Collector cars brought strong prices at the sale, like a '71 Dodge Challenger that brought \$21,000, a '66 Plymouth Sport Fury went for \$8,500 and a '66 Ford Thunderbird that sold for \$6,000. Other great vehicles included at '36 Plymouth Deluxe Business Coupe, a '61 DeSoto, a '56 Nash Metropolitan, '27 Dodge Standard and a '59 Edsel.

Slots and coin op were another popular category. With highly sought after slot machines, coin op games, vending machines and classic pinball machines, buyers had some great pieces to add to their collections.

Music boxes were popular as well as advertising signs, architecture, three tower clocks and some amazing carousel figures.

Please Remember Our
Deadline is Every
Monday at 12 Noon

It is with Deep sadness that we inform you of the passing of Gloria M. Swanson, our long time friend and co-worker of 14 years.

As some of you auctioneers might remember, Gloria did the auction layouts and talked with many of you.

She was a smart, beautiful woman who loved helping everyone as much as she could. Gloria really enjoyed her 14 years working here and loved interacting with her customers. She was nervous about retirement but when the day came, she never regreted a moment. Her and her husband Rob were always busy gardening, making maple syrup or going to their cabin. She will be missed by many.

Gloria Mae Swanson, age 71 of Bonduel, passed away at Aurora Hospital in Green Bay after a brief illness on Tuesday, January 9th, 2018. She was born May 19th, 1946 in Green Bay, Wisconsin to Leon and Adelia (Brandt) Hilliker.

Gloria grew up in Navarino and often shared fond memories of her childhood there.

She graduated from Navarino Grade School and Bonduel High School.

She and Charles Stern were married on October 28th, 1967; Charles passed away February 13th, 1994.

They have a daughter Bonnie Rossi of McFarland, Wisconsin. Bonnie and her daughter Bella have been a great joy in Gloria's life.

Gloria married Robert Swanson on May 18th, 2002. She and Rob shared many interests, among them gardening, yard work, ice fishing, hiking and berry picking at the cabin in Marinette County...and the Packers! For several years she helped care for Rob's parents,

Loren and Margaret Swanson. Loren said of Gloria, "If there's anything that needs to be done, Gloria can do it."

Each winter she looked forward to a visit with her sister Jean and her husband in Arizona.

She was employed at A.C. Nielson in Green Bay, Wisconsin. Shawano Shopper's Guide, Shawano, Wisconsin and was the Layout Designer for "Auction Action Antique News", Shawano, Wisconsin. Gloria's creativity was evident in both her work and her many interests, which included gardening, remodeling her home, canning, and crafts. She was involved greatly in her church community at St. Paul Lutheran Church in Bonduel, Wisconsin where she participated in Bible Studies and other activities.

She was preceded in death by her parents, her first husband, Charles Stern, and her brother Lee Hilliker. She is survived by her husband Robert Swanson, daughter Bonnie (Brian) Rossi, granddaughter Annabella Rossi, brother Roland Hilliker, sister Jean (Leon) Drage, nieces, nephews, and other relatives.

The funeral service was held at St. Paul Lutheran in Bonduel on Monday, January 15th, with Rev. Mark Palmer officiating.

Evans Decoy Book Available Now

Ever since the inception of the Evans Society in the late 1990's there has been discussion of documenting the history of Walter Evans and the Evans Decoy Factory. Over the years there have been a number of articles written based on information that was gathered by Evans collectors.

A few years back, Jackie

Robinson worked to put together a book on Walter Evans, but with Jackie's passing the book was never completed and we are not aware of what happened with all her work. In 2012, Terry Smart was elected president of the Evans Society. Andy Schoneich and Terry Smart began their independent work on the Evans book almost two years ago after agreeing at the 2015 Oshkosh Wisconsin Decoy show to take on the project. The majority of the work started in July 2015. The goal of the book was to provide the collector a comprehensive pictorial guide to the different grades and species of Evans decoys. With the support of many collectors, we were able to assemble a comprehensive collection of all the species and grades of known Evans decoys. Through our research we were able to bring clarity to the (4) grades of Evans decoys (Mammoth, Standard, Competitive, and Hardware Store) and the distinguishing characteristics between each grade. The objective of the book was not to speculate, but only make claims based on known/documented facts. The book was completed in April 2017 and available to collectors at the 2017 North American Vintage Decoy and Sporting Collectibles Show. Given that this has been the first comprehensive publication regarding Walter Evans and his decoys, it has been well received and appreciated by collectors.

To order a copy, please go to www.decoyrelics.com, select the Evans Book tab and print an order form, or call us at (708) 448-3061 and we would be happy to help complete a form for you.

Musical Box Society International

The Musical Box Society International is a non-profit organization dedicated to the enjoyment, study and preservation of all automatic musical instruments. From its modest beginning in 1949, MBSI now numbers several thousand members with representation in each of the 50 states and 19 other countries.

The MBSI website at www.mbsi.org is easy to navigate and understand. Visitors to the site will find a great deal of helpful information about automatic musical instruments. There is a large museum section showing various museums and repositories that have automatic musical instruments and a huge listing of manufacturers of these instruments. We particularly enjoyed the Photo Gallery. Twenty-five musical instruments are shown and by clicking on a button by each picture you can actually hear the automatic musical instrument playing. For members there is a large library for borrowing related books and also a MBSI Store. The Society's chapters are listed and an Events Calendar features the annual convention as well as chapter events.

The section on how to become a member is easy to understand and complete. Anyone visiting this site and spending some time here who has an interest in automatic musical instruments should end up at this section and join!

45th Annual Antique American Glass and Pottery Show and Sale

Article & Photos by Jane Schleinzer
(20-30-40 Glass Society of Illinois)

The Antique American Glass sale will be held on Saturday, March 10, and Sunday, March 11, 2018 at the Concord Plaza Midwest Conference Center 401 West Lake Street Northlake, Illinois. This will be our 46th year!

The sale is sponsored by the 20-30-40 Glass Society of Illinois. The Society members are collectors of American made depression era glass, handmade glass, pottery, and related material. Proceeds from the show are donated to glass museums that help to preserve the American made glass story.

Nationally known dealers

There will be over 25 dealers from around the country. The glass and pottery that will be for sale is all American made. We will have early American pattern glass, elegant or handmade

glassware, depression glassware, kitchen glassware, Pyrex, Fire King, and Fenton. There will be something for everyone. Our show dealers will also have available for sale, items to help set the table, such as linens, silverware, etc.

Glass Identification and Glass Repair

All weekend there will be a glass identification table. Bring in that piece of glass to be identified. Our members will use the club's extensive reference library to help in the identification. In addition, there will be a professional crystal repair service all weekend, so bring in any pieces that have a small "ding" and see if they can be restored to near original condition. We have hourly door prizes and a raffle of antique American glass. The winner of the

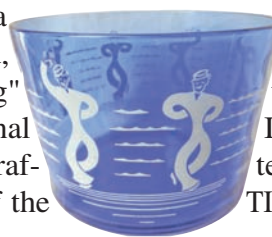

raffle will be drawn late in the day on Sunday. Winner need not be present.

Show Hours

The public is invited during the hours of 10:00am to 5:00pm on Saturday March 10, 2018 and 11:00am to 4:00pm on Sunday March 11, 2018. Admission is \$8.00 per person, good for both days.

The Society meets 6 times a year to celebrate the beauty of American made glassware and pottery. We enjoy programs and displays on elegant or handmade glassware and depression era glass. Members may also bring in an item for identification. We enjoy a day of beautiful glass, knowledge, food, and friendship.

For more information contact 20-30-40 Glass Society of Illinois, John or Jane Schleinzer, telephone (630)851-4504, email: JSANTIQUES@aol.com.

Richfield Historical Society (RHS) announces its 10th Annual Antiques, Appraisal and Chili Lunch After 10 years a new location offers more dealers along with appraisers and tasty food

Article & Photos by Diane Pedersen

Do you ever long to own a priceless antique or know what your antiques might be worth? Well, you can do both at the 2018 RHS Antiques, Appraisal and Chili Lunch now held at Friess Lake School 1740 Hwy 164 in Richfield WI, February 18, 2018 9am - 4pm. Admission is FREE. RHS has had such success these past 9 years it was decided to expand the event to include indoor dealer booths and their long trusted 5 appraisers. February is also the time of year we often long for the warmth of summer and visit with friends. The RHS Antiques, Appraisal and Chili Lunch is the place you can stay warm, purchase a wonderful antique, discover the estimated value of your antiques, and mingle with friends while enjoying a tasty bowl of Chili.

DEALERS - Friess Lake School is in the heart of Richfield and offers easy access and expanded parking for dealers and guests. In recent years the 5 appraisers/dealers brought antiques to sell. In 2018, RHS is adding indoor vintage/antique dealer booths. Booth fees: \$35 for 10.5 x 10 booth and \$40 with electric. 2-8' tables FREE with each booth. More information regarding Dealer Registration, Guidelines and Booth layout at

www.richfieldhistoricalsociety.org

APPRAISERS - Bring your coins, stamps, watches, civil war and WWII items as well as any general item for appraisal. Appraisals per item: \$5.00.

FOOD - Mild, Tasty Fire House and Chicken Chili is featured item on the menu. Chose your favorite bowl of Chili along with fixings such as onions, sour cream and cheddar cheese. If you have attended the RHS event before, you will remember the

Mascot Richie the Raccoon pictured in front of the Messer/Mayer Mill. He will be at the event from 11-1 PM.

delicious cornmeal muffins, brownies and beverage all included for \$7.00. Chili Dogs went over so well in 2016 and 2017 we are offering them again in 2018. Homemade pie is \$2.00 per slice.

BRING THE FAMILY - Richie the Raccoon, RHS mascot, will be there 11-1 PM.

This event supports projects of the Richfield Historical Society. In particular, restoration of the Messer/Mayer Mill. RHS completed restoration of the final foundation wall in 2017. Future goal is to "Get the Mill Grinding".

Richfield Historical Society was founded in 1996 to promote the interesting history of the Richfield WI area and pioneers who settled the area. In 1998 the Town of Richfield purchased land which included the Messer/Mayer Mill and Homestead. This land now is known as the Richfield Historical Park. Each year RHS offers various events: Antiques, Appraisal and Chili 3rd Sunday in February, Maple Syrup Family Day in March, Annual Art Fair 4th weekend in July, Annual Threshere 3rd weekend in September.

Remember, you don't have to fight the traffic heading up north or into the city. Visit RHS Antiques, Appraisal and Chili Lunch once, and you'll return again and again. So, mark your calendar; and we will see you there.

ANTIQUQUE SPORTING & ADVERTISING SHOW

Set For February 2nd & 3rd

Article by Nona Amour Wilson (Northstar Collective)

Looking for a unique experience for the family to enjoy? Searching to find that special item to invest in? Perhaps you're hunting down that one item that is missing from your elite collection. Look no further than Northstar Collective's 16th Annual Antique Sporting and Advertising Show, located at the Sunnyview Expo Center in Oshkosh Wisconsin.

Upon entering the show, you will encounter a variety of quality dealers with their fine merchandise. From animal mounts to hunting knives, from antique advertising to old general store displays, we've got it all for your convenience to find the perfect item for your collection. With lures, decoys, traps, cabin décor, furniture, Native American artifacts, early to mid-century toys, and more, we provide an exquisite opportunity for you to find what you want for your man cave or she-shed.

Items range from ten dollars to thousands of dollars; whether you're a beginner in the collecting world, or an experienced veteran; you'll find this show to be refreshing from the typical routine.

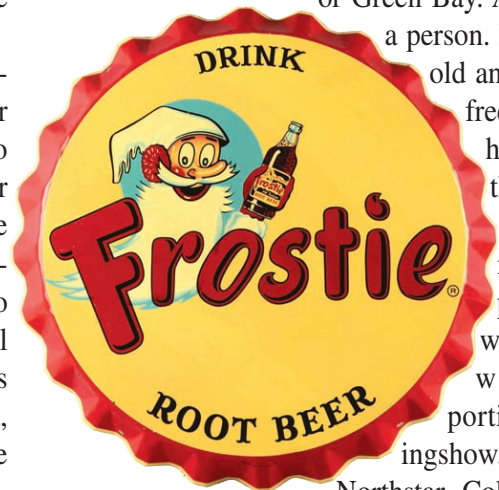

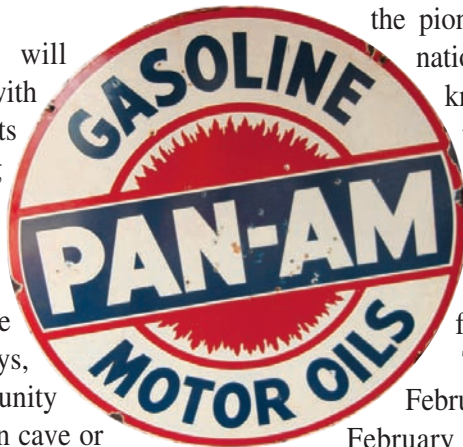

We aim to reflect a mere fraction of America's fine history. From the time of the frontiersman; trading their goods with the Native Americans for furs and pelts; to the pioneers of industry; moving our nation further to civilization as we know it today. Both parts in history we strive to bring forth to the show, and revive for all who attend to enjoy so it turns into more than another event, but an experience the entire family will enjoy.

The show will be held February 2nd, 10 am-6 pm, and February 3rd, 9 am-3 pm at the Sunnyview Expo Center in Oshkosh Wisconsin. It is

located just off HWY 41, in the heart of the Fox Valley, and a short drive from Milwaukee, Chicago, Madison, or Green Bay. Admission is \$7 a person. People 15 years old and younger have free admission. We hope to see you there.

FRIENDLY, AFFORDABLE & CHARITABLE!

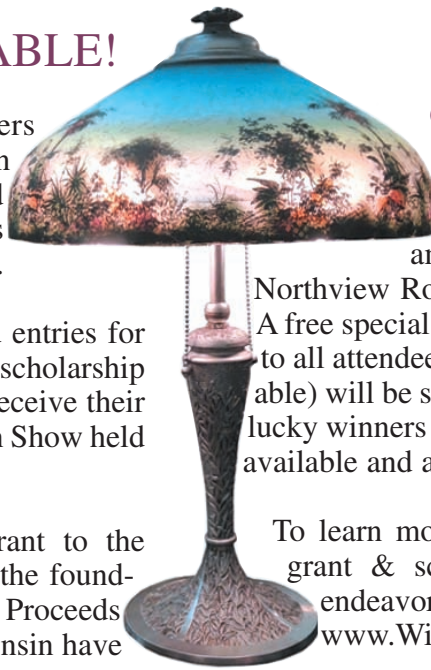

Founded in 1948, the Wisconsin Antiques Dealers Association (aka WADA) is a non-profit charitable organization dedicated to preservation & education within Wisconsin. Funded by admissions charged at their February & October antiques shows, their Association awards scholarships and grants annually.

Waukesha County high school seniors recently submitted entries for the Wisconsin Antiques Dealers Association's annual memorial scholarship competition. Three winners for the 2017-2018 school year will receive their awards at the 44th Winter Wisconsin Antiques Dealers Association Show held February 2 & 3, 2018, in Waukesha.

In addition WADA has awarded a fifth restoration grant to the FRIENDS of the Wisconsin Historical Society and continues as the founding sponsor of FWHS's "30th Star Benefit Antiques Auction". Proceeds from 2010, 2012, 2014 & 2016 auctions held at Old World Wisconsin have funded countless restorations at various historic sites throughout Wisconsin.

Everything from jewelry to art to furniture, and everything in between, can be found at the show.

A wide variety of antique lighting can be found at the Wisconsin Antiques Dealers Association Show.

Antique Valentines are always available at WADA's February show!

"30th Star Benefit Antiques Auction"

FRIENDS of WHS Seek Donations of Antique Treasures!

Article & Photos by Debbie McArdle (FRIENDS of the Wisconsin Historical Society)

Carol Miller, Bailey's Honor Auctions, Volunteers. Wisconsin Antiques Dealers Assn. Continues as Founding Sponsor.

The FRIENDS of the Wisconsin Historical Society are currently collecting tax-deductible donations of antiques and vintage items for their April 28, 2018 "30th Star Benefit Antiques Auction" held at Old World Wisconsin in Eagle.

The auction is held in Old World Wisconsin's historic Clausing Barn, Eagle, Wisconsin

Donations of items more than 50 years old may be dropped off at the upcoming Wisconsin Antiques Dealers Association's 44th Winter Show, February 2 & 3 held at the Waukesha County Expo Center, Waukesha. Volunteers will be on hand to provide tax deductible receipts. See <http://www.WisconsinAntiquesDealers.com> to learn more about the show's hours. A grant from the Wisconsin Antiques Dealers Association continues their commitment as the benefit auction's founding sponsors. Admission charged at their October and February antiques shows fund such grant and scholarship programs.

The inaugural auction, held in April 2010, was followed by three successful encores in April, 2012, 2014 & 2016. Thus far the proceeds from the four biennial auctions have provided important funding for the Wisconsin Historical Society's state historic sites as well as for National History Day.

Buttons, Buttons - Who's Got The Button?

By Shelby Weister, Four Seasons Antique Mall

There are big buttons, little buttons and buttons of every shape, size and color you can imagine. Some were carved and made of pearl, bone ivory, leather or wood.

Do you have a button jar or a trunk full of buttons? I do. Why do we save buttons? Maybe it's because they are pretty and colorful. And you never know when you might need that certain button.

I have been collecting buttons for years. When I was a child, we pretended the buttons were money for our toy cash register. My grandchildren played with these buttons, too.

Some buttons are made of brass or sterling silver. Military uniforms have very ornamental buttons, which are highly collectible. Crafters use old buttons to make jewelry, trim purses and decorate clothing. There are button pins, bracelets and necklaces. Filling an old kerosene lamp with buttons is very colorful.

Old fur coats have beautiful large buttons. Some vintage clothing has painted or enameled or sparkling stone buttons. Buttons have been used throughout the centuries.

If you don't have a collection started, it's not too late to find a jar or box and begin to fill it with favorites. Happy collecting!

Just a few months away, the "30th Star Benefit Antiques Auction" is 2 years in the making! Contributions of antiques (more than 99 years old) and vintage items (50-99 years old) have been gathered from across middle America. In keeping with their goal to "preserve and share history", each item will be accompanied by a Provenance Statement. The auction catalog will list the known history of each piece as well as the donor's name, if desired. Tax deductible receipts will be provided.

Carol Miller of Bailey's Honor Auction Service in Oconomowoc has once again volunteered to call the auction. You can follow Carol's many auctions throughout the year at <http://baileyshonor.com/>

For questions about the April 28, 2018 "30th Star Benefit Antiques Auction" or to make a donation of an antique or vintage item, please contact Riene Wells at 262.363.4700, info@eagle-house.com or Debbie McArdle at 815.575.1272, jjmcard@comcast.net. A Preview Party, including dinner and silent auctions, will take place Friday night and is by reservation only. Contact Riene of Debbie for details.

A display of tin litho advertising illustrates the artful use of color and design to attract the consumer's eye.

This classic Mersman #8121 mosaic table screams mid-century modern! It will be part of the April 28, 2018 auction.

This novel "Mary Joy Chair" is a prototype patented by a prominent inventor who also invented the first automated teller machine (ATM) in 1959! He designed it so his wife could fix her hair using the moving seat and elevated mirror while

seated at her vanity.

This unusual chair was donated by the inventor's family in Barrington, Illinois.

Folk Art Society of America

The Folk Art Society of America, founded in 1987, has become a dynamic, non-profit organization which advocates the discovery, study, documentation, preservation and exhibition of folk art, folk artists and folk art environments. Artists, educators, historians, writers, collectors, dealers, curators, museums, libraries and art enthusiasts from across the United States and around the world join together to share a common bond of interest in self-taught art and the unique individuals involved in its creation.

The home page of the FASA website at www.folkart.org is pleasing to the eye. Against a rich dark green background, it features a piece of folk art, the name of the Society and logo, how to contact the the Society and seven simple links: About the Society, how to join, the Society's magazine, Calendar of events, Annual conference, Catalog of books and links to other folk art sites.

Navigating the site couldn't be simpler and FASA seems to have all bases covered. The site certainly should give any first-time visitor a good feeling about the Folk Art Society of America.
