## Out & About

Lots of events to choose from again this weekend...

This was a busy weekend in our house with homecoming for all of our kids. They had their Friday football game dinner with friends. Saturday morning Tia and Brandon had to work while Kenzy finished running all their errands getting Brandon's boutonniere and corsage and getting Tia some nail polish. Once everyone was home, the race was on to get everyone ready and get to everyone's pictures in different locations and pick up Brandon's date and get them to dinner on time. Everything went well and the kids had lots of fun! Now onto the Spree dance and then Prom.

These were the rustic cabins we stayed in for the wedding. It was very beautiful along the lake. We struggled with cell phone reception. If one person was able to make contact, then you passed the phone around to whomever needed to make a call, & a lot of calls needed to be made. It was wonderful being with family & being able to take the time to spend with them knowing we all were staying the night was nice. We had lots of challenges that created lots of memories & laughs. I think Zetti (dog) got the best seat for the ten hour ride. The next trip is for all of that family to come to our house for the girls graduation, which they promised they all would.

# Girard Auction & Land Brokers Hold Incredible 2 Day Sign & Advertising Auction in South Dakota

Article & photos by Girard Auction & Land Brokers

A scarce John Deere double sided porcelain sign was the winner of the auction, bringing an incredible \$13,500. Another item that drew the bidders attention were a Miller Tire "Geared for the Road" sign. Pre-auction estimate on the sign was \$1,500-\$2,000 and sold for \$4,900. Another highlight was the White Rose double sided neon sign that was found in the original shipping crate. This piece sold for \$7,500, which we thought was a good buy, but it is a difficult piece for many collectors to display, due to the size of the sign and the neon perimeter.

Buyers came from all over for this event, South Dakota, Minnesota, Iowa, Nebraska, North Dakota, Montana, Missouri, Texas, Illinois, Indiana, plus over 400

online bidders from all across the US and Canada. This was a large, 2 day, 750+ lot auction that all came from a single Kansas estate. Due to the remote location of the collection, the decision was made to move it to South Dakota. Another auction is scheduled for this massive collection in early May, but an exact day and location has not been determined. If you would like to receive a flyer on the auction when it comes up, please contact our office at 605-267-2421.

Girard Auction is a family run auction company since 1970, located in Wakonda, SD. # Full Steam Ahead!!

## For the November Rich Penn Auction Event

The November 5 & 6 auction will be held at the Iowa State Fairgrounds in Des Moines, IA and will feature two premier collections. The Raymond

*Coca-Cola hanging sidewalk sign, c.1939, double-sided porcelain w/attached marquee, complete w/newer lighting attachment that illuminates both sides, 42"H x 63"W.*

*Coin-operated jukebox, RARE Wurlitzer Model 71, table top model, Serial #424188 on original stand. Exc. Restored working cond.*

rare Jacobs 160.

The machines can feel right at home standing among appropriate soda advertising. Porcelain, tin and cardboard signs will include a pair of classic Coca-Cola porcelain versions in near-mint condition. But there are other signs for Pepsi, 7Up, Nehi, Mission and a host of others.

*Whistle Soda advertising clock, c.1940's, Masonite w/great color & graphics, Exc. working cond.*

The soda machines and signs can be kept company by several classic Wurlitzer juke boxes, all designed by Paul Fuller. He has been referred to as the premier designer of classic Wurlitzer juke boxes. He was the designer responsible for 17 of Wurlitzer's machines. Often called the most beautiful of his designs, Fuller designed the 1941 model 850, known as the "Peacock." The front glass, with a peacock in the design, changes color. Another

Reetz collection of advertising, coin operated machines and toys will join the massive toy collection of the late Carl Swanstrom. As with all Rich Penn Auctions, there will be a great offering of Country Store items, advertising, barbershop, coin-operated machines and much more!

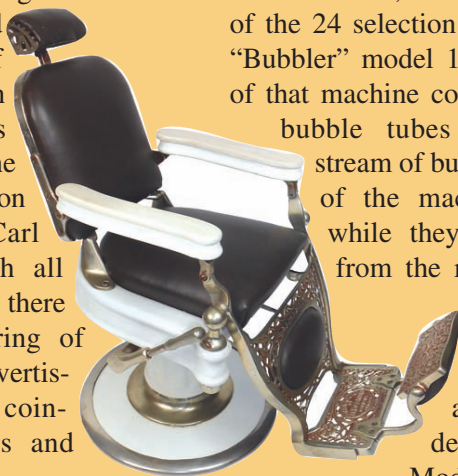

It all does start with Steam! Among the

selection of superb collector items will be the entire toy steam engine collection of the late Carl Swanstrom of Naperville, IL. Carl...who passed in 2008 was well known throughout antique toy circles. He had amassed a huge collection of steam toys and related pieces.

The steam engine collection includes all the top names: Weeden, Marklin, Jensen, Bing and others. But Hot air engines are well represented too. Names like...Rebi, Empire and Paradox. Dozens of related pieces that were steam driven accompany the power plants. German machine shops, Industrial tools, toys, water falls and snow slides, even fountains. These toys were the latest high tech for the early 20th century.

There are toys for bigger boys too. Many of those "toys" come from the collection of Nebraska's Ray Reetz. If you like to decorate the game room or man cave with coin-operated machines, you have a complete menu. Juke boxes, slots, pinballs, vending machines and more! Soda machines come with an excellent selection. The most popular of the soda machines is the Vendo model 81. There's just about every "81" made. The Coca-Cola, Pepsi-Cola, 7Up and even Dr Pepper are all immaculately restored. There are even great original condition Vendo 81s, Vendo 39s and even a

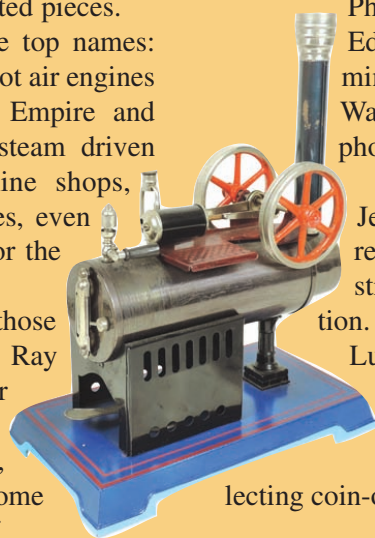

of his classics, and next to the last of the 24 selection models, is the "Bubbler" model 1015. The front of that machine comes alive with bubble tubes that send a stream of bubbles to the top of the machine. All the while they change color from the revolving color

*Salesman's sample Barber Chair, Theo Koch, Chicago, IL, 16" high, c.1920's, EXC working cond.*

them. One of his most rare and unique designs was the

Model #71. This machine was small and compact enough to sit on a diner counter. It also has an original "Mae West" stand. All three machines, and others, will be offered to new homes. Music is available in other forms too. There will be a wide range of phonographs, including cylinder and disk players. Among them are the Standard Talking Machine AA Phonograph, Columbia Sterling B1, a number of Edisons, coin-operated cylinder players and even miniature phonographs like the Bingola II, the Walker Mignonphone and several Camera Type phonographs.

*Steam Engine, Overtype Bing Stationary Locomobile, nickel boiler w/orig. burner, Exc cond w/repainted base.*

Over a dozen slot machines will be offered. Mills, Jennings, Pace and Watling names will be well represented. Pinball & arcade games and trade stimulators also help fill out the game room selection. For sporting enthusiasts, a 1950's Williams De Luxe Baseball game will test your batting skill. A Gottlieb Super Soccer will challenge your flipper ability! Barber shop collecting can be as exciting as collecting coin-operated machines. The category includes a variety of emphasis areas; barber bottles, occupational mugs...even barber chairs. All will be offered in this auction. Perhaps one of the most interesting items is a rare Theo Koch Salesman's Sample Barber Chair. In working condition, it's an exact 16" high version of it's 1920's full scale model. A shave often came with the haircut, so expect to see a nice selection of the occupational mugs. All will be offered.

The Country Store selection selling will be extensive; tobacco tins, display cases, bulk coffee bins, spool cabinets, revolving candy cases and much more. With over a thousand lots, there should be something every collector would want to add to their collection.

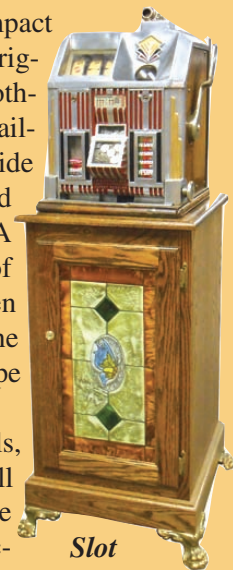

Rich Penn Auctions will offer multiple bidding options, including absentee, telephone and live bidding online through LiveAuctioneers. Find the links to the online catalog on Penn's web site. Full color catalogs will be available for \$40. Prices realized will be posted online. Just contact Rich Penn Auctions at 319-291-6688 to order yours. Go to [www.RichPennAuctions.com](http://www.RichPennAuctions.com) to register or to preview the auction. Absentee and phone bidding is always welcome.

*Winchester Roller Skate store window display, 5 cdbd panels in wood frame, c.1922, Exc. cond. w/great color.*

Cedar Rapids, Iowa will be the setting for the 60th showing of the Midwest Antique and Art Show and the 21st showing of the Collector's Eye Antique Show on Sunday, October 23rd. The two shows have long been known for presenting the best American folk art, prime Americana and unique collectibles but in the last couple years have evolved to include a dozen dealers in high quality mid-century furniture, art and special accessories. The mid-century inclusion has proved to be very attractive to a younger, hip generation of buyers with progressive tastes. The offering will consist of carefully selected items for both the beginning collectors of objects from the 1950's through the 1970's and for advanced collectors interested in creations by the best known designers of the period. Furniture and accessories by Herman Miller, Eames, Dunbar, Milo Baughman, Bertioia, Kofod Larsen, Kovacs and Sonneman. Lighting works by Knoll, Adrian Piersall and Mies van der Rohe have all been exhibited and sold at the last several shows. Serious dealers bringing serious merchandise for serious buyers is a staple of the Midwest

Antique & Art and Collector's Eye Shows but the addition of mid-century modern adds to the attraction and reflects the evolution of two living, thriving shows.

Both shows will be in the exhibition center building at Hawkeye Downs Fairgrounds, 4400 6th St SW in Cedar Rapids, Iowa. Parking is free and an \$8 admission is good for both shows with the chance to shop 110 of America's best antique dealers. Hours are from 10am until 4pm. The entry fee is collected in advance for the several hundred people waiting for opening and allows a heart racing rush to reach the exhibits to get first chance at the offerings.

Website for both shows is [www.mwaniqueshow.com](http://www.mwaniqueshow.com) which will show photos from previous shows, dealer lists and hotel information. There is also a facebook page for the Midwest Antique & Art Show/Collector's Eye which should be liked to receive updates of items and dealers coming to the show. The page will also present a preview of photos taken during setup and will be up Saturday evening, October 22nd.

# Military, Firearms, Cap Guns, Toys & Tools Cross the Block at A New Day Auctions

*Article & photos by A New Day Auctions*

Simply put, an auction is the single best way to sell your property. Whether it's antiques or collectibles, household or tools, cars or boats, even real estate, an auction will get you the best possible price!

There is certainly nothing new about the auction process! Auctioneering had its roots in ancient times and has played a vital role in the evolution of commerce as we know it today. The first documented auction was reported in 500 B.C. by the Greeks!

We are a full service auction house owned by Kendra & Josh Stevens who together we have been buying and selling antiques and collectibles for more than 20 years. We specialize in toys, dolls, jewelry and numismatics- especially US coins and are a registered MN bullion dealer. We also hold an Federal Firearm License and can han-

dle all firearm and ammunition estates. In the last 5 years we have conducted over 350 hundred auctions. We are members of MN Auctioneers Association, National Auctioneer Association, Minnesota Antique Dealer Association and have an A rating with the Better Business Bureau.

Rare and antique items are highly sought after by our 14,000+ growing buyer base, everything from military items, postcards, bone buttons, taxidermy, sterling flatware, primitives and so much more. We have helped over 1400 sellers find new homes for their treasures and would love to discuss possibilities for your estate with you today.

Consignments are taken by appointment only and we have varying commission rates depending on the types of service provided. Please call for more information 507-263-7373 and be sure to visit our website: [www.anewdayauctions.com](http://www.anewdayauctions.com).

# THE CHICAGO TOY SHOW

## “An Antique/Collectible Doll & Toy Show”

Article & Photos by Diana Tabin  
(Chicago Toy Show Antique World Shows)

Now in our 43rd YEAR:  
Sunday, October 23, 2016 from  
8:00am to 3:00pm. Kane County  
Fairgrounds, 525 South Randall  
Road, St. Charles IL 60174. FREE

Contact Person: Herb Regan -  
herb@chicagotoyshow.com

Collectors of toys and dolls  
come to the Chicago Toy Show full  
of excitement and anticipation of the  
treasures they know they will find.  
There is absolutely no other show or  
auction anywhere in the country with  
the range or selection that exhibitors  
in this show display. Purchases are  
taken everywhere to sell at other  
events - you might as well come and  
pick out what you like directly from  
us rather than buying or bidding on it  
from a middle man elsewhere. We  
are the source.

Toy collecting is not about  
barter and price and profit, even  
though these treasures hold their  
value. The hobby is centered on a fas-  
cination of the infinite items that fall  
in the toy and doll categories. It is  
about an appreciation of the crafts-  
manship, the rarity, the exquisite  
detailing, and the history of each  
playful item. Toys are a reflection of  
the era they represent, a miniature  
interpretation of the life of their time.  
A shelf full of toys is delightful and  
enjoyable.

Come and see seven build-  
ings filled with toys and dolls from

The Show Promoters, Richard & Priscilla Lindstrom, along with the Association, are once again pleased to bring another quality Antiques & Vintage Show & Sale to Central Illinois. The recent expansion of Vintage Antiques to the Show provides a wider variety of merchandise for sale. This expansion allows dealers to display and sell items from the Mid-Century Modern, Danish Modern and Post Modern eras.

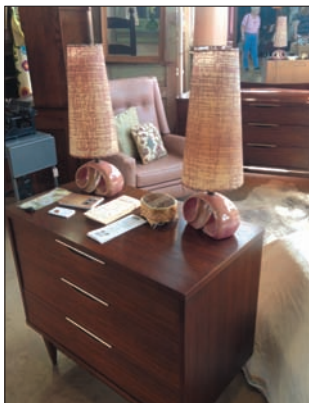

The upcoming fall 2016 CIADA Show will bring together 40 professional dealers from across the Midwest. Many of our long-standing dealers, as well as new dealers, will be participating in this quality show and will provide a wide variety of antiques and collectibles for everyone attending.

Also, a silver dealer, specializing in silver, gold and other metal repair, as well as polishing and plating, and two dealers specializing in furniture repair and wicker repair will be at the show.

The CIADA show is one of the longest running shows in Illinois and is BLOOMINGTON'S ORIGINAL ANTIQUE SHOW.

Known for its quality... which continues today, you won't want to miss this semi-annual event. Mark your calendars now and plan to attend the Central Illinois Antique Dealers Association's 98th Show & Sale, as we continue to count down to our 100th show and sale in 2017.

## Wisconsin Antique & Vintage Show To Launch As Standalone Show on October 22nd & 23rd

Article by Tim Gill (Open Productions)

Open Productions is preparing for its first standalone showcase of the Wisconsin Antique & Vintage Show since the sale of its Rummage-A-Rama! brand earlier this year, to the Washington County Fair Park. The event takes place at the Milwaukee County Sports Complex in Franklin, WI (6000 W Ryan Rd) on Saturday, October 22nd from 9am to 4pm, and Sunday, October 23rd from 9am to 3pm.

Previously held in conjunction with the Rummage-A-Rama! event, this celebration of all things antique and vintage is seeking to target a more specific audience - those who love and appreciate the heirlooms and treasures of days gone by. "For some, that might be a 1920's lamp in pristine condition, and for others, it means shopping for vintage Nintendo games from when they were a kid," remarks Open Productions co-owner, Tim Gill.

This event is dubbed the "Fall Pickers' Sale", highlighting the 100 unique vendors who plan to participate. Among them, is History Channel's American Pickers star, Hippy Tom, who will be onsite selling an array of treasures from his Serendipity Farm in Waterford, WI.

On Sunday, the show will feature an Appraisal Fair, where customers can receive verbal appraisals from highly regarded, generalist appraisers, for just \$5 per item. Customers are encouraged to bring in furniture, pottery, textiles, clocks, jewelry, dolls, toys, glassware, and more.

Crowds of 4-6,000 people are expected for the weekend, who, in addition to boutiqueing, can enjoy onsite food and beverages, and handcrafted sweets from local bakeries, including Classy Girl Cupcakes.

Admission is \$5 per person, and kids 12 & under are FREE. Parking is also free. For more information, or to become a vendor, visit [www.wiantiqueshow.com](http://www.wiantiqueshow.com), or visit [facebook.com/wisconsinantiqueandvintageshow](https://www.facebook.com/wisconsinantiqueandvintageshow).

The Wisconsin Antique & Vintage Show, produced by Open Productions, is an indoor, pop-up marketplace that features 100+ vendors selling all things antique, vintage, salvaged, rustic, repurposed, and more. The event takes place at the Milwaukee County Sports Complex in Franklin, Wisconsin. The next scheduled event takes place January 28-29, 2017.

## **Celebrating Six Decades Of Preserving The Area's History and Treasures**

**Article by Sally Enloe (Green Bay De Pere Antiquarian Society)**

Green Bay De Pere Antiquarian Society's 60th Antique Show and Sale is Friday, November 18, 2016 at 10am to 7pm and Saturday, November 19, 2016 at 10am to 4pm. Located at Rock Garden Banquet and Conference Center, 1951 Bond St. Green Bay, WI 54303. \$6.00 admission covers both days, there's also a preview event open to the public Thursday, November 17, 4:00 to 8:00pm.. Brown County would not be the place it is today without the Antiquarians.

Since 1923 the Green Bay De Pere Antiquarian Society has raised funds to preserve buildings and artifacts important to the region's history. It has also raised awareness of the value of preservation. Sixty years ago the antique show and sale was conceived as a fundraiser.

Money raised goes to preservation efforts large and small. Over the years the Society has given out over \$650,000 to local museums and historical institutions. Dealers from across the Midwest clear their calendars to make time for this high quality show and sale.
