To Whom It May Concern:

As the Head Girl's Basketball Coach at Rio Linda High School, I am pleased to write this letter of recommendation for Dennis Harting.

I have known Dennis for nearly 10 years now. He started coaching in our program in 2001 as our Head Freshman Coach. During the off-season he helped run our Summer Camps and Summer Tournaments. As a member of our staff he also helped assist the Varsity Team when available and did a fantastic job. During this time, I have come to appreciate his many fine qualities as I have watched him grow as a coach and a person. Dennis had some very strong years as he was able to win our league in 2004. As Undefeated Champions, the team finished the season with an overall record of 22-4.

Dennis spent many hours out of season going to coaches clinics and watching DVD's with our staff on how to improve as a coach. I feel that over the years with his knowledge from working at Rio Linda High School and experiences at Clovis West High School that he is now ready to head up his own program.

Dennis has always known and understands that success comes from hard work on and off the court. Dennis will spend many hours during the regular season and through the off-season to make his team, program, staff and players better. I don't think you will find a more positive individual with his work ethic to head up your program. It is with high regard that I fully recommend Dennis Harting to be your next Head Basketball Coach.

Please feel free to contact me if I can be of any further assistance.
