# Out & About

We hope that everyone had a wonderful Memorial Weekend. It was beautiful outside the whole weekend, except for the rain on Monday. There were lots of outdoor events to attend for the weekend. We are getting reports that antique shops were busy with customers and sales. Auction attendance is in full bloom. Hope everyone remembered their sunblock, folding chairs, sun hat and lots of water. Remember Father's Day is fast approaching, the fun and reward is always in the hunt for that special item for that someone special.

Brandon Graduates this Thursday. My little boy has grown into a man literally. He is a foot taller than his dad and still growing. He is taking the year off to explore his options before deciding what he would like to do. He has worked in the automotive field for a year now. He is applying to work on a farm for the summer. He doesn't turn 18 until August, so most companies will not consider him for work training until then. So he just wants to explore.

# 19th Annual West Bend Antiques, Vintage & Fine Art Show Held in January

*Continued from front page*  
*Article & Photos by Michelle Goltz*

This time I had the pleasure of learning about someone in my home town that is an amazing part of Milwaukee's Artistic History. So let me share what I learned about Artist, Sylvia A Spicuzza from a knowledgeable dealer Robyn with "A Little Bit of Everything". Sylvia was the daughter of Italian immigrant and noted WI artist Francesco Spicuzza. At a very young age she took up an interest in art, spending her free time drawing and painting. She continued to follow in her father's footsteps, and in 1926 she was selected as one of twenty-five high school students who received an honorable mention in an exhibition at the Milwaukee Art InWest Bend 2019stitute (now the Milwaukee Museum).

She graduated from South Division High School in Milwaukee and then went on to study at Milwaukee Normal School, which later became WI State Teacher's College-Milwaukee. In addition to becoming a nationally recognized Milwaukee artist, she taught art at Shorewood High School and Lake Bluff School in Shorewood.

During the Great Depression she lost her job, as married female teachers in Shorewood and surrounding communities were laid-off. However, Spicuzza continued to create art at home, and in 1940 she returned to teaching at Lake Bluff School. During this trying time she also earned a Master's degree in Education by attending Northwestern University in Evanston, IL on weekends and during summer vacation.

Although Spicuzza inherited her artistic talent from her father and was always in his shadow, she managed to establish herself in the art world. Her work, which is predominately figurative, has a unique quality due to the fact that she relies on memory and her imagination rather than working from a model. Unlike her father whose paintings of poetic nature scenes tended to be more conservative, her work is composed of unusual compositions, representing a newer generation of artist.

Make sure you don't miss this show next January, it is worth the trip! For more information call 920-475-6508 or visit [www.westbendantiqueshow.com](http://www.westbendantiqueshow.com).

# Animal Mounts, Bicycles and Much More at W. Yoder Auction

*Continued from front page*  
*Article & Photos by W. Yoder Auction*

Up for bids at the auction was a Seeburg jukebox, clocks, Fenton glass, rocking horses, an automaton, wagons, dental equipment, saddles, bicycles, sheet music, lighters, a Stewart gas stove, a Maytag wringer washer, Ringling Bros. framed circus poster, a full mount black bear, zebra hide, buck full body wolf, turkey and moose rack.

Also in the sale was a nice collection of buttons, advertising trays, Packers footballs, Military items, campaign buttons, stoneware, a large selection of toys which included Marx and Nylint, as well as Hopalong Cassidy memorabilia. There were multiple lots of marbles, sleigh bells, opera glasses, immigrant's trunk, a very cool Daytona Speedway Folk Art sign, an Edison shipping crate, typewriters and much more.

W Yoder Auction was founded by Wayne Yoder Jr. in 1999, and has been a member of the National Auctioneers Association since 2002. When asked why he became an auctioneer, he will tell you it is because he enjoys the many different types of people he meets across the country that come to the auctions

and the action each auction provides. In 2008, Wayne became the Wisconsin Auctioneer State Champion when he participated in the competition held every year at the Wisconsin State Fair located in Milwaukee, WI. "It was a wonderful experience that I will never forget." He had participated in the competition 3 times prior to winning and each year learned from his mistakes and bettered himself. His hard work shows through in every auction that he has.

Since opening, W Yoder Auctions has been dedicated to staying on top of the most technologically advanced system to provide their customers with a smooth auction experience. We want everyone who comes to our auctions to have the most positive experience possible, and that is why we believe in having fun at our auctions. We look forward to seeing you at our next auction, and hope you walk away having a smile on your face with that winning item in your hands.

Give us a call today to see what we can do for you! Always remember, the earlier you consign, the more advertising your items will get! Call us at 920-787-5549, email: [info@wyoderauction.com](mailto:info@wyoderauction.com) and be sure to visit our website: [www.wyoderauction.com](http://www.wyoderauction.com).

## Cookie Cutter Collectors Club

The purpose of the Cookie Cutter Collectors Club is to share information with others who are also interested in cookie cutters and related items. We research, record and share data with each other regarding the history of cookie cutters. We get together periodically to discuss our favorite topic and show and swap cutters but mostly we enjoy the friends we've made and have lots of fun! There are a number of regional cookie cutter collectors groups all across the country that also have meetings and new groups or new members are always welcome. The club has a facebook page for keeping up with each other and the latest discoveries in cookie cutters. Every two years we have a 3 day convention in a location determined by the presiding president. We put out a quarterly newsletter and a yearly membership cookie cutter made exclusively for our members. There is also a National Cookie Cutter Historical Museum in Joplin, Missouri, that is open to the public. And each year we sponsor an exclusive Cookie Cutter Week cutter that is available to members for purchase.

Become a  
Member of our Club. . .

Club dues are \$25 a year. You will receive the quarterly newsletter Cookie Crumbs, and a collectable signed, dated membership cookie cutter. You may join any time during the year but our membership year runs January 1 through December 31 and you will receive all the newsletters and cutter for the year that you join.
