

CLOVIS HIGH SCHOOL

Pride, Unity, and Excellence

March 21, 2013

To Whom It May Concern,

I am writing this letter of recommendation for my Assistant Coach Dennis Harting. I have had the distinct privilege of working with Dennis for the past year. Throughout the year he has served as a varsity assistant coach. I am proud to say that he has served the program in the highest degree; demonstrating integrity, respect, leadership, loyalty and honesty. He has always been a coach that I can trust and go to with anything; as I know the job will get done correctly. Every head coach needs assistants that they can rely on for anything, and I am extremely thankful to have Dennis on my staff. Dennis always works extremely hard on his assignments and takes a tremendous amount of pride to get those tasks done in a timely and professional manner.

The basketball program at Clovis High requires its coaches to work extremely hard and we ask the coaching staff to go the extra mile for our players. Dennis has always stepped up to the plate in this regard. Above and beyond his coaching duties, he has committed countless hours to working and leading camps, Lil' Hoopsters, in and out of season tournaments, attending clinics and much more. The extra time he spends with the kids in our program has elevated him to be one of the most respected basketball coaches in our area. It is coaches that go the extra mile for their players that make the difference in programs, and Dennis definitely gets it done.

Dennis is not only an excellent basketball coach, but he is a tremendous leader within our coaching community. The kids that he coached this year were taught to be winners not only on the court, but off the court as well. Dennis has taken a tremendous amount of pride developing the entire student athlete, often times putting character first in his coaching philosophy with his players. He is consistently emphasizing the greater values of life with his players that will ultimately be the difference in their life. His leadership ability is no doubt a huge reason that our team overachieved this year and this is a reflection of his commitment and work ethic.

As you can see I am very thankful for Dennis and all he does for the kids in our program. I have the utmost respect for Dennis as a person and colleague. I recommend Dennis Harting for this job and would like to see him reach all of his professional goals.

If you have any questions or would like to contact me regarding this letter please do not hesitate to do so.

Sincerely,

John Jones
