Out & About

We hope that everyone had a safe and wonderful 4th of July weekend. There were a lot of events to choose from to attend for your holiday weekend. Whether you took in an auction or strolled through a show. Maybe even enjoyed some air conditioned comfort at an antique shop. Just remember to always pack yourself a hat, sunblock, chair, sunglasses and an umbrella. With the temperatures this weekend, you almost needed a personal portable air conditioner.

Mekenzy came home for a week, for the holiday. It has been nice spending time with her. She is not working this time home, so we get to see more of her. She is loving being a camp counselor. I had lunch with Tia and we talked for three hours about school and life. She is so busy, she can't make it home but for a few hours. Brandon is busy with friends and work. He manages to cut the grass and do some chores at home. He is excited to start his senior year and thinking of his choices for the future.

Fantastic Chicago Toy & Doll Show at the Kane County Fairgrounds in St. Charles, Illinois

Article & Photos by Michelle Goltz

The doll area has antiques, vintage collectibles that are a variety of porcelain, play, jointed, fantasy, wooden and unique! You will find accessories, doll makers and repair opportunities you don't want to miss. Here is a little story on how one of the exhibitors started her doll making journey. She was always fascinated by faces. As a child she would scrape paint off her dolls faces and repaint them. Her doll making evolved in 1994 as she painted faces on wooden spoons. She started using a manicure tool kit and clay that her college-age daughter was using to make beads. The faces would go on handmade fabric dolls. Her inspiration came from the older women she has met, which began her "Elder Circle" artistic calm whimsy style. She doesn't see old age as a time of loss or failure. It is a great time for us to shine & cre-

ate! She lets her dolls evolve as she creates them, decorating them with the fabric and objects that seem to fit their character. People continue to tell her that her dolls remind them of someone and they always walk away with a doll and a smile! Her goal is to see women age with enthusiasm! I was so impressed with Janet Stephan's work that I will be ordering one for myself, I can see these dolls being a big hit for generations to come!

As for the Toy part of the show there were more toys here than I have ever seen. It would make any toy store look small, it was wall to wall child/adult heaven! Mark your calendar for the next show - Free Parking, Adults \$10 and Under 12 Free, 8am to 3pm on October 28th, 2018. For more information or vendor information email: herb@chicagotoyshow.com

FRIDAYS NIGHTS@HEARTHSTONE

A new way of touring Hearthstone has been introduced which allows guests to experience Hearthstone in a whole new way. Those visiting Hearthstone Historic House Museum on the second Friday of each month through September can join for an evening tour by the light of Edison bulbs in our original electroliers and experience the Rogers family and their servants preparing for a big dinner party. Docents in period dress serve as re-enactors as guests move from room to room to hear the Rogers family tell their thoughts on the night's festivities. Trained volunteers acting as cooks, maids, and other servants tell their stories as well - as Hearthstone was home to more than one family in more than one way. Evening tours recreate a fascinating environment and the feel of the first nights to be electrically lit in the house - some of the first

nights to be lit by electricity anywhere in the world. The evening tours also feature piano performances of 19th century music performed on one of the very few playable square grand pianos still in existence in the United States. Visitors step into a time when the piano was the focus of a home's entertainment, when gathering around while a family member played was the focus of family life. This music adds to the magic of the evening, with light refreshments

served. Hearthstone asks that guests please arrive a few minutes early to purchase tickets, or tickets may be purchased in advance by visiting the Hearthstone website. As a special note, because of the historic nature of Hearthstone, stairs are the only means of access to the second floor. The first floor and lower level are wheel chair accessible via an electric lift.

Dates: July 13, August 10, and September 14

Time: 7 PM-9 PM

Limited to 20 guests per evening

Cost: \$12 Adults/\$8/Children

To purchase tickets, visit www.hearthstonemuseum.org or phone 920-730-8204.

KID'S DAY WITH FISHERMAN FRANK

Hearthstone Historic House Museum

On July 14, 2018 Hearthstone Historic House Museum will have a fun day of fishing activities, games, and stories for kids of all ages. The activities begin at 1:00 p.m. with a tour of Hearthstone highlighting the fishing exhibit. 'Fisherman Frank' Koffend will highlight displays and fishing stories with the future anglers. After the tour, there will be snacks, a fish racing game with prizes and a special drawing for a \$50.00 gift certificate from Scheel's Sporting Goods. There is no limit on the fun, so catch the spirit of an entertaining afternoon at Hearthstone Historic House Museum. Adults should accompany children.

Background

Hearthstone has one of the best fishing stories yet! It all began in the spring of 1882 with a fishing trip and ended up with electric lights for the city of Appleton.

The fishing story as H.J. Rogers tells it in 1882 is as follows, "An old fishing friend of mine from Fond du Lac, H. E. Jacobs turned up in Appleton on the opening day of the black bass season." He relates they were like a couple of youngsters playing hooky and took the day off to fish on Lake Winnebago. "It was while we were sitting in the boat that Jacobs began to tell me about his new job. Enthusiastic about it he was and his story about how Edison was building an electric lighting plant in lower New York soon became more interesting than the idea of catching bass." Jacobs had recently secured a position with the Western Edison Light Company of Chicago.

If the idea that a steam plant could make electricity to burn Edison's light, why couldn't water power? Well, the rest is history, because on September 30, 1882, the lights came on in Appleton and Hearthstone became the first house in the world to be lit with hydroelectricity using the Edison system.

National Autumn Leaf Collectors Club

We love and collect the famous Autumn Leaf pattern, one of the most-popular vintage china patterns in America. The many and varied dinnerware pieces, produced by the Hall China Company, were sold door-to-door by Jewel Tea Company salesmen for many years. Numerous accessory pieces, including metal, paper, plastic, cloth and glass items were also offered.

These beautiful dishes were often the centerpiece of family dinners and bring back many wonderful memories of our mothers, grandmothers, aunts or neighbors. Special memories of helping Grandma make pudding in the custard cups, setting the table with Mom's "good dishes," or smelling the wonderful aroma of fresh coffee and tea that was delivered directly to our homes continue to remind us of many happy times with our loved ones.

The NALCC offers a full-color newsletter six times per year, special commemorative Autumn Leaf items, many options for adding to your own collection, an Autumn Leaf Price Guide, a popular National Convention with an Autumn Leaf/Jewel Tea Show & Sale, Autumn Leaf Auction and much fun and fellowship with collectors from across the United States. If you haven't already joined us, do it today!

We encourage you to become a member of the National Autumn Leaf Collectors Club®. Additionally, you may know someone who collects Autumn Leaf chinaware and wish to gift an NALCC membership for that person. Our annual membership fee is \$30.00. We welcome and introduce our new members through our newsletter. Visit: <http://www.nalcc.org>

Antique Lamp & Lighting Clubs Plan 46th Annual Gathering

The 46th convention of antique lamp and lighting clubs will meet in East Peoria, Illinois July 11-15, 2018 at the Embassy Suites Hotel & Convention Center. The Gathering is sponsored by The National Association of Aladdin Lamp Collectors (www.aladdincollectors.org). Other participating antique lighting clubs include The Rushlight and The Night Light Clubs. Representatives from the International Coleman Collectors, Historical Lighting Society of Canada and The Historic Lighting Club UK are invited to attend.

Collectors come to meet friends with common interests, buy and sell their duplicate lamps, find needed parts, learn how to restore a lamp and support their club.

Everyone interested in collectible and antique lamps is welcome to come learn about lighting of the past, how to light and use old lamps, meet club members, make new friends and perhaps develop new hobby.

Many collectors arrive early for room shopping. Registration opens Wednesday. The first activity is an Aladdin lamp auction—preview Wednesday evening and auction Thursday. This is followed by the 29th International Lamp Show & Sale on Friday and Saturday.

World-class dealers will offer an eclectic variety of antique lighting and accessories. Lamps of all kinds include pattern oil lamps, Gone-With-The-Wind, art glass lamps, opalescent lamps, miniature lamps, student lamps, finger lamps, Victorian fixtures, floor lamps, center-draft lamps, as well as early electric lamps and Aladdin's Deco style figurines! Each club has a booth in the Lamp Show. Other activities include an opening reception dinner, display room to see rare and unusual lighting, educational seminars and a raffle to win the beautiful ladies quilt. The closing banquet is Saturday.

Registration is required to attend all activities and events. However, the public and non-members are invited to the Aladdin auction and to attend the Lamp Show & Sale, there is \$5 door admission.

The schedule of events is posted on the website: www.aladdincollectors.org. Also visit The Rushlight Club: <http://www.rushlight.org>, oldest lighting club in America; and The Night Light Club <http://www.nightlightclub.org>, collectors of miniature lamps.

Eagle River Antique Show & Sale

Article by Joan Walter (Eagle River Rotary Club)

Come join us for the 58th annual Eagle River Antique Show and Sale! It will be held at the Eagle River Derby Track Exposition Hall, located on Hwy 45 north of Eagle River Friday, August 3rd, 9:00 AM to 5:00 PM and Saturday, August 4th, from 9:00 AM to 4:00 PM.

This antique show is sponsored by the Rotary Club of Eagle River. This show is the longest running antique show in the Northwood's and the ONLY antique show up North entirely benefiting a service club's community projects. All the proceeds from this show, including all the fees collected at the door, are used by the Rotary Club for their special community projects. The Club yearly sponsors two \$1000 scholarships for local graduating seniors, sends 2 girls annually to Badger Girls State, supports the local Cranberry Fest, Klondike Days and sponsors a "Warm the Children" winter project. The Rotary also holds a wine tasting event as another fund raiser in addition to the Antique Show and Sale.

Exhibitors for the show are professional antiques dealers from the Northern Wisconsin Antique Dealers Association along with select guest dealers. The Rotary Club and NWADA work very hard every year to provide a unique and quality antiques show that has become a successful, anticipated summer event. Top quality antique dealers from Wisconsin will be bringing their best antiques.....including many items they have saved special just for this show.

An excellent selection of antique furniture in a wide variety of woods and styles will be available. You can also expect to find fine antique and vintage costume jewelry; sterling silver flatware and hollowware; brass and copper; ironstone; art pottery; elegant, depression & kitchen glassware; kitchen collectibles; decorative lodge-look items; sports items; decoys; art; children's toys & collectibles; vintage textiles; art glass; Military collectibles; and small primitives and country pieces at this show. There is something for everyone in every price range!

Also we are happy to announce that Mary Lou's Crystal Repair will again be joining us this year! You can bring your damaged crystal, china, porcelain or pottery with you to the show and have it repaired while you shop.

Mark your calendar now! Come out and help us celebrate our 58th year.....the Rotary Club is a wonderful community organization and is deserving of our support and appreciation! A lot of good things happen in Eagle River every year thanks to this fine organization, but none of this can happen without your public support.

The show also has free parking. For questions or additional information call (920)533-8731.
