# Out & About

## Hope Everyone Had A Wonderful Thanksgiving

Remember to look at our holiday deadline postings listed throughout the paper.

Please mark your calendars for Saturday, November 25th is Small Business Saturday. So, spend the day celebrating and supporting your local small businesses for all that they do for your communities. Stop by that family restaurant you keep saying you would like to try. Go to your local True Value Hardware store for light bulbs. Stop by that unique clothing store downtown you drive past everyday, that has cute items in the window. Every little bit of business helps them to keep helping support your communities. Spread the word!

Todd and Brandon worked on Brandon's 1999 F-150 this weekend. His driver rear leaf spring broke and so they repaired it. Then Tia's car broke down and they had to drive out to her school to repair it. When Mekenzy got home, she needed a oil change. Todd said he is done working on all of our cars for awhile.

# Fantastic Time at the 3rd Annual Octagon House Antiques & Art Show

Article & Photos by Michelle Goltz

Artist Nancy Bicknell is Celebrating 50 years of displaying her artwork. Creating works of art combining her pen, inks, etching and acrylics into original collages. Merging 50 years of art work into new images with texture, giving a dimensional appearance as though one is looking back in time. This series of country scenes, set in the City of Watertown, WI will bring back memories for many and stir the hearts of the young.

Stoughton Antique Mall came to the event to share demonstrations of Mourning & Funeral Customs, Homefront items from WWI & WWII as well as some of their Mystery Monday Items that can be enjoyed at their location each week.

Brandon and Bryana of Becker Antiques have a display of great furniture everywhere they go! So much to see and so many things that you will want to take home.

The construction of the Octagon House includes central heating, running water and ventilating systems. In addition to those "modern conveniences," the house features a central spiral staircase which rises from the first floor to the tower room.

Occupied only by Richards' family members, the house was given to the Watertown Historical Society and has been open to the public since 1938.

On the grounds you will see "The Plank Road Barn" that was built in 1853 and used by regional farmers driving cattle to the Milwaukee-Watertown Plank Road. It was moved from the Plank Road area east of the Rock River to this site in 1863 and restored by the Watertown Historical Society to feature great pieces of history. As well as the "First Kindergarten" this is the first kindergarten in the United States was founded by Margarethe Meyer Schurz in this building in 1856. Moved to the present site and restored in 1956 by the Watertown Historical Society.

This property also has a gift shop on the grounds as well as a great display of museum pieces on the upper floors of the Octagon house. The floors that have original furniture from the Richards family is something to see! The guided tour is educational and intriguing, this is a must visit site!

House open to Visitors for guided tours May through October and special events. Call (920) 261-2796 or visit [www.watertownhistory.org](http://www.watertownhistory.org)

The Watts collection is filled with Native American Indian objects as well as traditional cowboy antiques and collectibles. "Even the cigar tins are Western themed with cowboys and Indians," Mr. Eckles remarked. This is a rare chance for "Old West" fans to enhance their collections.

All items in the auction are guaranteed authentic, with no reproductions or fakes.

In addition to the Watts collection, the auction will also feature investment-grade items from other advanced collections, to include cash registers, pharmaceutical show globes and holiday collectibles (for Halloween and Thanksgiving) and more.

Showtime Auction Services is always accepting quality items for future sales. ## The Tea Leaf Journey from England to Mid-America

In mid-September, Tea Leaf Club International members travelled to St. Louis, Missouri, for their 38th annual convention. It was fitting that the convention's educational theme centered on the travels of Tea Leaf ironstone from the kilns of England to the homes of early settlers in America's heartland.

Every year members look forward to the gathering as an opportunity to socialize, renew friendships, and share their experiences in searching

for and purchasing the beloved Tea Leaf, including variants and other copper lustre decorated ironstone. Convention activities include welcoming new members, informal discussions around the dinner table, an informative tour of the host city's historical sites, table sales of Tea Leaf related items, educational presentations, and the much-anticipated auction.

Following a delightful game about Tea Leaf body styles, answers were presented through a demonstration of matching the makers and body styles using the Online Identification Guide. The Guide, accessed through the Tea Leaf website, is an excellent source of information about the potters and their history, body styles, motifs, and descriptions of the various pieces. At this time, the Guide contains over 1800 photos. More are added regularly by the Education Committee, as information becomes available. Use of the Tea Leaf Online Identification Guide is free and available to the public.

The presentation of Tea Leaf travels was incorporated in a skit with characters sharing their involvement in the journey. It emphasized the many aspects of Tea Leaf Ironstone from manufacturing to shipping to retail to collecting. The majority of Tea Leaf travelled over 4,200 miles, over 100 years ago. Just having beautiful pieces to admire now is nothing short of amazing!

At auction time, 180 lots were offered. Bidding was robust, with some items selling for bargain amounts and some very pricey, depending on the collectors' interests and wallets. The highest bid was garnered by a rare Teaberry motif mug at \$700. Among the other high bid items were an unusual Teaberry brush vase, a Teaberry ewer and basin, a Wedgwood Fleur-De-Lis Chain Tea Leaf brush vase, a Burgess Tea Leaf brush vase with under-plate, and a Meakin brocade Tea Leaf three-piece soup tureen. More than 50 lots sold for more than \$100.

With the 2017 Convention completed, members now look forward to September 2018, when they will convene again to celebrate Tea Leaf Ironstone. Meanwhile, the search for interesting and usual pieces of the durable ironstone continues.

The Tea Leaf Club is dedicated to the study and collection of Tea Leaf Ironstone China and its Variants, produced in England and America from the mid-19th century through the early 1900s. The club boasts hundreds of members from almost every state in the union who collect, study, love, and appreciate the simple beauty and endurance of Tea Leaf Ironstone China. The club welcomes new members and enthusiastically shares their appreciation for the sturdy, attractive pottery. Visit the Club's web site [www.tealeafclub.com](http://www.tealeafclub.com) to learn more about Tea Leaf Ironstone.

## The Passing on of Native American History

The Prehistoric history of the Native American Indian is reflected in their hand made weapons and tools. The oldest Artifacts, such as arrowheads, date back 14,000 years and span across the Paleo-Indian Era (Stone Age culture) and the Clovis and Folsom cultures.

A massive private collection that was started by one family member in the late 1800's was passed on through the family for all these years. This Keil family Collection from Iowa home will be passed on to the public and hopefully start the next generation of family collections. It is very important that the prehistoric history of our oldest American family members be preserved and

passed on through our museums and collectors. Very seldom does a massive and diverse collection of this Magnitude come on the market. They are usually passed on to museums and other private collectors that keep them stored away, never to be seen by public eye.

The family spent several thousand hours carefully and artistically sewing and gluing the many artifacts on to boards for display in their basement. These artistic displays will rival any museum. This magnificent displays can be seen at [www.mwauctions.com/](http://www.mwauctions.com/).

The collection contains approximately 9,000 items. Most of the collection was found in Iowa but many others in Illinois and Wisconsin. A family diary was kept

of where many of the artifacts were found and when. These artifacts were numbered as shown in the auction catalogue. A copy of this information is in family diary that will be copied and made available to buyers.

This diverse collection covers the Paleo period of 9000 BC to 14000 BC including artifacts of Clovis, Cumberland, Fulsom, and Dalton arrow Heads and spears

points. The Archaic perion of 6000 BC. to 9000 BC. Include artifacts of Kirk, Benton, and Dovetail. The Woodland period of 3000 BC. to 6000 BC. Including Adena, Hopewell, Platform pipes and more. The Mississippian period including Bone, Shell, Hardin and tools.

The family collection will be sold in 2 day auction Thursday and Friday, Dec. 7th and 8th, 2017 by Midwest Auction Co. at Low Moor Iowa community Center 211 3rd Ave. Doors open at 8:30 AM. and the Auction starts at 10:30 AM. each day.

Russ Hayward and Shawna Hayward started Midwest Auctions, Inc. in 1989. They sell primarily Native American Indian items as well as Civil War and old west. They can be reached for more information at 13594 500 Avenue, Miles, IA 52064. By phone at (563) 357-1849, Website is [www.mwauctions.com](http://www.mwauctions.com)

## FROSTY THE SNOWMAN

Frosty the Snowman was a jolly \_\_\_\_\_ (adjective) soul with a \_\_\_\_\_ (adjective) pipe and a button \_\_\_\_\_ (body part), and \_\_\_\_\_ (number) eyes made out of \_\_\_\_\_ (noun).

Frosty the Snowman is a fairytale they say. He was made of \_\_\_\_\_ (noun) but the children know how he came to life one day.

There must have been some \_\_\_\_\_ (noun) in that old \_\_\_\_\_ (adjective) hat they found. For when they placed it on his \_\_\_\_\_ (body part), he began to \_\_\_\_\_ (verb) around.

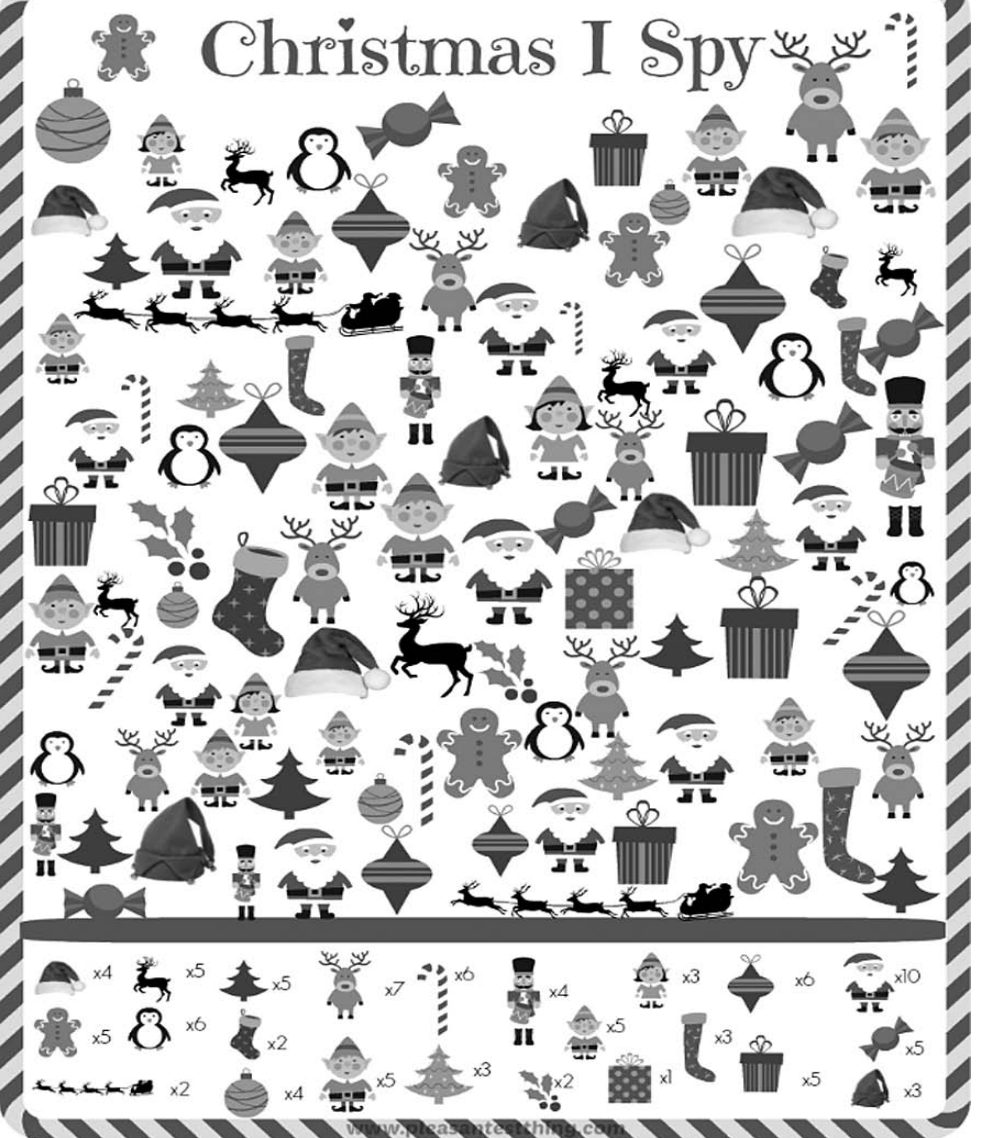

Frosty the Snowman was as \_\_\_\_\_ (adjective) as he could be. And the children say he could \_\_\_\_\_ (verb) and \_\_\_\_\_ (verb) just the same as you and me.

Frosty the Snowman knew the sun was \_\_\_\_\_ (adjective) that day so he said let's \_\_\_\_\_ (verb) and we'll have some fun before I melt away.

# Richfield Historical Society (RHS) announces its 10th Annual Antiques, Appraisal and Chili Lunch After 10 years a new location offers more dealers along with appraisers and tasty food

Article & Photos by Diane Pedersen

Do you ever long to own a priceless antique or know what your antiques might be worth? Well, you can do both at the 2018 RHS Antiques, Appraisal and Chili Lunch now held at Friess Lake School 1740 Hwy 164 in Richfield WI, February 18, 2018 9am - 4pm. Admission is FREE. RHS has had such success these past 9 years it was decided to expand the event to include indoor dealer booths and their long trusted 5 appraisers. February is also the time of year we often long for the warmth of summer and visit with friends. The RHS Antiques, Appraisal and Chili Lunch is the place you can stay warm, purchase a wonderful antique, discover the estimated value of your antiques, and mingle with friends while enjoying a tasty bowl of Chili.

**DEALERS** - Friess Lake School is in the heart of Richfield and offers easy access and expanded parking for dealers and guests. In recent years the 5 appraisers/dealers brought antiques to sell. In 2018, RHS is adding indoor vintage/antique dealer booths. Booth fees: \$35 for 10.5 x 10 booth and \$40 with electric. 2-8' tables FREE with each booth. More information regarding Dealer Registration, Guidelines and Booth layout at

[www.richfieldhistoricalsociety.org](http://www.richfieldhistoricalsociety.org)

**APPRAISERS** - Bring your coins, stamps, watches, civil war and WWII items as well as any general item for appraisal. Appraisals per item: \$5.00.

**FOOD** - Mild, Tasty Fire House and Chicken Chili is featured item on the menu. Chose your favorite bowl of Chili along with fixings such as onions, sour cream and cheddar cheese. If you have attended the RHS event before, you will remember the

*Mascot Richie the Raccoon pictured in front of the Messer/Mayer Mill. He will be at the event from 11-1 PM.*

delicious cornmeal muffins, brownies and beverage all included for \$7.00. Chili Dogs went over so well in 2016 and 2017 we are offering them again in 2018. Homemade pie is \$2.00 per slice.

**BRING THE FAMILY** - Richie the Raccoon, RHS mascot, will be there 11-1 PM.

This event supports projects of the Richfield Historical Society. In particular, restoration of the Messer/Mayer Mill. RHS completed restoration of the final foundation wall in 2017. Future goal is to "Get the Mill Grinding".

Richfield Historical Society was founded in 1996 to promote the interesting history of the Richfield WI area and pioneers who settled the area. In 1998 the Town of Richfield purchased land which included the Messer/Mayer Mill and Homestead. This land now is known as the Richfield Historical Park. Each year RHS offers various events: Antiques, Appraisal and Chili 3rd Sunday in February, Maple Syrup Family Day in March, Annual Art Fair 4th weekend in July, Annual Threshere 3rd weekend in September.

Remember, you don't have to fight the traffic heading up north or into the city. Visit RHS Antiques, Appraisal and Chili Lunch once, and you'll return again and again. So, mark your calendar; and we will see you there.

# 2018 American Art Pottery Association to Convene in Ames, Iowa

Article & Photos by Marie Latta (American Art Pottery Association)

The upcoming annual convention, Show & Sale of American Art Pottery Association will be held at the Gateway Hotel and Convention Center in Ames, Iowa. The event will be held April 25 - 28, 2018 and will feature a tour of Iowa State University campus art collection.

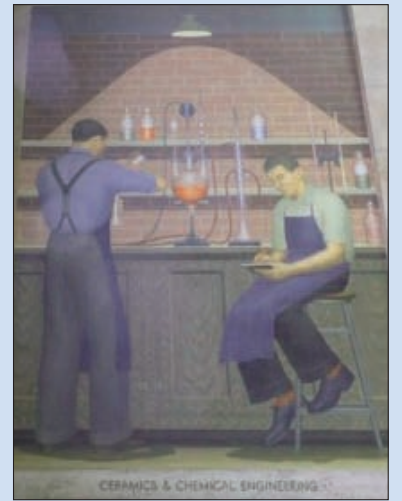

In the depths of the depression Grant Wood and the colony of artists from Stone City spent time beautifying the campus with murals and sculpture. What's left is an enduring grouping of master pieces situated throughout the campus along with more contemporary works. On display for attendees at a lunch gathering will be the pottery produced at the college by Professor Paul Cox and Mary Yancey in the 1920's.

Thursday the 27th will be seminar presentations by members on Handicraft Guild Minneapolis, Abingdon Pottery and an afternoon program exploring the sculptor Christian Peterson by Lea DeLong.

Friday morning will discuss the world of collecting art pottery in an interactive talk moderated by our Journal editor and a major pottery expert regularly featured on Antiques Road Show.

Friday afternoon the greatest art pottery show in the country will open for convention attendees only. At 9AM Saturday morning the show will open to the general public and run until 4PM that afternoon. Admission is free.

If you have an interest in art pottery you are welcome to investigate further by logging into our Facebook page: <https://www.facebook.com/AmericanArtPotteryAssociation> or website: <http://aapa.info>
