Mo Mean was at the event and we were very happy to have him join us. He offered up his store for a meeting for SSOR and we are very grateful for his kindness. He also mentioned the deal that he has going on for a opportunity to win a 300.00 gift certificate at 4WheelParts.

We will also be setting up an account at 4wheelparts where when you buy items, and mention you are a SSOR club member, they keep track and at the end of the year they give a % back to the club that we will put toward our charity! Thank you Mo and 4WheelParts!!
