## Advertising, Toys, and More at Terrific Paul Auction Co. Estate Auction

Article & photos by Brian Maloney

Since way back in 1969, when Jim Paul conducted his first auction, the Paul Auction Company has been known as one of the premier antique & estate auction houses in Wisconsin. It still is today. At the March 20th Paul Auction Company estate auction I attended, the 12,000 square foot facility was crammed with treasures from the estates of two noted collectors: the late Bob Markiewicz and Jim Paul.

A standout among the automotive  
advertising: this two-sided Genuine Chevrolet  
Parts porcelain sign that sold for \$1,750.

It took an \$1,100  
bid to win this  
iconic Hamm's Beer  
Scene-O-Rama  
motion sign in nice  
working condition.

Circa 1900 Du Pont Smokeless  
Powder advertising lithographs, \$850.

Continued on pages 6, 7 & 8

Auctioneer  
Mike Paul sells the breweriana winner of the  
sale: a rare Hartig's Beer reverse-painted-on-  
glass sign that shot to a \$2,750 winning bid.

Easily the top-lot among the  
vintage toys: this hard-to-find  
Vindex Oldsmobile Coupe  
cast iron car in pristine  
condition that soared to a  
\$2,200 hammer price.

# Out & About

Bob is getting anxious to start taking his '34 Chevy Coupe to some car shows. They plan to visit his brother in Tennessee this summer and take some adventure trips along the way. Clip and save the auction calendar for your trips and use the upcoming events pages to plan your weekend excursions. The shows are reporting an abundance of foot traffic, as well as sales.

Remember, Mother's Day is fast approaching and I am sure that spending the day antiquing with her would put a smile on her face, and to top it off, finish the day with dinner.

We always enjoy a day off when we don't have to cook.

# Paul Auction Company –Forty-Seven Years of Quality Antiques Auctions

Article & photos by Brian Maloney

Period advertising dominated the sale, with examples from pre-Prohibition beer posters to vintage soft drink clocks and travel posters from the Swingin' 60s. Top-lot of the sale? A hard-to-find "Hartig's Celebrated Lager Beer" reverse-painted-on-glass sign that soared to \$2,750!

The Paul Auction Co. has had a long tradition in the field of antiques auctions. In fact, their Kewaskum, Wisconsin facility, built in 1979, was Wisconsin's first auction gallery designed and built for the sole purpose of conducting indoor auctions on a year round basis. It's just off of Interstate 45, about thirty-five minutes north of Milwaukee.

And it was a full-house crowd indeed for the Sunday sale, with the majority of the items from the estates of the late Jim Paul, longtime breweriana collector, and area antiques dealer Bob Markiewicz. That previously-mentioned Hartig's Beer glass sign was the winner amongst the breweriana at \$2,750. Other beer signs of note: a super-clean Gold Label Beer porcelain corner sign that made \$700, and a classic Hamm's Beer Scene-O-Rama motion sign that fared even better, selling for \$1,100.

A nice group of early cast iron and litho-tin toys found ready buyers too. Best of the bunch: a rare Vindex cast iron Oldsmobile coupe. Opinions varied on whether the paint was truly original, but it didn't deter a bidder from paying \$2,200 for the toy. Three very-clean litho-tin toys also brought strong prices. A Marx Police Motorcycle & Sidecar roared off for \$650. An early Strauss Rollo-Chair wind-up was right behind at \$620, and a 1903 Lehmann Tap-Tap toy made a solid \$400.

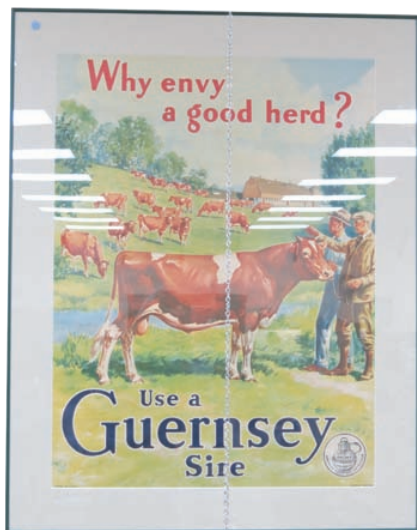

Signs and toys not you thing? The auction hall was overflowing with furniture and

decorative accessories too. Of the furniture, the clear winner was a L. & J. G. Stickley Cherry Valley dining suite in like-new condition that made \$1,400. Vintage children's and doll furniture sold well too, as did a nice selection of Mid-Century and Danish Modern lighting.

Some other prices:

- Vintage 4' Coca-Cola Santa Claus cardboard stand-up - \$400
- Small Cleo Cola embossed steel sign - \$260
- New-old-stock box of McCormick Deering match books - \$220
- Signed Chandler pastel landscape - \$160
- Three Emil J. Pavidar Art Deco barber shop stations, incomplete - \$150
- 1876 Walworth County, WI plat book - \$110
- Miller "If You've Got the Time" bouncing ball sign - \$110
- Steel Old Style Beer cigarette rack - \$100
- Ingraham Lovell Meridian calendar wall clock - \$80
- Fram Wear-Guard advertising thermometer - \$70

Auctioneer for the day was Mike Paul. The Paul Auction Company has been serving the Midwest's auction needs for forty-seven years, conducting auctions of all kinds. They can be reached at 262-338-3030, or through their website [www.paulauction.com](http://www.paulauction.com). Don't forget to sign up for your Paul Auction Co. email newsletter while you're there. And as always, keep an eye out for all of their upcoming auction listings in the Auction Action Antique News!

Mint-condition American Guernsey Cattle Club poster, framed - \$500.

One-sided Fromm Dog Food steel signs made \$160 each; a 40", two-sided version in red \$320.

Back-lit Gehl Implements advertising photograph - \$210.

A \$130 bid took this swingin' 60s 7-Up advertising clock.

12" Monarch Finer Foods advertising clock - \$225.

Porcelain Barber Shop corner sign, some damage noted - \$450.

A \$100 bill bought this cool Royal Haeger mermaid-on-turtle table lamp.

A framed Sleepy Eye Milling Co. barrel label did well, selling for \$440.

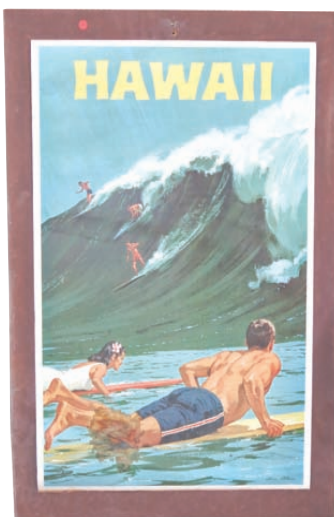

Hard-to-find 3" Arcade Chrysler Air Flow Century of Progress cast iron car - \$300.

Cast iron French bulldog doorstop, good original paint - \$190.

8' Wilke's Grocery wooden sign - \$400.

Best of the vintage travel posters: this Hawaii example that made \$225.

A restored oak icebox made \$250, an open-front oak sorting cabinet \$260.

Near-mint Gold Label Beer porcelain corner sign - \$700.

A bidder paid \$1,400 for this clean L. & J. G. Stickley Cherry Valley dining suite.

This "crown of thorns" folk art floor lamp stood nearly 4' tall, and sold for \$250.

A blue & white Butter crock and lid made \$130, a Stanz's Select Old Cheese crock \$120.

Edison Standard cylinder phonograph, complete & original - \$250.

A Blatz Bottle & Can advertising piece had considerable wear, but still made \$250.

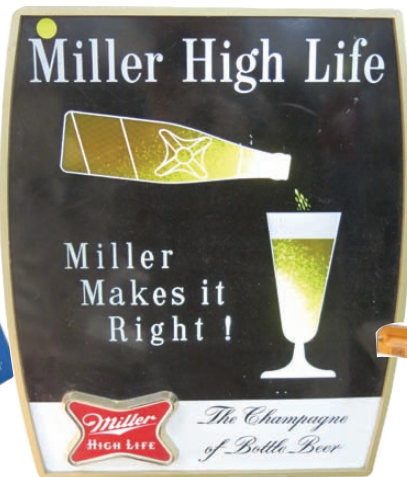

This stenciled doll cupboard sold for \$200, this blue child's cupboard \$190.

Circa 1969 Snoopy the Astronaut doll - \$160.

Ny-Lint Adams Traveloader pressed steel truck, good condition - \$100.

Satin glass 1939 New York World's Fair Saturn lamp, damage noted - \$190.

Auctioneer Mike Paul sells a set of nine vintage Moe Bridges electric wall sconces for \$400.

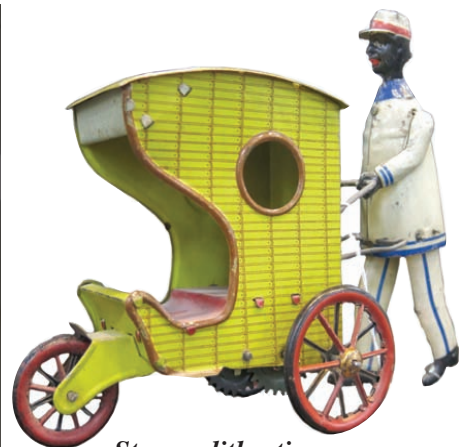

It was a full-house at the Paul Auction Facility in Kewaskum, Wisconsin for the March 20th sale - a short forty minute drive north of Milwaukee.

This trio of vintage beer tip trays made \$150.

Mike Paul asks for bids on a rare & early "rod" teddy bear that fetched \$500.

Strauss litho-tin Rollo-Chair windup toy, nice - \$620.

## Antiques Abbreviations

by Mike Paul

A while ago a reader asked about explaining some of the abbreviations they encounter in auction ads. This got me thinking about the abbreviations auctioneers use and why we use them. After a phone call to Gloria I offered to put together a listing.

By definition, an abbreviation is a shortened form of a word or phrase used for brevity. Within context and reason it identifies certain aspects of a piece to the buyer without needlessly going into detail. A lamp buyer will know what a "bracket lamp" is. It's unnecessary to say, "Victorian cast iron wall bracket with mercury glass reflector, chimney & drop in finger font". Most auctioneers use abbreviations in order to keep the size of the ad affordable. However it can be too much of a good thing and some of the more arcane descriptions can confuse or mislead the reader. To a person who collects a particular category most abbreviations in that category are readily recognized. To anybody else they are probably gibberish. Even a novice farm toy buyer won't need a three day weekend to decipher IH, McD & JD. WWI & WWII are obvious but would most folks recognize CW (Civil War) out of context? Coins, firearms, Hummels (152/A TMK3 UB K255 HB, anyone?) and other categories all have their own abbreviations that often are exclusive to that field. But if you are a glassware buyer does it really matter if you can't translate a 28g, o/u, d-bbl, ss w/syn stock and vr?

Some descriptions, while not technically correct, get the point across. For example "Jewel T", (which is short for Jewel Tea, a grocery chain) takes up less space than "Autumn Leaf", (a pattern name for china offered as a premium by Jewel Tea). This may seem like a trivial difference but similar descriptions over several publications begin to add up.

A listing that encompassed all of the collecting fields would be more of a project than I can take on but the following abbreviations should get you through most ads for antique auctions. If you have others you'd like to add to the list or that you've wondered about, please email them to me at [mike@paulauction.com](mailto:mike@paulauction.com).

A&C - Arts & Crafts. Refers to the style of furniture usually associated with early 1900s Stickley. Often but erroneously referred to as Mission or Prairie.

ABC - American Brilliant Cut. Refers to the "Brilliant" period of late 19th/early 20th century American cut glass

B&H - Bradley & Hubbard. A manufacturer of quality lighting and decorative accessories.

B&W - Blue & White. The glaze colors used on utilitarian stoneware that was often found in the kitchen.

CI - Cast Iron.

COP - Century Of Progress. Typically refers to souvenirs hauled back from the Chicago World's Fair of 1933/34. Even in the middle of the Great Depression, a lot of Wisconsinites made the trip to see the COP.

CRS - Somebody explained this to me once, but I can't seem to remember what they said.

Dmg - Damage.

gl - Gallon. Typically used when advertising stoneware capacity

For Rest - For Restoration. Don't go to the auction expecting a cream puff.

GBCF - Glass Ball Claw Foot. Describes the foot usually found on late Victorian parlor and lamp tables.

GWTW - Gone With The Wind. A style of lamp with a matching font and top globe. Correctly referred to as a parlor lamp but popularly known as a Gone With The Wind, after the movie of the same name.

LRRH- Little Red Riding Hood. Typically refers to the Regal China products that feature her.

MIB - Mint In Box. Any item, but often a toy, that is in the same condition as new and in the original box.

MOP - Mother of Pearl. Polished nacre usually derived from mollusk shells. Typically found in jewelry, ladies dresser articles, buttons and in the windows of RPOG art.

NIB - New In Box. Similar to above but often assumed to be of modern production

NOS - New Old Stock. Old merchandise, often with original manufacturer's tags and merchant's price tags, that has never been sold or used.

NWOT - New With Original Tags, but sometimes used as New With Out Tags. eBay sellers are usually guilty of using this both ways. If buying online, clarify before bidding.

o/b - Outboard. An outboard motor.

OOB - Oil on Board. Art work done on a board, usually Masonite.

OOB - Oil on Canvas. Art work done on canvas.

Pre Pro - Pre Prohibition, prior to 1920. Refers specifically to alcohol related advertising.

Post Pro - Post Prohibition, after 1933. Refers specifically to alcohol related advertising.

QA - Queen Anne. Generally refers to a 1920's or 30's revival style exemplified by a cabriole leg.

Repro - Reproduction. A good definition would require a separate article but you get the idea. Occasionally people will use the slang "Repop" for repro or "Repo" which is inaccurate and what happens to your car when Vinnie pulls up in a tow truck.

RPOG - Reverse Painted on Glass. Less common as ROG. Any item where the design or artwork has been applied to the obverse side of the glass but typically a lamp shade, decorative framed art or advertising items.

RPPC - Real Photo Post Card. Differentiates a post card that was printed, (developed) off your film from one that was commercially printed. These were so popular that Kodak marketed the 3A folder specifically for the RPPC.

RR - Railroad.

RW - Red Wing. Red Wing, or less often, the several other stoneware companies that called Red Wing, MN their home.

/s/ - Signed.

s/g - Salt Glaze. Refers to the type of glaze used on stoneware and to differentiate it from the later, more common, zinc glaze.

TOC - Tin Over Cardboard. A type of sign made of tin wrapped over a piece of paperboard and hung by a piece of short thread mounted to the back side of the sign. Commonly used in the 1930's and 40's by brewing and other industries.

T&S- Time & Strike. Refers to clock movements. Differentiates between time only and striking movements.

# Spring Gold Rush Olmsted County Fairgrounds Now In Its 44th Year Slated For May 13, 14 & 15, 2016

Article & photos by Kae Townsend (Townsend Promotions Inc.)

Spring is here and the May Gold Rush at the Olmsted County Fairgrounds in Rochester, MN is setting the stage for Spring picking.....May 13, 14 & 15, 2016. Friday is dealer set up day and the public is welcome to come and shop during the set-up day as well. The Olmsted County Fairgrounds is located on Hwy 63 South & 16th Street SE intersection.

Again, the Spring Gold Rush returns with a bang for the first show of the 2016 season. Because of Leap Year this year, the May Gold Rush is not on Mother's day as the 1st of May comes on a Sunday so it is not considered a full weekend. Gold Rush is always the second full weekend of May.

An outstanding line up of dealers from around the country will soon be bringing a wide and varied selection of vintage items, antiques, collectibles representing all eras of collecting to interest the most discriminating shopper as well as the new budding collector. Expect to find vintage and antique lighting, textiles, art glass, French cameo, art pottery, bronzes, fine art, china, porcelain, glassware, Victorian glass, lamps, clocks, Depression glass, jewelry, children's dishes and children's items, bookends, door stops, bottle openers, lightning rods, coins, stamps, stoneware, toys, holiday, sewing items, prints, militaria, American Indian, advertising in all categories, political, ephemera, books, hunting and fishing items, farm toys and farm related items, Hummels, arts & crafts, vintage galore, repurposed and up-cycled items, rusty junk and more!

The Depression Era Glass Society

of Wisconsin, formed 42 years ago, is bringing a bus load of members to Gold Rush to shop. They also collect a wide variety of American-made glass and pottery from the 1800's to 1960's; i.e. Depression glass, Elegant glass, Fenton, Fostoria, Heisey, Cambridge, Fire King, Pyrex and American Dinnerware. Also, the Club for collectors of Children's China and Glass Dishes, Child-Size Furniture, Dolls and Accessories, German Kitchens & more is having their convention at the Kahler Apache in Rochester, MN May 11 - 15, 2016 during the three days of Gold Rush. Both clubs will be thrilled at perusing the grounds of Gold Rush and will be ecstatic with the treasures awaiting them.

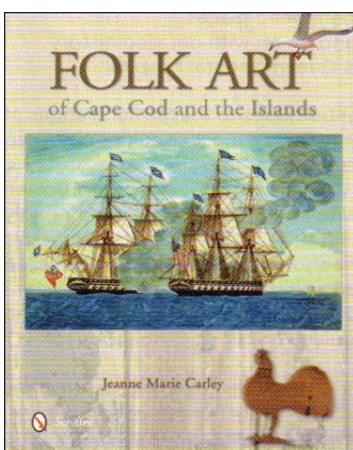

Gold Rush is an indoor/outdoor vintage, antique and flea market with dealers in 9 buildings as well as dealers outside covering 52 acres of the fairgrounds. Because of the immense variety of vintage, antiques and collectibles, Gold Rush is considered one of the nation's largest antique/vintage shows and is one of the best shopping markets for all your antique/vintage wants and needs where buyers and sellers meet!

Hours: Friday and Saturday - buildings and outside open 8 am - 6 pm; Sunday hours - 8 am - 3 pm. Friday is dealer set-up day and the public is welcome to come and shop while dealers set up. The event is free to the public with unlimited parking at \$5. For exhibitor and show information, contact Townsend Promotions Inc. at 507-269-1473 or 641-832-2700. New vendors exhibitors welcome.

## Folk Art of Cape Cod and the Islands Jeanne Marie Carley

- Three centuries of folk art from Cape Cod and the Islands
- Includes a wide range of forms, including paintings, maritime, trade figures, weathervanes, textiles & more
- Identifies the artists where possible & chronicles the ordinary lives of the people of Cape Cod

With over 560 color photos & well-researched text, this book recounts the histories of the hard working, entrepreneurial people of Cape Cod, Martha's Vineyard, and Nantucket and their role in this nation, as told through the folk art primitives the residents produced from the eighteenth to the twentieth centuries. The art displayed includes the works of itinerant painters, domestic weavers and quilters, seminary school watercolorists, and carvers in wood, metal and stone. Among these fascinating

items are: paintings including portraits and silhouettes, landscapes and genre paintings; maritime art such as sculpture and scrimshaw; trade figures and signs; carousel art; wood carvings; weathervanes and whirligigs; religious and decorative art; textiles, including quilts and samplers; and gravestones. All of these beautiful and compelling works of art speak eloquently of the human aspirations sparked by the freedom and prosperity offered by the coats and the bold, clear visual language that ordered these craftsmen's world.

Jeanne Marie Carley is a folk art historian and writer with a background in journalism, art, and genealogy. She has written about American and French-Canadian folk art for books and national magazine articles.
