Brandon tries to work more to save money, at the same time spend time with all of his friends. Todd and I just try to enjoy all the moments they're home and try to eat as many meals together as possible.

Beautiful Displays Throughout the Pure and Simple Antique Show and Sale in Indiana

Article & Photos by Michelle Goltz

This show has such a great variety of vendors, each booth had me so intrigued it was hard for me to continue moving on to the next booth, there was so much to see and learn! Although there was a detour by Chicago, it was still a great drive from Milwaukee to Kokomo, even though I forgot about the time difference of an hour. I always feel that the drive is part of the antique/vintage experience, treasures are best found when traveling and exploring!

The show has a great venue and display work is a definite plus when trying to see how something might look once you take a piece home to display! The vendors real-

ly put a lot of time and effort into presenting their items, as well as sharing the stories regarding the history of the pieces they bring to the sale. I am amazed that after a year of traveling for the paper that I very rarely see the same things more than once. I find myself lost in time as I continue to learn about how certain pieces were used in the past. And I am thankful to those who have the love and passion in preserving and sharing history to those who are also passionate and as intrigued as I am.

For more information, call Mike & Marti Korba at 765-437-6849 and visit the website: www.theoldshed.com/pure-simple. Make sure you watch for next year's show and mark it as a must go event, it will not disappoint.

Antique Motorcycle Club of America

The Antique Motorcycle Club of America was founded in 1954 by a group of antique-bike fans in the New England area (pictured from left are T.A. Hodgdon, Emmett Moore, Henry Wing Sr., and Henry Wing Jr.). AMCA Founders In the decades since, the AMCA has grown to become one of the largest organizations of antique-motorcycle enthusiasts in the world, with 11,000 members in the United States and more than a dozen other countries.

Owner with three-wheeled motorcycle From the beginning, the purpose of the club has been the "preservation, restoration and operation of old-time motorcycles." Members of the AMCA own, restore, preserve, study or just admire motorcycles that fall into the antique category, meaning they are at least 35 years old. Although the Club is based in the United States, fans of motorcycles from all countries are welcome, and ownership of an antique motorcycle is not required to become a member.

Through its network of 59 affiliated Chapters in the U.S. and abroad, the AMCA provides a way for antique-bike fans to share their interest with others in their local area. Chapters typically host regular meetings, plus activities like bike shows, swap meets and antique-bike road runs.

At the national and international level, the AMCA maintains a calendar of National Meets and Road Runs that include some of the premier antique-motorcycle gatherings in the world. National Meets typically include a large vendor area, where members can sell everything from antique-bike parts to entire motorcycles that are at least 35 years old. In addition, National Meets offer a full schedule of other activities, ranging from seminars and bike shows to motorcycle field games and antique-bike racing.

Judging All National Meets also feature the AMCA's National Judging Program, in which members' motorcycles can win awards in three categories: Restored, Original Condition or Period Modified. Instead of competing against each other, bikes entered in the AMCA Judging Program are evaluated on a 100-point scale against the standard of the same motorcycle as it would have appeared when it originally left the factory.

National Road Runs provide an opportunity to use these classic machines for their intended purpose—riding on back roads in some of the most scenic parts of the country.

In addition to those events, AMCA members also get access to a number of benefits, including a high-quality magazine six times per year, online forums where they can seek advice from experts, and the AMCA Virtual Motorcycle Library, featuring downloadable copies of hundreds of old and rare sales brochures, parts lists and repair manuals. Plus, AMCA members receive discounts on admission to some of the country's premier motorcycle museums.

Mostly, though, people join the AMCA to meet up with others who share their interest in machines from the classic era of motorcycling. For some, that means the satisfaction that comes from investing thousands of hours in bringing a rusted hulk back to its original perfection. To others, it means preserving artifacts of the past so that they can be appreciated by future generations, or the simple pleasure of enjoying a two-lane road at an unhurried pace—just like motorcyclists generations ago.

Does that sound like you? Why not join with thousands of other like-minded antique-bike fans by becoming a member of the AMCA? Visit www.antiquemotorcycle.org

Gone Wild for Manatee Gift Adoptions!

Adopting real Florida manatees for family and friends this Holiday season is nature-inspired, thoughtful gift-giving that helps Save the Manatee Club increase conservation and education efforts for the endangered marine mammals and their aquatic habitat. It also helps holiday shoppers stretch those often limited budgets.

Last year, Lisa Cartossa from Holt, Missouri, decided that since her two young nieces, Lily and Rose from North Carolina, were fortunate enough to have most everything they needed, she would adopt manatees as Christmas presents for them. Lisa chose adoptees "Paddy Doyle" and "Flash," who regularly winter at Blue Spring State Park, from Save the Manatee Club's Adopt-A-Manatee program. All of the manatees available for adoption can be viewed on the Club's website at <http://www.savethemanatee.org/adoptees.htm>. Two new manatees recently added to the list of adoptees are from Alabama, "Zewie" and "Bama."

An annual manatee adoption costs \$25, which is just a little over \$2 a month, and includes a color photo of a real manatee, an adoption certificate, biography, membership handbook, and subscriptions to the Club's newsletters which feature updated reports on the manatees in the adoption program. Shipping is free within the United States. Gift adoptions are sent with a personalized holiday message. Or for a \$35 tax-deductible donation, each new member will also receive Save the Manatee Club's 2012 wall calendar, featuring spectacular manatee photos to enjoy all year and well past.

"When my nieces received their adoption packets for Christmas, I was told you could not have heard two children screaming with excitement louder than they were," said Lisa. "Immediately, the manatees' pictures went on their walls. They knew about

manatees, but Save the Manatee Club's adoption program created this passion and enthusiasm in them that's very wonderful for me as an adult to be part of. I can't tell you how thrilled my nieces are to get the newsletter addressed personally to them. They read every word front to back. Who knows, the Club may have just created the next generation of marine life specialists dedicated to the conservation of these wonderful creatures."

Save the Manatee Club, a national nonprofit organization, was co-founded thirty years ago by singer/songwriter Jimmy Buffett. Funds from the Holiday gift adoptions help with manatee rescue, rehabilitation, and release efforts; research; education and public awareness projects; conservation work to protect manatees and their habitat; and for programs in the United States, Central and South America, the Wider Caribbean, and West Africa. Manatees are listed as endangered at the state, federal, and international levels.

Patrick Rose, aquatic biologist and Executive Director of the Club, points out that manatees face tremendous challenges to their survival from human activities. "In Florida alone, since record-keeping began in 1974, more than 38% of manatee deaths where cause of death is known were human-related. So it is imperative that we continue to educate the public about the presence of manatees in our waters. Adopting a manatee is a great way to learn more about this beloved species and how to help make a difference in their lives."

Find out more information about manatees and Holiday gift adoptions by contacting Save the Manatee Club at 500 N. Maitland Ave., Maitland, FL 32751, or calling 1-800-432-JOIN (5646), or visiting their web site at www.savethemanatee.org, where you can also sign up for the Club's free E-Newsletter. Also, discover a variety of manatee items in the Club's gift catalog at <http://www.savethemanatee.org/shop/>.

Wisconsin Pottery Association Holds 23rd Annual Pottery Show & Sale

Article by Jim Riordan (Wisconsin Pottery Association)

The Wisconsin Pottery Association (WPA) will hold its 23rd annual Art Pottery Show and Sale on Saturday August 25th, 2018, from 9:00 a.m. to 3:30 p.m. This interesting and exciting event will be held at the Exhibition Hall, Alliant Energy Center, Madison, Wisconsin. Admission is \$5, and parking is free.

All types of antique and collectible pottery, contemporary ceramics, dinnerware, stoneware, tile, figurines, and other types of vintage items and art will be on sale. Fifty of the best Pottery dealers from across the Midwest will participate, as well as noted studio potters. Pottery examples for sale will be Roseville, Van Briggles, Fulper, Rookwood, Weller, McCoy and Red Wing along with many more. The dealers gather some of the best American and European pottery along with other vintage items to bring to this annual sale, and the contemporary potters bring many items right out of the kiln!

Along with all of the pottery for purchase, pottery experts from the WPA and additional volunteers from the Iowa Art Pottery Association (IAPA) and the Minnesota Art Pottery Association (MAPA) will be available to help identify pottery pieces brought in by show attendees. (Maximum of two pottery pieces please). There is no charge for the identification.

Gazo Foudji was a Japanese-born artist who worked at the Weller Pottery before moving to Roseville (ca. 1905-1906) and creating the Fudji (pictured) and Fujiyama lines.

Roseville Crystalis, 1906, is highly sought after by collectors for its crystalline glazes and creative forms.

Roseville's Rosecraft Hexagon, 1925, was a simply shaped Art Deco line made in either brown or green, and more rarely, a glossy blue.

A green globe, modernistic shape.

Roseville Futura, 1928. Futura is an Art Deco line that was made in 78 different shapes and is one of the most popular lines among today's collectors.

Roseville Azurean vase, ca. 1902. This is blue version of Roseville's Rozane line, with hand painted decoration.

Roseville Egypto, 1905, in the form of an ancient Roman oil lamp.

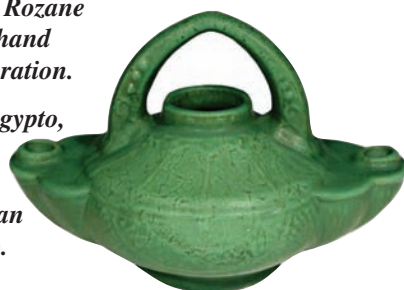

Roseville Creamware "Good Night" candle holder. Roseville began making decaled Creamware utility ware by 1910 and continued making it at least through the 1920's if not longer.

Roseville Early Utility pitchers. Introduced around 1900 and popular for decades thereafter, Roseville made dozens of different pitchers. Some Roseville collectors specialize in pitchers alone!

The Coffeepot from the Mock Orange line, first produced in 1950, typical of Roseville's late production style.

Roseville Carnelian II, 1926. This line followed a line called Carnelian I and was produced in shades of red or green or a mix of red and green.

Roseville Early Utility pitchers. Introduced around 1900 and popular for decades

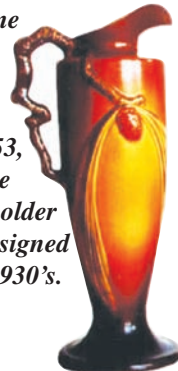

Roseville Crocus planter, ca. 1904.

Gazo Foudji was a Japanese-born artist who worked at the Weller Pottery before moving to Roseville (ca. 1905-1906) and creating the Fudji (pictured) and Fujiyama lines.

A sleek blue Pine Cone "400 series" pitcher from 1953, and the smaller, older model designed in the 1930's.

Roseville Early Velmoss vase, ca. 1916. This line was unidentified as Roseville until collectors found a marked example and identified the shape numbers in a 1916 price guide in the 1990's.

Windsor, introduced by Roseville in 1931. This fern-decorated pattern was made in blue and rusty brown.

Roseville "Vase Assortment" pieces were Roseville's earliest art pottery, beginning around 1896. The vases were sold in bulk to the A&P Grocery chain, where they were given away as premiums to customers.

Roseville Carnelian II, 1926. This line followed a line called Carnelian I and was produced in shades of red or green or a mix of red and green.

The Wisteria line, first produced in 1933, is highly valued among collectors today.

Ceramic Arts Studio Collectors will hold their 23rd annual convention that weekend and information can be found at their web site www.cascollectors.com. They will also have an information booth set up at the Pottery Show. Many dealers at the show will have Ceramic Arts Studio pieces for sale!

The Wisconsin Pottery Association meets the 2nd Tuesday of every month, 9 times per year - February through December at the Goodman Center in Madison Wisconsin. The group gets together at 6 p.m. with a discussion about recent finds and mystery pieces. A presentation about pottery or a related collecting field starts about 6:45 p.m. Please see the WPA web site at www.wisconsinpottery.org for more information on meetings, presentations, and membership.

We hope to see Pottery Lovers and Antique Collectors at the WPA Pottery Show/Sale on Saturday August 25th, 2018! We are proud to present our show and sale for the 23rd consecutive year. Our first show occurred in August of 1995 at the Holiday Inn east in Madison Wisconsin. Betty Harrington, the designer of Ceramic Arts Studio Madison was the featured speaker. The WPA art pottery show and sale is a great opportunity to find just the piece you were looking for or to learn more about the many pottery or vintage items offered for sale!

Roseville Rosecraft, 1921, also known as Florane when it appears in this tan color. The form of this vase foreshadows the art deco telescoping and saucer-like shapes that were perfected in the Futura line seven years later.

Introducing The 20-30-40 Glass Society

Article & Photos by Jane Schleinzer (20-30-40 Glass Society of Illinois)

The Society is a non profit [501(c)(7)] social organization located in the Chicago suburb of LaGrange, Illinois. The Society's purpose is to gain more knowledge of American made glassware of the 1920's, 1930's and 1940's and to further its preservation. We gain our knowledge through the study of American glassware manufacturers and the glass making process. Our members all share a common bond; a love of the beauty of glass and to indulge in the pleasure of collecting. Hobnail display

Chairpersons

Here is a listing of the 2017 Board and Committee Members. As this list changes from year to year, we present it in PDF® format. You will need the Adobe Reader to view the document.

Meetings

Club Meetings are held six (6) times per year, usually at the American Legion Hall in LaGrange, IL. On occasion, meetings may be held in alternate locations. A typical meeting consists of a lunch followed by a short presentation by one of our members on a topic related to glass collecting, a specific pattern or company, or a glassmaking process.

Newsletter

The Society publishes a bi-monthly newsletter, the Society Page, to keep members up to date on events related to the Society. The newsletter also contains articles related to American-made glassware and pottery. Each issue is liberally sprinkled with photographs. Upcoming events are highlighted as well.

Outings

From time to time, one or more members of the Society arranges bus

trips or caravans for the members to get together and visit a museum, antique mall, glass factory or other activity. Hosted by a member(s), these bus trips are planned and designed for fellowship and to have fun, to enhance your appreciation and knowledge of the art and history of glass making and to increase your knowledge of glassware made in America during the depression era.

46th Year of Gold Rush in Rochester, Minnesota

A Treasure Hunter's Paradise - August 17th, 18th & 19th

Article & Photos by Kae Townsend (Townsend Promotions)

The Gold Rush tradition continues at the Olmsted County Fairgrounds in Rochester, MN, located on Hwy 63 South and 16th Street SE intersection.

It's the 46th year of this event in which the Fairgrounds is transformed into a mecca of antiques filling 9 buildings. Tack on hundreds of more dealers outside and you will have a plethora of antiques, vintage items, collectibles, furniture, primitives, advertising signs, jewelry, toys, postcards, comics, retro, mid-century modern,

repurposed vintage items, flea market finds and much more in the 52 acres Fairgrounds. You will find it all at Gold Rush.

Hours: Buildings and outside open 8 am - 6 pm on Friday and Saturday and 8 am - 3 pm on Sunday. Friday is dealer set up day and the public is welcome to come and shop while dealers set up. The event is free to the public with unlimited parking at just \$5. There are several food vendors serving up some of your favorite foods to savor and enjoy.

So if you are looking for something to do

the weekend of August 17 - 19, head to Rochester, MN.....what better way to spend it than at a treasure hunter's paradise, Gold Rush, at the Olmsted County Fairgrounds.

We welcome bus groups from clubs or towns, call ahead to make arrangements.

RV Campgrounds on the Fairgrounds has some RV spots available to rent by calling 507-269-1473.

For show information, contact Townsend Promotions, Inc, 641-832-2700 or 507-269-1473. New dealers always welcome.
