Dodgeville Lion's Club Antique Show & Flea Market

Article by Bob Kratochwill (Dodgeville Lions Club)

Twenty seven years running and one of the most popular shows around, the Dodgeville Lion's Club hosts two shows every summer. June 9, 2019 is the date of the first show and August 25, 2019 is the date of the second. This show is an amazing venue and very popular with both dealers and shoppers. It is held inside the large Ley Pavilion at Harris Park in Dodgeville, Wisconsin. As many as 65 dealers can set up in this rain free site with the ability to drive right inside for unloading and loading. Shoppers like the uncrowded shopping area. Popular and favorite dealers return every year with treasures for sale to the shoppers who also return annually. The Lion's club receives many compliments from shoppers who praise the show as one of the best they have attended. We like to hear these compliments and we believe them to be true.

An amazing selection of goods is always available to include smaller furniture items, metal advertising signs, antique jewelry, books, antique tools, old toys

including vintage pedal cars, pottery, glassware and so many different and interesting items. Dealers from the Tri-State area are very friendly and always willing to answer your questions regarding unusual items. There are treasures to be found.

Well placed signage will help you find the best route to the pavilion. This is an important feature this year as road construction is occurring on the highway near Dodgeville. Watch for and follow the signs as you approach Dodgeville.

We are 48 miles from Madison, 55 miles from Prairie Du Chein, 45 miles from Dubuque and 55 miles from Wisconsin Dells. Regardless of the direction you travel, the route to Dodgeville is very scenic and adds to the enjoyment of the shopping trip.

Dealer space may still be available but must be reserved. To check on availability and information, please phone Bob Kratochwill at 608-574-4011.

Out & About

Father's Day is fast approaching. I'm sure that spending a day antiquing with Dad would definitely put a smile on his face, especially if he was able to find that special item he had been looking for. It would have so much more meaning finding it with that someone special. Afterwards, grill him a wonderful dinner, I'm sure he would appreciate it. Watch those shops and malls, they are having many specials going on. Be prepared and have your inclement weather kit available in the car for those outdoor auctions. Small Town - Big Event The Marbold Antique Show & Farm Fest

Article & Photos by Charlotte Wohler

The small town of Greenview, IL will host a big event on June 22 and 23, 2019, The Marbold Farmstead Antique Show and Farm Fest. The Marbold Farmstead sits just south of Greenview, alongside Route 29, 20 miles north of Springfield. The income from the fundraising event will provide funds for the 2019 Capital Campaign, "The Next Chapter," to help with restoration of the house. Restoration efforts are currently underway and feature repair/replacement of windows and doors, dormer work, chimney caps, tuck-pointing, electricity, plumbing and HVAC systems, at an approximate cost of \$250,000.

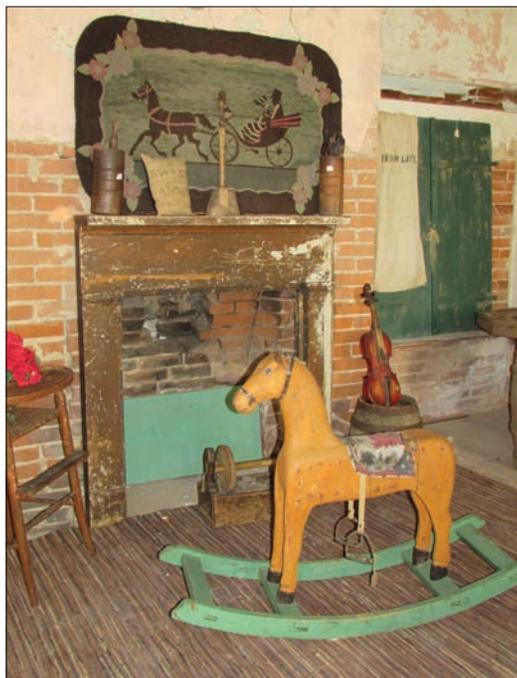

The Marbold Farmstead was established by German immigrant, John H. Marbold in 1850. He grew his farm from 200 acres to over 4,000 with the help of his son, H. H. Marbold. Through their farming years, the farm went from horse and plow to steam engines and finally gas engines. The Marbold family utilized the latest technology of the industrial revolution. Using a boiler system, forced hot water heat was sent into the home through underground clay tiles. Electricity was installed in the home and throughout the property. An indoor bathroom was built to provide better sanitary conditions and a conservatory was added to provide plants and mood-altering stained-

glass windows, a Victorian-age concept. The farm was self-sufficient, growing most all their food for themselves and their hired help. It was a farm revered by the community and county in central Illinois.

This is the seventh year for the antique show at the Marbold Farmstead. The farm fest was added two years ago, creating the Marbold Farmstead Antique Show & Farm Fest. With the addition of farm equipment and demonstrations guests get to see farm equipment and farming techniques from the past. A shingle maker, baler, gas engines and more give guests a look at how a farmer worked.

A variety of craftsmen, demonstrators, flea market merchants, antique dealers, historic programs, tours of the house and grounds, a trolley tour of the community, music, food and more will round out the fourth weekend in June event. Gates open at 9:00 a.m. on Saturday and close at 5:00 p.m. and on Sunday, the gate opens at 9:00 a.m. and closes at 3:00 p.m. Admission fee is \$5.00 for this rain or shine event.

Don't miss this 'big little show' in the heart of central Illinois, Route 29, 20 miles north of Springfield, in Greenview, Illinois. Programs are subject to change, so please check the website, www.historic-marbold-farmstead.org, and Facebook for updates. Contact Charlotte with questions, 217-341-8293.

Dealers From Around the Midwest Show Their Treasures at the Annual NIADA Show

Continued from front page
Article & Photos by Michelle Goltz

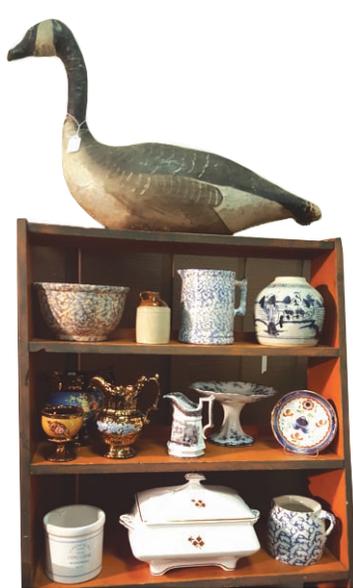

Unfortunately, the weather was a bit snowy and seemed to keep some of the patrons from coming out to see all the great treasures. So I hope that my pictures reach some of those who were unable to attend and perk some interest! Make sure you contact the vendor if there is a must have item before it's too late and someone else purchases it before you get the chance.

Diversity is the key to this show's continued success. With a wide array of antiques and collectibles in every price range that will satisfy both the beginner as well as the experienced collector. The wonderful, friendly dealers are always eager to share their knowledge & excitement with customers, making for a memorable thrill of the hunt!

Great piece of History purchased at a farm auction north west of

Cedarburg, WI – Ludwig Schweinhard Memorial Plaque. (German to English translation) He was born May 26, 1763. His parents were Andreas Schweinhard and Elizabeth Geborn Herring. He was joined in marriage to Regina Dieht. –Parents Chrisian Dieht and Regina Geborn Strebs. Ludwig and Elizabeth were married September 29, 1789. They had 16 children, 10 boys & 6 girls. Ludwig died July 26, 1717. He left his grieving wife with 13 surviving children. After a struggle of 5 months he died of blood poisoning. He was laid to rest in the church yard.

Northern Illinois Antiques Dealers Association also donates to several local historical societies. NIADA also awards two \$1,000 scholarships annually from the support of those attending the show. For more information, visit their website at: www.NIADAAntiques.com. Make sure you mark your calendar so you don't miss the show next February! Happy Treasure Hunting in 2019!
