Article & photos by Tim Wilson

February 15th, the sun was up, the temperature was near the 80s, and people were displaying, buying, and or trading at the Gateway Gas and Oil Show. National buyers from all over the country made an appearance to participate in the hunt. In the end, on February 17th, the dealers and show-goers overall had positive things to say. Yes, most people were rather excited about their sales and, if not sales, their purchases.

Out & About

The weather here was really nice this past weekend. Hopefully everyone was able to get out and enjoy some antiquing activities. There has been plenty to choose from in the past few weeks. The shops and malls are reporting lots of traffic and sales.

The girls were home for the week and weekend for their spring break. It was nice to spend time with them. They only worked three out of the eight days they were home. We went out to eat and celebrated their birthday with a cookie cake. We took them shopping for college supplies and food. Took care of their oil changes and car washes. Mekenzy will be home for a few weeks this summer and Tia will find out in a couple of days if she will be interning this summer, so she won't be home.

Gateway Gas & Oil Show Races with Room Trade

Article & photos by Tim Wilson

The show was held in the Doubletree Hotel & Conference Center in Collinsville, Illinois, making an easy drive for anyone from Chicago, Kansas City, Indianapolis and Memphis. Since the Doubletree is a hotel, the event had room trade added in with the two ballrooms the hotel had, along with the outdoor vending.

Room trade is where vendors set up their merchandise in their rooms and sell their goods from within that room. It creates a difference in how collectors scope out what they're looking for and gives vendors a new source and way to display their merchandise. Vendors who participate in shows are familiar with this way of set up. Normally, they have an empty space with a few tables. When dealing with room trade, their boundaries are within a furnished room, giving opportunity to display in ways they couldn't in an empty space.

At this occasion, you would've seen a lot of signs. Hundreds of gas, oil, tire, and car dealership signs were displayed in brilliant colors from the turn of the 1900s to the mid-century. Soda signs were scattered around the rooms for anyone looking. To add even more color, there were mid-century neon advertising signs to light up your world in this annual occurrence. For anyone who likes toys, there was a good supply of toys present, along with some oddities and rarities that would perk the interest of the avid collector, such as the Navy spotting scope from WWII, or the Hotchkiss grill from the 1930s that was turned into a mirror.

The show will be held again next year in the same location, the Doubletree Hotel & Conference Center in Collinsville, IL. For more information you can visit the website www.gatewaygas.com, or contact by email at admin@gatewaygas.com, or by phone 906-250-1618.

The most authoritative guide to silver marks ever published.

A real game changer!

Miller's Encyclopedia of World Silver Marks

Millers/March 20,2018

Hardcover/\$175

Designed as the essential reference tool for appraisers, collectors and dealers, the Encyclopedia of wide-ranging reproductions of thousands of hallmarks from more than 60 countries and regions, past and present, on every continent. It is also clearly and logically organized into two volumes for ease of reference: in the first volume are hallmarks listed by visual type and category, fully cross-referenced to information in the second volume on country of origin (in order of importance), center of assaying or making, date and silver standard marks, special marks such as import/export marks, and selected maker's marks. Vetted by an international team of experts, the Encyclopedia helps you to identify silver hallmarks quickly, easily and reliably. It also includes brief historical overviews of hallmarking in each country, a description of the hallmarking process, and a guide to identifying fake and forged marks. Practical, comprehensive and up to date, Miller's Encyclopedia of World Silver Marks is an invaluable aid to identifying silver from around the world.

Porquier Beau Statue "The Newlyweds"

Quimper Club International

Dick's Quimper collection began with a major piece, the Porquier Beau statue "The Newlyweds." It was love at first sight for him.

I had been collecting cups and saucers and an occasional small plate to display with my four Quimper eggcups. My budget for collecting was tiny and even buying a piece at all seemed like a huge luxury.

Dick and I were at an antique show in L.A. when one of our favorite dealers had some wonderful cups & saucers AND this large wonderful statue. Well, Dick took a good look at the statue and decided that we should have it. So, after quite an extensive conversation we agreed – we would buy it. I must admit, the statue pretty much ate up a whole year's collecting budget for me but I have never regretted the decision.

Through the years, I've added to Dick's collection a piece at a time. The terracotta pieces don't seem to mix well with the faience pieces (or maybe they do and I'm overly sensitive to glazes and finishes), but in any case, they certainly display well as a collection! One piece at a time is usually how they entered our home but occasionally I was able to find a pair.

The matching newlywed platter is a favorite and this Porquier Beau themed collection is a source of great pride for us both.

About The Author

Lucy is Co-founder and a former President of QCI. In addition to collecting and selling French faience she plays in an orchestra, teaches piano, quilts and keeps up with her handsome grandsons.

The April 22 Chicago Toy Show invites you to join in the fun. See toys and dolls from the past century, all available to become part of your collection. Unusual, rare, and unexpected items from 1900 through 2017 can be enjoyed in prime condition at remarkable prices. We feature handsome displays loved by children and now treasured by adults. Toys have character and charm which appeal to everyone. You cannot walk through this show without a smile on your face as you enjoy the playful inventory.

Toys were made to represent items from their world, but the toy versions were often “cuter” than the real sources with exaggerated proportions and brighter colors adding appeal. Toys were a playful version of the reality of the times. The essence of the past lives on, captured forever in the miniature playthings of each era.

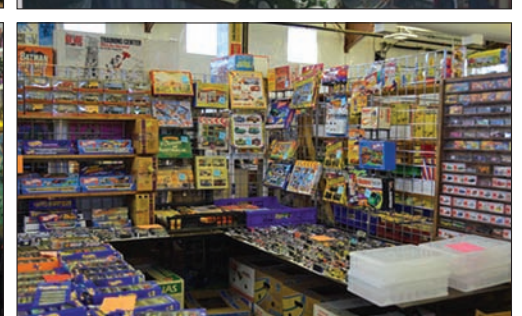

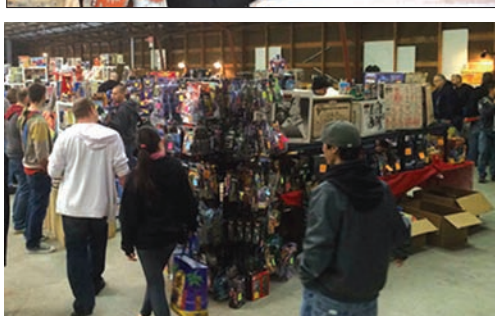

Collectors treasure their shelves and cabinets full of nostalgic memories. Such collections are usually the highlight of the room, attracting attention and fascination in the beauty and craftsmanship of each item. The toys become more valuable each year, more precious and harder to find. Toys and dolls are a marvelous investment, steadily increasing in desirability and in marketability. Autos, airplanes, rockets, action heroes, monsters, cartoon characters, dolls, games, whatever drew a child’s fancy, all a delight to behold and all carefully preserved by collectors.

The Chicago Toy show features over 600 exhibitors filling five

toy buildings and two doll houses: 51,538 sq. ft. of toys and dolls in buildings with ceilings two-stories high, and 20,157 sq. ft. of toys and dolls in one-story buildings. You need to see and experience the show to absorb its magnificent and vast array of treasures.

You are invited to the Chicago Toy Show on Sunday, April 22, from 8:00am to 3:00pm at the Kane County Fairgrounds, 525 South River Rd in St Charles IL. Contact us at www.chicagotoyshow.com for information on floor rights or tables. FREE parking, adult admission is \$10, and children are FREE.

WWI German Sauer Machine Gun Brings \$7,000 at Donley Auctions

Article & photos by Laura Hansen

Also drawing a lot of attention was a WWI German Sauer machine gun from 1918, selling for a high bid of \$7,000. A German Paratrooper helmet proved to be a good bargain selling for \$950. Auctioneer Greg Wilson did a great job selling these amazing pieces of history.

This was my very first auction working for Donley's. It was truly an amazing sale. Many people came from all over and the items they sell are all top quality collectibles. The team here at Donley's really work hard and take their time to make sure every item is described accurately. Honesty and integrity are highly valued in this company.

I've really enjoyed talking to buyers from Illinois and all over the world. The WWI Machine Gun from 1918 is a transaction I will never forget. It belonged to a man I've heard stories about as being a wonderful person and I have had many phone conversations with the new owner, who is just a lovely person to speak to. I'm happy to see such a piece transfer from one person that valued it to another that will take good care of it.

Donley Auctions is located at 8512 S. Union Rd. in Union, Illinois. We can be reached at 815-923-7000, by email: DonleyAuctions@outlook.com and be sure to visit our website: www.donleyauctions.com. "We don't just sell antiques, we build relationships."

Parker Brothers Side by Side 12g Shotgun, \$2,500.

WWI German Sauer Machine Gun from 1918. This item sold for \$7,000.

WWII German G43 Sniper Rifle, \$2,100.

Parker Brothers Single Barrel 12g Trap Shotgun, \$2,000.

English Short Barrel Blunderbuss, \$2,000.

German New Reich Chancellery Hanging Banner, \$5,000.

Brass Framed Ring Revolver (Non-Firearm), \$1,000.

MIA1 Paratrooper Carbine Type III 30 Caliber, \$1,800.

Colt Model 1911 45 Caliber WWI Semi-Auto Pistol, \$1,700.

Early Heavy German Cross, In Silver, By "Deshler", \$1,600.

WWII German Paratrooper Helmet w/Single Decal, \$1,400.

American Breweriana Association

The American Breweriana Association was incorporated in 1980 as a non-profit historical and educational association organized to advance the public knowledge of brewing and brewery history, to serve collectors and historians, and dedicated to the preservation of the memories and artifacts of America's brewing industry. The ABA reached a major goal earlier this year with the dedication of National Brewery Museum in Potosi, Wisconsin in conjunction with their national convention in nearby Dubuque, Iowa.

The ABA website - www.americanbreweriana.org - presents a magazine approach to the look of the site. The homepage gives a center "pitch" on "Why Join ABA?" along with blocks on their American Breweriana Journal, the new National Brewery Museum and upcoming events.

Drop downs from the masthead provide important links to contact information, how to join, ABA chapters, ABA officers and board, Code of Ethics and events.

The ABA site appears to be equally informative for both their 3,000 members and other site visitors... including some who may well decide to become members. And, areas on the site seem to indicate there is much more to come regarding new site features.

53rd North American Vintage Decoy & Sporting Collectibles Show Offers Antique Dealers and Pickers Non-Stop Buying Opportunities

Article & photos by Jeff Seregny
(Midwest Decoy Collectors Association)

The 53rd North American Vintage Decoy & Sporting Collectibles Show, sponsored by the Midwest Decoy Collectors Association (MDCA), will be held at the Pheasant Run Resort near St. Charles, Illinois April 24-28, 2018. Starting on Tuesday with Room-to-Room trading throughout the resort property and ending with a tabled show in the Mega Center exhibit hall on Friday and Saturday, this annual event is the largest gathering of antique sporting collectibles anywhere in North America.

The Show is an antique picker's paradise! By the morning of Tuesday, April 24, collectors from all over North America will have begun descending upon Pheasant Run Resort and rooms will already be overflowing with every imaginable kind of sporting collectible. There will be duck decoys by the thousands, fishing lures, spearing decoys, traps, rods, reels, duck calls, paintings and prints, outboard motors, canoe paddles, stacks of wooden ammo boxes and items so unique there may be only a few in existence. With over 30,000 items for sale throughout the week, this is a unique opportunity to acquire enough inventory to last a year. In addition to sporting collectibles, dealers will find all kinds of antiques including stoneware, marbles, old toys, oyster tins, Inuit ivory carvings and Indian artifacts. You name it and you are likely to find it here.

There is simply not another event that compares to the experience at St. Charles in April. A full five days of events that offer something for everyone with an interest in great American folk art. Here's the week at a glance:
 April 24 - 26: Room-to-Room Trading
 April 26 and April 27 at 11am: Guyette and Deeter Decoy Auction
 April 27-28, Table Event: Friday, 2-7pm & Saturday 9am-2pm; Pheasant Run Resort Mega Center
 -- Continuous Silent Auctions
 -- Free identification and appraisal service

The Midwest Decoy Collectors Association is a non-profit organization whose purpose is to collect and preserve the history of the decoy as original American folk art. As the largest gathering of its kind, the North American Vintage Decoy and Sporting Collectibles Show is the premier opportunity for the novice, antique dealer or experienced collector to network and learn more about the decoy as functional folk art or to add to their collections.
