Wow, what a storm, we got 33" of snow. Mekenzy reported from Bemidji, Minnesota no snow. Tia from Plymouth, Wisconsin, 6". Jack Kelly from St. Joseph, Michigan, dusting. In our area, everyone thought we were done, so they removed their snow plows. I know that there is snow predicted for Wednesday afternoon into Thursday. So, let's hope after that, there will be no more snow and only sunshine and 80 degrees.

So, snow storm Evelyn was "the snow apocalypse". Shawano received 33" & Appleton received 24". It snowed for 2-1/2 days straight. We were left with snow drifts, back aches & buried vehicles. Even four wheel drive vehicles had a challenge. We all had the same question? How did the pioneers do it? Some of us didn't make it to the grocery store before the storm, so the cupboards & fridge were a little bare.

60 Quality Dealers, Thousands of Fantastic Treasures at the DePere Antique Show

Article & Photos by Renee Wiskow

One of the best parts of covering these great shows is that I bring my Mom along with me. She's a fantastic helper and we have so much fun looking through all the booths at all the great antiques. Antique shows are great for girl's weekends or family time. Bring the kids and show them pieces of your childhood!

This show had so much to see, beautiful jewelry, furniture, advertising, toys, tools, milk bottles, shabby chic, dolls, stoneware, sporting, Military items, coins, retro, Folk art and primitives. I even came home with a few treasures of my own! There was a phonograph specialist, and as always, Mary Lou's Crystal Repair was on hand to fix those family heirlooms.

Audre & Ray Hanson of AR Promotions always do such a great job with their

shows. They find the best dealers, who are very friendly and knowledgeable, and will answer all your questions. Best to get to the show early, so you get a good spot in the very long line to get in. The line was so long, it stretched down the long hallway and around the corner! But even with all the people, the show never felt overly crowded. There was plenty of room in each booth to find what you were looking for and not bump in to anyone!

Admission to the show is just \$5 and parking is free. There's a nice food stand, so you can refuel and do more shopping! It's a fun, nostalgic way to spend a weekend. I'm already looking forward to next year's show. Be sure to watch Auction Action Antique News for all of AR Promotions shows, I promise, you won't be disappointed.

For more information, you can contact AR Promotions at 715-355-5144 and visit www.antiqueshowsinwis.com.

He went on to say, "There's such a great variety of pieces here, gathered from superb collections on the West Coast, the East Coast and states in between, we should have something for every collector and something in every price range. It should be a super fun auction!"

With hundreds of toys, collectors of pressed steel, cast iron, tin wind-ups, trains, Disney items, automatons and character toys, indeed, there should be something for everyone. Perhaps the most unusual toy in the auction is the 10 foot tall Robot. This multi-action piece came from an amusement park, "The World of Sid & Marty Krofft" in the Omni Hotel in Atlanta. Built in 1976, the theme park only lasted one season. The Robot was the creature that started a "Pinball" themed ride.

The life of the park was short lived and the Robot has been in hiding for 40 years, since the park was disassembled. Costing tens of thousands of dollars when built, the Robot comes with it's massive electronic actuator. Working when disassembled, this piece would be a keystone piece for any electronics wizard's Robot collection.

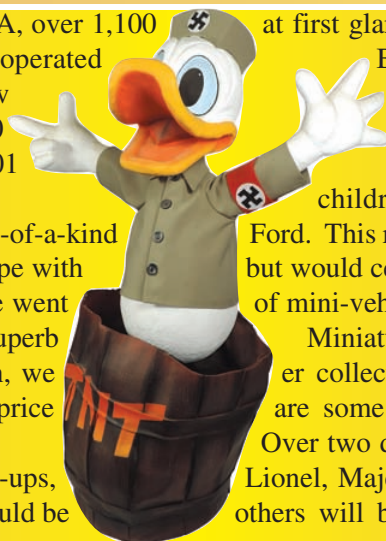

Equally unique is a Donald Duck automaton. In years past, Ward Kimball (1914-2002), a legendary Walt Disney animator, discovered a Donald Duck automaton at a flea market in Pasadena, CA. He immediately recognized Donald, then dressed in a Santa suit,

Coca-Cola machine, American Vendor Model 120, Rare, c.1930's, from the Schmidt Museum Collection, in orig VG+ cond w/some small dents, scuff & scratches, has tag from bottler in San Diego, CA, appears complete but untested, 48"H x 33"Dia.

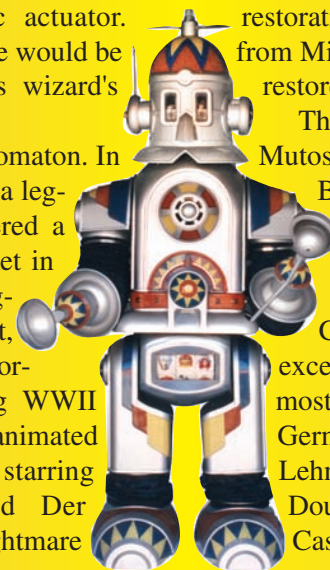

Ward Kimball knew this piece was an automaton for that film. Kimball later said it was the only one made. A Disney employee restored the piece to the condition and form as when it stood in the theater lobby in 1943. This piece, lot #774, is one of a number of Disney pieces in this auction that have a direct link to the late Ward Kimball. Other automatons show Mickey Mouse, Popeye and Jiminy Cricket. Additional Disney pieces include figures from Ward Kimble and memorabilia from his career at Disney.

Disney pieces have a universal appeal to the child in all of us, but so do many of the other toys offered. Every young boy dreamed of waking up to a train set under the Christmas tree. Many of the trains offered likely began their life as gifts from Santa Claus. If a train was on your list to Santa, here's your chance to choose from names like Lionel, Ives, Cor-Cor, Marx, Unique Lines, American Flyer, Buddy L and others. If your interest focuses on toy boats and miniature outboards, there are over 40 to drive your boat, including many rare Mercury models.

Crossing the blurred line between toys and larger pieces based on toy themes, how about a life-sized Betty Boop. One of just five custom made, she's true to scale. There are many smaller sizes too! Or a Bally coin-operated Toonerville Trolley. Or,

Walt Disney Studio automaton lobby figure, Nazi Donald Duck from "Der Fuehrer's Face", 1943 American animated anti-Nazi propaganda short film which won an Academy Award for Best Animated Short Film for Disney, VG cond, 36"H x 35"W.

Robot, electro mechanical multi function robot built in the 1970's for "The World of Sid & Marty Krofft" in the Omni Hotel in Atlanta. Comes with large electronic actuator, hasn't been reconnected and tested. Worked when removed from the Omni. Appears to be complete, Exc cond. 120"H x 39"W

at first glance, the Custer Car looks like a toy. But it's actually a motorized car built by Levitt Custer, in Dayton, OH in the 1930s. These cars were actually driven in Detroit by Edsel Ford's children, William Clay and Josephine Ford. This rare example is in need of restoration but would certainly add to any collector's garage of mini-vehicles.

Miniatures are always something that gather collector interest. And salesman samples are some of the most interesting miniatures. Over two dozen salesman sample stoves: Karr, Lionel, Majestic, Bucks, Quick Meal and many others will be offered along with several other types of salesman samples and patent models.

Other "toys" that have strong interest today are coin-operated machines. Like windup toys, you activate them and they entertain you. Just drop in a coin! From slot machines, jukeboxes, vending machines and scales, to arcade machines, there are plenty of options to be entertained, just one penny or a nickel at a time. There are a dozen early jukeboxes for restoration, Wurlitzer, Seeburg, Evans, Mills and others. Scales include examples from Mills, National, Jennings and Watling. There are both Coca-Cola and Pepsi restored soda machines.

The most interesting coin-operated piece is a c.1905 Arcade Caille Auto-Mutoscope Drop Card Stereo Viewer. With a set of cards featuring "Boxing Beauties", for just a penny, you can admire scantily clad ladies in boxing poses. Advance 70 years, to the 1980's, a game from Venture Line Inc., 25 cents would let you shoot at targets from a "Looping" attack fighter.

As always, a Rich Penn Auction includes an outstanding variety of Country Store pieces and high quality advertising. This auction is no exception. Display cases come in a variety of sizes & shapes. Perhaps the most striking example is a double tower steeple show case, c.1880s, with German Silver frame. This 8' display case is believed to be from Claes & Lehnbeuter of St. Louis. Spool cabinets come in a nice variety: Corticelli, Double Merrick's cylinders, J. & P. Coats' six drawer and others. Collar Cases, Ribbon Cabinets, Candy & Gum displays, even Coffee Grinders, Barber Chairs and Peanut Roasters, including the RARE Planters Peanut roaster...all will be offered!

Every Country Store had walls covered with advertising signs. Many of the finest examples of those signs will also be available. Signs include the classic Grape Nuts, "To School Well Fed," Ebbert Wagons "In the Shade of the Old Apple Tree," an early John Deere buggy "Deere Vehicles Are All Right" paper litho in original signed frame, c.1890 and signs for Sharples Cream Separators, Horseshoe Plug Tobacco and others.

Penn added, "Again we're at The Five Sullivan Brothers Convention Center, just 100 yards from our office. It's a great facility and is connected to a hotel and parking ramp. Both are connected by an enclosed skywalk. Plus, it's within walking distance to some great restaurants.

The hotel gave our guests a special \$79 room rate. We're really looking forward to a fun auction!" The site is conveniently located in downtown Waterloo, just one block off the freeway.

For those who can't make it, Penn offers multiple bidding options, including absentee, telephone and live bidding online through LiveAuctioneers. Find the links to the online catalog on Penn's web site. Full color catalogs will be available for \$40. Prices realized will be posted online. Just contact Rich Penn Auctions at 319-291-6688 to order yours. Go to www.RichPennAuctions.com to register or to preview the auction. Absentee and phone bidding are always welcome.

Country store advertising sign, Sharples Separator Co., self-framed diecut litho on tin w/beautiful milkmaid, c.1910, strong colors, Exc orig cond w/a few minor scratches, 39"H x 28"W.

Tokheim Texaco Fire-Chief Gas Pump Brings \$1,850 at W. Yoder Auction in Wautoma, Wisconsin

Article & Photos by W. Yoder Auction

Up for bids at the sale was lots of gas & oil signs and cans, including Route 66, Quaker State, Mobil, Texaco, Ford & many others. Texaco and Skelly gas pumps were popular, as well as the many bicycles which included Schwinn, Columbia, Monark, JC Higgins, Sears Roebuck and Roadmaster.

Among the antiques & collectibles was a Captain Kangaroo Schwinn advertisement, a rare Arts & Crafts candlestick with original insert by Jessie M. W Yoder Auction was founded by Wayne Yoder Jr. in 1999, and has been a member of the National Auctioneers Association since 2002. When asked why he became an auctioneer, he will tell you it is because he enjoys the many different types of people he meets across the country that come to the auctions and the action each auction provides. In 2008, Wayne became the Wisconsin Auctioneer State Champion when

he participated in the competition held every year at the Wisconsin State Fair located in Milwaukee, WI. "It was a wonderful experience that I will never forget." He had participated in the competition 3 times prior to winning and each year learned from his mistakes and bettered himself. His hard work shows through in every auction that he has.

Since opening, W Yoder Auctions has been dedicated to staying on top of the most technologically advanced system to provide their customers with a smooth auction experience. We want everyone who comes to our auctions to have the most positive experience possible, and that is why we believe in having fun at our auctions. The American Society of Military Insignia Collectors

The American Society of Military Insignia Collectors, commonly known as ASMIC, is one of the oldest and largest organizations of military insignia collectors in the world. Founded in 1937 by a small group of enthusiastic collectors, it is chartered under Ohio law and recognized as non-profit 501 (c) (3) organization. The Society is "home" today to 2,000 dedicated collectors in the United States and foreign nations. Whether an individual is an experienced or beginning collector shoulder sleeve and distinctive unit insignia (patches and DIs), rank insignia, wings, decorations and awards (medals), elite forces emblems, cap badges, specialty markings, or of simply information on heraldry and the symbolism of heraldic devices, membership in ASMIC has many advantages.

ASMIC publishes a quarterly journal entitled The Trading Post and a Newsletter. The Trading Post contains a wealth of information on all aspects of U. S. and foreign military insignia. It includes articles from members, illustrations of old and new emblems as well as an occasional color section depicting American or foreign insignia. Unidentified Insignia are covered in a separate column in The Trading Post

The Newsletter brings word of insignia and dress items for trade or sale via classified and display ads. Society members rely on the Newsletter to advertise for insignia they wish to include in their collections and for announcements of regional and national insignia and militaria shows.

The ASMIC Reference Library contains almost 1000 items available for loan to members. These publications range from back issues of The Trading Post to major reference works published by our members and other militaria experts. The Library also includes many journals from other militaria societies for use by our members

Over the years, ASMIC has produced more than 20,000 black and white line drawings of military insignia, along with detailed descriptions of the insignia and known variations. Most of these drawings are available in our Distinctive Insignia or Cloth Patch catalogs, available to the general public and, at a discounted price, to ASMIC members.

To join ASMIC, visit their website: www.asmic.org

The National Museum of Cambridge Glass

On April 3, 2002, the National Cambridge Collectors, Inc. proudly opened a premier glass museum in downtown Cambridge, Ohio. It houses a superb collection of Cambridge glassware produced by The Cambridge Glass Company from 1902 to 1958.

The museum is located at 136 South Ninth Street, one block south of the main street of Cambridge, and is open April through October with hours of operation shown at the bottom of this page.

At right, you can view an interview conducted with Cindy Arent, one of our NCC Board Members who is the chairperson of the Museum Committee. Click on the arrow to start it. Here is a chance to hear first-hand about our world-class museum. If you'd like to see it a little larger, click on the picture while it is showing and you will be taken to the YouTube page where it is presented in a larger size.

The year 2002 marked the 100th anniversary of the making of the first piece of Cambridge Glass (the Big X pitcher, shown below and to the right). The Museum Grand Opening celebration took during NCC Convention week on June 27, 2002. We're easy to find - here's a map of the Cambridge area.

Museum Contents

Big X Pitcher The museum features over 6,000 pieces of glassware made by the Cambridge Glass Company, with an interpretive area demonstrating how glass was made from gathering, shaping, etching, and engraving.

The Sample Room features the door and shelving from the original factory, and a dining room display features a table setting arranged on period furniture much as it would have appeared in the early 1900s.

Guests can do their own rubbings from original etching plates in the Education Center, and view a movie made in the 1940s by the Cambridge Glass Company.

Pieces of Cambridge Glass and jewelry made from Cambridge Glass are available for sale in the gift shop, along with books and other items throughout the museum.

Ackerman's July 4th Stars & Stripes Antique Market In Its 4th Year And Just Around The Corner In Iowa City, Iowa

Article by Bill & Karen Ackerman

The 4th Annual **ACKERMAN'S JULY 4TH STARS & STRIPES ANTIQUE MARKET** will be up and running again this coming July 4th at the Johnson County Fairgrounds at Iowa City, Iowa. The fairgrounds is located just off the Avenue of the Saints at exit 89 at the southwest edge of Iowa City, Iowa, then north just _ mile.

Hours of the event are from 7 a.m. to 4 p.m. on **WEDNESDAY JULY 4TH** Admission is just \$3/person. There is lots of close by parking in two adjacent parking lots.

ACKERMAN'S JULY 4TH STARS & STRIPES ANTIQUE MARKET originated in 2015 as a replacement show for the long running (34 years) Hanson's Grove Antique Show at Solon, Iowa. Upon closing in 2014 a new venue was needed to accommodate the many dealers who had done Hanson's Grove for so many years and the Johnson County Fairgrounds was selected as the location and Ackerman's undertook the new project to get the July 4th show up and going. Since its inception the market has taken off very well and large crowds attend each year to buy from the many dealers who arrive from a wide area.

Now in its 4th year, **ACKERMAN'S JULY 4TH STARS & ANTIQUE MARKET STRIPES ANTIQUE MARKET** has filled the need in this area and both dealers and antique buyers set up and attend from a wide area.

ACKERMAN'S JULY 4TH STARS & STRIPES ANTIQUE MARKET is held in three buildings at the Johnson County Fairgrounds as well as many outdoor booths that surround the buildings.

Denkman's Lunch will be providing some great food and drink to feed and water the many customers who will be attending this great annual area event.

Dealer space is currently available and we welcome you to give us a call to get information about the market or to reserve a space. We can best be contacted by calling Ackerman's 319-430-3737 319-338-8449
