To Whom it May Concern:

I have had the privilege of working with Dennis Harting these past two years while at Sanger High. Dennis is a hard working, caring teacher who desires his students to excel. He is willing to work with others and seeks out information to improve his teaching and coaching techniques.

Dennis has a passion for basketball and strives to prepare his players to their fullest for games and life. He commits a lot of time and energy into his work and teams.

I would recommend Dennis to you for a teaching or coaching position that might be available. He would be an asset to your program.

Thank you for your consideration.
