Where there will be no internet or television. This will be a true test of family survival.

VanDerBrink Auctions, LLC has conducted successful sales in over 12 states and looking to put our proven experience to work for you on your next successful sale.

VanDerBrink Auctions specializes in collector car parts auctions, older salvage yard liquidations, auto related items, antique tractors, estates and private collections-conducting auctions of all kinds. We also have a proven track record in selling farm land and other real estate at auction. Yvette VanDerBrink, Owner/Auctioneer, formed the company in 2001, after a prophetic message from Minister Tom Stammon. VanDerBrink Auctions is a faith-based company and this makes every auction a mission.

VanDerBrink Auctions has been regionally and nationally recognized for their auctions and conducted collector car auctions in eight states. Yvette's goal is to get the cars and parts to the collectors, hobbyists, and rodders and preserve our automotive history and further the car hobby. Yvette, and VanDerBrink Auctions, carries this same philosophy and ambition when selling real estate and land at auction.

VanDerBrink Auctions work as a team with personal service for their clients. It doesn't matter if it's an older salvage yard with hundreds of classics, an estate with a barn packed full of vintage parts, a private collection or a section of beautiful farm ground each sale has it's own special needs and marketing and VanDerBrink Auctions works 100% for our clients to achieve the ultimate goal - a successful sale.

Yvette grew up in the automotive business and on the family farm west of Garretson, SD. Her father, Art Nordstrom, is a collector and motorhead himself. Cars became a natural part of life and the lessons of work ethic on the farm became valuable tools used in her work today. Every weekend growing up was full of racing. Yvette, a tomboy, raced Enduros for a couple of years at local tracks and enjoyed driving dad's toys while burning around in Minnehaha County.

Working hard was natural while growing up on the family's dairy farm in South Dakota and in the family business Nordstrom's Auto Recyclers of Garretson, SD. It's this work ethic that she brings to the table for her sellers. Yvette gets in there, puts on the gloves and enjoys getting dirty making sure all the details are perfect for her sellers. Yvette and her husband, Steve, and two kids Emily and Johnathon also collect and own several old cars, trucks, and many tractors. The VanDerBrinks also have cattle and cut hay on their farm in rural Hardwick, MN. Yvette and VanDerBrink Auctions look forward to working with you!

40,000 Collecting Clubs: Their Role in Collectibles Industry

We have had requests for the listing of all the various ways that collecting groups support their membership... and all collectors. We display this at ACC information booths and now have it available on our website.

See: <http://Collectors.org/ACC/Library/>

New Book Authored by ACC Co-founder

If you like antique automobiles, are interested in the early U.S. highways and byways, or enjoy presidential campaigns and the political artifacts they generate, this is all rolled up in one new book authored by Larry Krug, one of the founders of the Association of Collecting Clubs.

Entitled, "The Coolidge-Dawes Lincoln Tour 1924," the book is the story of the political caravan promoting the presidential campaign of Calvin Coolidge and his running mate, Charles G. Dawes. The book is compiled from eyewitness accounts. It was documented by E. A. Seidel, who drove the lead vehicle - a REO Speedwagon - and from newspaper accounts along the route, all illustrated with vintage photographs and political artifacts. Starting in Coolidge's hometown of Plymouth, Vermont, the caravan wound its way down to New York City, then followed the Lincoln Highway across the country to San Francisco, then along the Pacific Coast.

Over five million people turned out to witness the caravan as it rolled along 6,500 miles, much of it still unpaved, ranging from dirt in good weather to mud in bad weather, and involving over 100,000 vehicles! Along the way local bands played, horns honked, most of the cars were decorated in red, white and blue, and two million campaign buttons were distributed.

Civil War veterans who had voted for Abraham Lincoln were invited to sign a roster at the various stops and they turned out by the hundreds. National GOP dignitaries provided the rhetoric at the stops, making over 400 speeches promoting the re-election of Coolidge. The newspaper press along the route loved the event, proclaiming it the largest continuous procession of any kind in all history.

Krug has been a member of the Calvin Coolidge Memorial Foundation in Plymouth, Vermont, for over 30 years and assembled the broadest private collection of Coolidge political memorabilia in the country. The book was published by Schiffer Publishing. For more information or to order contact: info@Amres.com or go to the website: <http://CoolidgeDawesLincolnTour.com>

Czech Collectors Association

The origins of CCA stretch back to 1995 when the Czechoslovakian Collector's Guild International (CCGI) was founded. The club was reorganized in 2001 and renamed the Czechoslovakian Collector's Association (CCA). This new name, however, only partially captures our interests as the organization also encompasses a wide range of Austrian, Bohemian, and Czechoslovakian Decorative Arts, what many members refer to as the ABCs of collecting.

Our mission is to foster the collection and appreciation of the art glass, ceramics, and other decorative arts of Austria, Bohemia, and Czechoslovakia from the years 1850 to 1940. CCA's mission is accomplished through: research, education, the publication of a Newsletter twice a year, the sponsorship of an annual Convention, and a comprehensive Web site which features articles and columns devoted to deepening our understanding of the history and production of these beautiful objects of art.

The current board members of CCA were elected at the 2010 and 2011 Annual Conventions and will serve two year, staggered terms. They are David Phelps (President, elected 2011), Rosie Bodien (Director of Publicity, elected 2011), David Fein (Director of Membership, elected 2010), Aggie Elwell (Treasurer, elected 2009), Bob Collier (Secretary, appointed 2011)

Our general membership includes both beginning and advanced collectors, researchers, educators, appraisers, and dealers. Most of the members have been collecting or dealing in the Czech decorative arts for many years. Collectively, the expertise of the members of CCA is unrivaled and our annual conventions also feature seminars from leading researchers in the field. Members can also tap into this expertise through one of our new on-line services, a regular column entitled "Ask the Experts." We also remain committed to an ongoing program of research and publication. In addition to the newsletter, CCA has published three volumes of the Journal of Czech Decorative Arts. Back issues are available through this Web site. Forthcoming articles will be appearing in an on-line version of the journal.

In addition to our commitment to providing club members with the latest research in the field of Austrian, Bohemian, and Czech Decorative Arts, we also realize that many members are active collectors and, as a club, we try to facilitate avenues for club members to purchase those elusive, beautiful, whimsical, and sought after pieces. The annual show, which is held in conjunction with our yearly convention, has always served as a major venue for collectors to view and purchase a wide range of glass, pottery, jewelry, and perfumes and it will continue to serve this function. In addition, we are now offering new services on this Web site, a "where the dealers are" page, a "for sale by members" page, a "Flea Market Finds" page, a "Collection of the Month" page.

The "where the dealers are" page will help members locate dealers who specialize in Austrian, Bohemian, and Czech decorative arts by providing information on the dealers, their locations and their upcoming shows. The "for sale by members" page will allow members of CCA to buy and sell pieces from their individual collections on the CCA website free of charge.

Buyer's Got Some Great Deals at Schroeder & Kabble Auction

Article & photos by Lynn Koszuta

The morning started out very dreary and wet on the day of the Clintonville auction. Upon entering the property, it was raining pretty good, but that didn't keep the people away. Dressed in rain coats, boots and umbrellas, the crowd was prepared for the soggy weather.

The auction started at 10 a.m. and wouldn't you know it, it stopped raining at 9:50. It turned out to be a great day for everyone involved.

Schroeder & Kabble Realty, Inc. is located at 92 S. Main St., Clintonville, WI. They can be reached at 715-823-7653 and visit their website: www.skrealty.net.

Two glass jugs sold for \$40.

This cute little spindle table sold for \$45.

These antique pulleys were a good buy at \$20.

This 12 gal. crock brought \$55.

St. Louis Indian Western Art Show & Sale

Article & photos by Carolynn Boehmer (Gateway Indian Art Club)

The Gateway Indian Art Club of St. Louis was founded in the early 1980's by Todd Boehmer, Virgil Laux and Ben Thompson, three men who have been long time collectors and members of the Greater St Louis Archaeology Society. Although they started their collections with primarily stone tools, they had a great appreciation for the beauty of Indian Art which included pieces of bead work, quill work, pottery designs, basket designs, rugs and jewelry. They felt that an organization that focused on these pieces would benefit collectors and dealers in the St Louis area by connecting with others who recognized the artistry in each piece.

So join us for the St. Louis Indian Western Art Show & Sale on Saturday, November 5th from 10:00am to 5:00pm & Sunday, November 6th from 10:00am to 3:00pm. Admission is \$5 & early admission is \$25 at 9am Saturday. The show will take place at the Holiday Inn Route 66 Hotel, 10709 Watson Road at Lindbergh (near I-270), St. Louis, Missouri 63127.

The St. Louis area has a rich Indian heritage and there were many Indian Mounds within what is now the city of St. Louis when it was first being settled. We have a fabulous treasure nearby at Cahokia Mounds in Cahokia, IL and something we can be proud of. Additionally, the St Louis Art Museum houses the outstanding collection of St. Louisian, Donald Danforth, a long time collector of Indian artifacts.

The Gateway Indian Art Club of St. Louis has sponsored a major show every fall for more than 25 years which brings collectors and dealers to our area that shows the fine workmanship within the Indian Culture. Our show brings together collectors from all over the United States and is open to the public. It is our hope that when people see the beautiful items, it will form an interest in younger generations to perpetuate a strong interest in this unique culture and will carry into the future.

For more information contact The Gateway Indian Art Club at 314-229-6967 or by visiting our website at www.gatewayindianartclub.com

Antiques Abbreviations

by Mike Paul

A while ago a reader asked about explaining some of the abbreviations they encounter in auction ads. This got me thinking about the abbreviations auctioneers use and why we use them. After a phone call to Gloria I offered to put together a listing.

By definition, an abbreviation is a shortened form of a word or phrase used for brevity. Within context and reason it identifies certain aspects of a piece to the buyer without needlessly going into detail. A lamp buyer will know what a "bracket lamp" is. It's unnecessary to say, "Victorian cast iron wall bracket with mercury glass reflector, chimney & drop in finger font". Most auctioneers use abbreviations in order to keep the size of the ad affordable. However it can be too much of a good thing and some of the more arcane descriptions can confuse or mislead the reader. To a person who collects a particular category most abbreviations in that category are readily recognized. To anybody else they are probably gibberish. Even a novice farm toy buyer won't need a three day weekend to decipher IH, McD & JD. WWI & WWII are obvious but would most folks recognize CW (Civil War) out of context? Coins, firearms, Hummels (152/A TMK3 UB K255 HB, anyone?) and other categories all have their own abbreviations that often are exclusive to that field. But if you are a glassware buyer does it really matter if you can't translate a 28g, o/u, d-bbl, ss w/syn stock and vr?

Some descriptions, while not technically correct, get the point across. For example "Jewel T", (which is short for Jewel Tea, a grocery chain) takes up less space than "Autumn Leaf", (a pattern name for china offered as a premium by Jewel Tea). This may seem like a trivial difference but similar descriptions over several publications begin to add up.

A listing that encompassed all of the collecting fields would be more of a project than I can take on but the following abbreviations should get you through most ads for antique auctions. If you have others you'd like to add to the list or that you've wondered about, please email them to me at mike@paulauction.com.

A&C - Arts & Crafts. Refers to the style of furniture usually associated with early 1900s Stickley. Often but erroneously referred to as Mission or Prairie.

ABC - American Brilliant Cut. Refers to the "Brilliant" period of late 19th/early 20th century American cut glass

B&H - Bradley & Hubbard. A manufacturer of quality lighting and decorative accessories.

B&W - Blue & White. The glaze colors used on utilitarian stoneware that was often found in the kitchen.

CI - Cast Iron.

COP - Century Of Progress. Typically refers to souvenirs hauled back from the Chicago World's Fair of 1933/34. Even in the middle of the Great Depression, a lot of Wisconsinites made the trip to see the COP.

CRS - Somebody explained this to me once, but I can't seem to remember what they said.

Dmg - Damage.

gl - Gallon. Typically used when advertising stoneware capacity

For Rest - For Restoration. Don't go to the auction expecting a cream puff.

GBCF - Glass Ball Claw Foot. Describes the foot usually found on late Victorian parlor and lamp tables.

GWTW - Gone With The Wind. A style of lamp with a matching font and top globe. Correctly referred to as a parlor lamp but popularly known as a Gone With The Wind, after the movie of the same name.

LRRH- Little Red Riding Hood. Typically refers to the Regal China products that feature her.

MIB - Mint In Box. Any item, but often a toy, that is in the same condition as new and in the original box.

MOP - Mother of Pearl. Polished nacre usually derived from mollusk shells. Typically found in jewelry, ladies dresser articles, buttons and in the windows of RPOG art.

NIB - New In Box. Similar to above but often assumed to be of modern production

NOS - New Old Stock. Old merchandise, often with original manufacturer's tags and merchant's price tags, that has never been sold or used.

NWOT - New With Original Tags, but sometimes used as New With Out Tags. eBay sellers are usually guilty of using this both ways. If buying online, clarify before bidding.

o/b - Outboard. An outboard motor.

OOB - Oil on Board. Art work done on a board, usually Masonite.

OOB - Oil on Canvas. Art work done on canvas.

Pre Pro - Pre Prohibition, prior to 1920. Refers specifically to alcohol related advertising.

Post Pro - Post Prohibition, after 1933. Refers specifically to alcohol related advertising.

QA - Queen Anne. Generally refers to a 1920's or 30's revival style exemplified by a cabriole leg.

Repro - Reproduction. A good definition would require a separate article but you get the idea. Occasionally people will use the slang "Repop" for repro or "Repo" which is inaccurate and what happens to your car when Vinnie pulls up in a tow truck.

RPOG - Reverse Painted on Glass. Less common as ROG. Any item where the design or artwork has been applied to the obverse side of the glass but typically a lamp shade, decorative framed art or advertising items.

RPPC - Real Photo Post Card. Differentiates a post card that was printed, (developed) off your film from one that was commercially printed. These were so popular that Kodak marketed the 3A folder specifically for the RPPC.

RR - Railroad.

RW - Red Wing. Red Wing, or less often, the several other stoneware companies that called Red Wing, MN their home.

/s/ - Signed.

s/g - Salt Glaze. Refers to the type of glaze used on stoneware and to differentiate it from the later, more common, zinc glaze.

TOC - Tin Over Cardboard. A type of sign made of tin wrapped over a piece of paperboard and hung by a piece of short thread mounted to the back side of the sign. Commonly used in the 1930's and 40's by brewing and other industries.

T&S- Time & Strike. Refers to clock movements. Differentiates between time only and striking movements.

42nd Fall Fox Valley Antiques Show & Sale

St. Charles, Illinois October 15 & 16, 2016

~ Sneak Preview ~

Article & Photos by Debbie McArdle
(Chicago Suburban Antiques Dealers Association)

Traveling great distances to find a variety of authentic antiques is a thing of the past. The best antiques come to you at the October 15 & 16, 2016 Fox Valley Antiques Show in St. Charles, Illinois for the 42nd fall! Here 55 carefully-chosen, invitation-only dealers from 15 states will offer for sale a wide variety of affordable and authentic 18th, 19th and early 20th century antiques. October's list of exhibitors can be found on the Chicago Suburban Antiques Dealers Association website, www.CSADA.com.

Seven of the 55 participants have provided a sneak preview of what they plan to bring:

- James Wm. Lowery Fine Antiques, Baldwinsville, New York, will offer a patriotic eagle, carved wood with original gilt, circa 18th century, highly stylized and a fine example of sculptural art.

- Virginia Larsen at Sign of the Whale Antiques, Glen Ellyn, Illinois, is well known for carrying fine examples of stick-spatter ware. She has saved a special stick-spatter rabbit ware plate, circa 1870, for the show.

- Marie Miller Antique Quilts, Dorset, Vermont, settles for nothing less than the very best in American quilts. She plans on bringing a magnificent "Rose of Sharon" appliqued quilt, Circa 1860, 76" X 88" to the Fox Valley Show.

- Ted Fuehr, American Spirit Antiques, Shawnee Mission, Kansas, will travel with this horse, an American copper weathervane in the classic Hambeltonian form, original, as found, verdigris surface, circa 1870.

- Liberty Tree at Sign of the Whale Antiques, Glen Ellyn, Illinois, will bring a folksy rocking swan, used as a photographer's prop for photographing young children, all original, circa 1940, excellent condition. 42" long X 14" wide X 29" tall.

- Marion Atten, Antiques at Hillwood Farm, DeWitt, Illinois, well-known for her early American offerings will bring a Pilgrim period Great Chair from eastern Massachusetts, c.1660-1700. Ex: Brian Cullity.

- Stephen Reid, DeKalb, Illinois, always with a

focus on quality antiques, plans to bring a Black Forest jewelry box and a Queen Anne candle stand.

Come see what the other 42 exhibitors have saved for the Fox Valley Antiques Show!

Held indoors at the bright and spacious Kane County Fairgrounds' Prairie Events Center, dealers exhibit in walled and papered booths, their offerings arranged in room settings, many with an emphasis on decorative and graphic design. A "screened" show assures authenticity, allowing customers to buy with confidence.

Catered lunch with comfortable seating is available and there is plenty of free parking. Show hours are Saturday, October 15, 10 - 5, and Sunday, October 16, 10 - 4, at the Kane County Fairgrounds, 525 South Randall Road, St. Charles, Illinois 60174 (enter on Randall Road between Routes 38 and 64).
