# Out & About

Make sure to Thank and Remember those who have Served for our Country.

Funny story and lesson learned. Mekenzy made a trip from Bemidji, Minnesota to Gladstone, Michigan to attend her Great Grandpa's funeral. She left after work at 5:30pm. She was unsure of which road she was going to take until she got driving. Although she checked to see where the gas stations were and their times they were open (24 hours). So, she decided to take Hwy 2 which runs in the middle of upper Michigan. I received a call from her at 12:30 am, with a frantic voice. "Mom I am safe but I am out of gas". So I ask how much do you have left, 23 miles and none of the gas stations have been open. Also, I hit a deer. I ask how bad is the car, she says she hasn't looked. While I stay on the phone she gets out to look, there is no damage. Now I explain that I need to see where she is at, so I pull up our "share location" on our phones to see where she is at. I explained that she is about 30 miles from the nearest gas station that would be open. By now she is down to 17 miles to empty, so we decide it's best she turns around and goes to the gas station she just left and stay there until they open at 5am. She talked to her sister on the phone until 2:30am and then slept for a couple of hours. She parked between two semi trucks and under the light. Lesson learned, she now will get gas when she is in a more populated area and make sure her gas tank is almost always full. Although she did look up every gas station on her phone before leaving and they all said 24 hours. She got to grandma and grandpas and grandpa greeted her coming in the door at 7am. He asked if she stopped to take a nap, she giggled and said no grandpa, "I only hit one deer and ran out of gas" he thought she was joking and sent her on her way to bed. Now she has a story to tell.

Kenzy says it has been snowing almost every day in Bemidji. She says that it doesn't all stay yet, but there is at least always four to six inches of snow always on the ground. She found out that she will have to shovel her car out. The plow goes down the middle & you have to shovel your own car out. She has not used the tunnels yet, she still walks to class outside. Her & her roommate are waiting for enough snow to build a snowman outside their window.

# Day Filled With Antiques, Sunshine, Knowledge and Friends in Chippewa Falls, WI

*Article & Photos by Lynn Kosuta*

The 2nd Annual Chippewa Falls Antique Show and Sale was held on Friday, September 29th and Saturday, September 30th. The event was held at Exhibition Hall C at the Northern Wisconsin State Fairgrounds in Chippewa Falls, Wisconsin. The show featured dealers from the Northern Wisconsin Antique Dealers Association.

There was a wide variety of advertising, primitive cupboards, country painted tables, glassware, paintings and prints, lamps, stoneware and always jewelry. These were just a few of the antiques that were available for your purchase. There were opportunities for the younger generation to fill their homes with antiques that have a story to tell, and that still have lots of life left in them. For those serious collectors, there were still hidden gems for those of you who like the hunt.

This year, again, I learned a lot about many different antiques. Don Gibson from Victorian House Antiques took time out to assemble his Keystone View Master for me to see how it worked. He has a huge collection of viewing cards to go with it. I looked at a few cards with it and was quite amazed at how 3D everything was...I chuckled with him admitting to him that I almost passed it by thinking it was binoculars.

As we were strolling around the booths we stopped at Lyn's Antiques, and low and behold, behind their table were two of the cutest puppies, brother and sister, of course we had to stop what we were doing and give them some loving.

I stopped by the Brass Candlestick and while admiring his pieces, Terry came over to show us his Strikers. To be honest, I had no clue what they were. He told us that they were fire lighting tools, based on ancient designs. When struck with a piece of flint, the steel striker will give off a shower of sparks with which to ignite your tinder of choice. He had some that were forged from an old file, he said that back in the day, they never let any steel go to waste.

I picked up a card at the show that said - Antiques...How to Shop Wisely, I thought I would share it with you. When shopping for antiques and collectibles, ask the dealer: How long have you been in business? How do you know an item is genuine, not a fake or reproduction? What are your criteria for identifying the item? Will you give me a written guarantee that the item is authentic? What is your return policy? I thought this was a nice guide to go by.

The smell of the food was amazing and the dealers kept asking each other how their food was, and everyone kept saying "delicious".

# Attention All Doll Lovers! ~ Mark your Calendars to Attend the 47th Annual Madison Area Doll Club's Show and Sale "Dolls! Dolls! Dolls!"

Article & Photos by Vicki Kutz (Madison Area Doll Club)

For the past 46 years, the Madison Area Doll Club has put on one of the premiere doll shows in the Midwest. Held in Madison, Wisconsin it is within travel distance for many of Midwest doll enthusiasts! Mark the date: Saturday, March 24th from 9:00 AM to 3:00 PM at the Exhibition Hall at Alliant Energy Center, 1919 Alliant Energy Way, Madison WI 53713. Admission is 5.00 per person with children under 18 years of age free. There is a 7.00 per vehicle parking fee at Alliant, so bring a car load of other doll collectors with you to share the cost!

The show features a large number of doll vendors from the Midwest in a well-lit display area. Whatever your interest, you will find it here! Dolls of all eras and types are represented, including antique, vintage, modern, and artist dolls. Also included are doll clothing, accessories, furniture, Steiff animals and anything doll-related! And I've heard one vendor will also be bringing some boy toys, such as old metal cars and trucks.

From antique French and German dolls to Barbie Dolls to today's beloved Reborn Babies, you will be delighted with the doll displays that will greet you once you walk-through the entry doors! Our vendors are varied and offer not only a great variety of types and eras of dolls, but also a large price range. So, if you are just starting out with a doll collection or are an advanced collector, there will be many choices for you to choose from!

Our vendors include many well-known local, regional and national doll sellers, and we anticipate adding some new vendors to our show. We are still accepting vendors for this show; please see contact information at bottom of article.

The show offers free doll appraisals (donation appreciated) and repair consultations. We added silent auctions last year and they were such a great success, we will be having them again this year! As always, we will have a free grand prize drawing that some lucky attendee will win. We also feature our club's doll display where you will find many different types of dolls represented by our club members in various scenes. Included this year will be dolls with the ribbons they won at the annual UFDC Conventions.

A food court area will be present in the exhibition hall and offers delicious salads, sandwiches, coffee and beverages. There is also an outside area with chairs so you can sit down and take a break, as well as chat with other doll lovers about your purchases or things you have seen at the show.

The Madison Area Doll Club is a non-profit club and profits from the show support other local and national non-profit organizations.

For more show information or dealer information, please contact Vicki Kutz at 609-279-5298 email: [dollcoll@charter.net](mailto:dollcoll@charter.net) or Nancy Wolf 608-628-3747 email: [nancyawolf@gmail.com](mailto:nancyawolf@gmail.com)

Players take turns to roll 2 dice and add the numbers together. The player then subtracts the total of the 2 dice from 20 and moves to the next space that has this number. For example: If a player throws 4 and 5, they would move to 11. The first player to reach the Feast is the winner. The player must throw a total of 8 or 5 to move to the Feast.</p>						8

# Richfield Historical Society (RHS) announces its 10th Annual Antiques, Appraisal and Chili Lunch After 10 years a new location offers more dealers along with appraisers and tasty food

Article & Photos by Diane Pedersen

Do you ever long to own a priceless antique or know what your antiques might be worth? Well, you can do both at the 2018 RHS Antiques, Appraisal and Chili Lunch now held at Friess Lake School 1740 Hwy 164 in Richfield WI, February 18, 2018 9am - 4pm. Admission is FREE. RHS has had such success these past 9 years it was decided to expand the event to include indoor dealer booths and their long trusted 5 appraisers. February is also the time of year we often long for the warmth of summer and visit with friends. The RHS Antiques, Appraisal and Chili Lunch is the place you can stay warm, purchase a wonderful antique, discover the estimated value of your antiques, and mingle with friends while enjoying a tasty bowl of Chili.

**DEALERS** - Friess Lake School is in the heart of Richfield and offers easy access and expanded parking for dealers and guests. In recent years the 5 appraisers/dealers brought antiques to sell. In 2018, RHS is adding indoor vintage/antique dealer booths. Booth fees: \$35 for 10.5 x 10 booth and \$40 with electric. 2-8' tables FREE with each booth. More information regarding Dealer Registration, Guidelines and Booth layout at

[www.richfieldhistoricalsociety.org](http://www.richfieldhistoricalsociety.org)

**APPRAISERS** - Bring your coins, stamps, watches, civil war and WWII items as well as any general item for appraisal. Appraisals per item: \$5.00.

**FOOD** - Mild, Tasty Fire House and Chicken Chili is featured item on the menu. Chose your favorite bowl of Chili along with fixings such as onions, sour cream and cheddar cheese. If you have attended the RHS event before, you will remember the

*Mascot Richie the Raccoon pictured in front of the Messer/Mayer Mill. He will be at the event from 11-1 PM.*

delicious cornmeal muffins, brownies and beverage all included for \$7.00. Chili Dogs went over so well in 2016 and 2017 we are offering them again in 2018. Homemade pie is \$2.00 per slice.

**BRING THE FAMILY** - Richie the Raccoon, RHS mascot, will be there 11-1 PM.

This event supports projects of the Richfield Historical Society. In particular, restoration of the Messer/Mayer Mill. RHS completed restoration of the final foundation wall in 2017. Future goal is to "Get the Mill Grinding".

Richfield Historical Society was founded in 1996 to promote the interesting history of the Richfield WI area and pioneers who settled the area. In 1998 the Town of Richfield purchased land which included the Messer/Mayer Mill and Homestead. This land now is known as the Richfield Historical Park. Each year RHS offers various events: Antiques, Appraisal and Chili 3rd Sunday in February, Maple Syrup Family Day in March, Annual Art Fair 4th weekend in July, Annual Threshere 3rd weekend in September.

Remember, you don't have to fight the traffic heading up north or into the city. Visit RHS Antiques, Appraisal and Chili Lunch once, and you'll return again and again. So, mark your calendar; and we will see you there.

# \$ Wanted! Reward! \$

We own the large portrait photo of Wyatt Earp (*taken by pioneer woman photographer Candace Reed in Quincy, Illinois in 1870*) which is seen below on the top left. This photo was likely stored in the dark for almost 150 years along with the now missing matching portrait of Wyatt's first wife Urilla Sutherland. We believe both were sold out of the excess inventory of the Manitowoc, Wisconsin County Historical Society sometime in the 1900s. We will pay at least **\$25,000 (this amount is negotiable)** to own the missing portrait of Urilla which is likely hanging in someone's house in Wisconsin or a nearby state. However, we must be able to examine it in order to determine it is her. If you have a portrait which measures 36" by 22" (*frame O.D. 41.25" by 27.50"*), and the frame matches the one Wyatt is framed in, and it's a woman wearing 1870s clothes- chances are you have the portrait we are looking for. **We do not know what Urilla's dress looks like.** Urilla may look like her

sister Velma (*seen below on the right*) but she could be wearing a different style dress or jacket than the one shown in the frame below on the left. **The best clue is the 36" by 22" actual size of the photograph which may also exhibit a strong resemblance to her sister Velma or the woman in the photo below in the center.** Unlike Wyatt, the frame she is in may not be damaged. Like Wyatt, her portrait could also be **signed Burger & Reed.** An ad was run offering her for sale (*as Wyatt's wife*) around 2003-2006 in one of the antique newspapers distributed in WI. We will pay **\$5000** to the first person who can provide us with an original copy of that ad which shows Urilla's portrait.

If you have the portrait photo we are looking for and would like to part with it for some **serious cash.** **Please call**

**Gary Stover at (303) 875-4271 or  
Marshall Bulle at (719) 489-2300**

**This may be a photo  
of Urilla (not sure)**
