To whom it may concern,

April 9, 2015

My name is John Bosco. I am a teacher and coach at Whitney High School in Rocklin. It is my pleasure to write Dennis Harting a letter of recommendation.

I have known Dennis for two years from our time at Whitney High School where Dennis is a substitute teacher. I find Dennis to be hard working, dependable and trustworthy while he substituted for my PE classes. I have always had positive feedback about Dennis from my students when returning to my classes.

Dennis is very prompt and willing to do anything that is asked of him in the classroom, he is extremely reliable. Dennis gets along with all students and understands their situations and needs; he is a High School basketball coach for both girls and boys and understands both types of student athletes.

I know Dennis will work hard for all students and teachers where ever he works.

I give my recommendation to Dennis Harting!

Please feel free to contact me with questions regarding Dennis, my number is 916-632-6500 ex. 6603.

Thank you,

John Bosco
