Letter of Recommendation for Dennis Harting

March 21, 2013

To Whom This May Concern:

I consider it an honor and privilege to have been asked by Dennis to write this letter of recommendation on his behalf. I have known Dennis Harting for approximately 7 years now. I first met him when he was part of the Clovis West High School basketball program, while I was a full-time physical education teacher and Head Baseball Coach at the same school. Later I had the privilege of being a master teacher for him as he was doing his student teaching at Clovis West.

What I observed while Dennis was teaching under my watch was a man of true character who was always punctual and carried out the plans I laid out for him combined with what his objectives were to meet his curriculum. He got along well with all students and maintained a structured but friendly environment amongst them. I knew that when Dennis set out his lesson plans that he was not going to cut corners but do the job to his utmost capabilities.

Coach Dennis Harting has coached basketball successfully over the years in Clovis Unified and Sanger High School as well. I would definitely stand behind Dennis as he goes before your institution as a possible candidate as a teacher and coach. If you have any further questions please don't hesitate to call me at 559.430.9310.

Sincerely,

Tim Thiessen
