3. Search for the type of vehicle you would like to purchase.
 - a. Click on the "CAMERA"  icon on the right column to view multiple pictures of each vehicle
 - b. Vehicles that have "BUYER SHIELD" coverage included have the  icon in the far right column.
4. At the bottom of the vehicle detail screen (appears once you click the "CAMERA" icon), click on the link that reads: "Inspection Guarantee Reports including Damage Report (Click Here)"
5. Click "I AGREE" on the "Purchase Inspection Guarantee" screen to agree to the terms and conditions.
6. View the Condition Report, Vehicle Rating and close up vehicle pictures so you can tell exactly what you are buying. This is how ABS acts as your "EYES" on the car - so you can be confident in what you are purchasing.

8. You will be notified if you are the high bid of the vehicle.
