Out & About

The fields by us are almost all clear now, which is the start to the signs that winter is on its way. The counties haven't brought out the snow fences yet. I did have to start wearing a coat though. I'm sure the snow birds will start heading towards their winter homes. Mekenzy says that most of the homes in town are snow birds and that they rent them to college kids for the winter. Next school season, Mekenzy wants to rent a house.

Brandon had his senior pictures taken a couple of weekends ago. He wanted outdoor pictures. We ended up at a friend's neighbors house petting the calves & cows. The kids liked how the calves would suckle their fingers. Tia & Brandon had a blast. I'm not sure who had more fun, the cows or the kids. It was a nice day spent together laughing & having fun.

N.L. Promotions Elkhorn Antique Flea Market Held at the Walworth Co. Fairgrounds

Article & Photos by Michelle Goltz

They have small things, large things and in between things, if you are looking for something specific it will most likely be here. You don't have to worry about cutting your trip short everything is available so that you can spend the day looking for that great addition to your collection!

Another great thing about coming out to Elkhorn is that they are very organized and they make the parking situation smooth and easy for getting in and out. Whenever I go somewhere and the parking is difficult I always ponder on if it is worth going in or not, and that is not the case. Once you are on the grounds you will find the time slip by while you are making your way around the grounds. I would be very surprised if you left with empty arms. I highly recommend you bring a wagon or a cart or someone with strong arms so that when you find that perfect piece or pieces you will be prepared to bring them to their new home. Or have someone on speed-dial to bring a truck if need be, because I was actually talking to a dealer and that is exactly what one of his shoppers was doing! She was so excited to find the antique hutch of her dreams and called for backup so she could get it home.

So, if you haven't marked your calendar to attend Elkhorn this past year make sure you do for next year. It is one that you will never miss again! Happy Treasure Hunting to All! For Vendor space or show dates call 414-525-0820 or visit: www.nlpromotionsllc.com

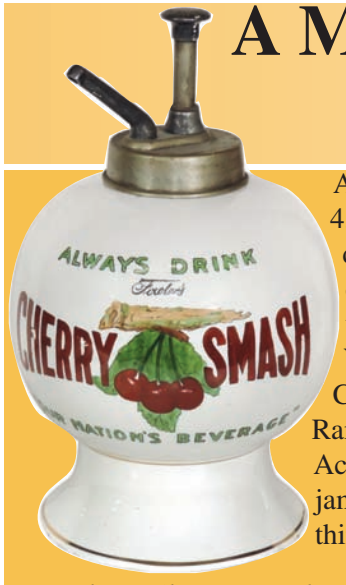
A Massive Collectible Convoy Rolls Across the Rich Penn Auction Block November 2, 3 & 4, 2018



Fowler's Cherry Smash Syrup Dispenser, w/orig. pump.

As Autumn rolls around, so does the November 2-4, 2018 Rich Penn Auction. Featured in that three day event are several hundred pressed steel and cast iron toys. A massive convoy will roll across the auction block. This auction is held in Waterloo, IA at the Five Sullivan Bros. Convention Center. Penn's Host Hotel, The Ramada, adjoins the Convention Center

According to Penn, "Our fall auction will be jam packed with over 1,600 lots of great things, many that likely began their life under the Christmas Tree!" He went on to say, "We have hundreds of great signs for Ice Cream, Coca-Cola, other Sodas and Petroliana. There's also lots of Coin-Operated machines, Jukeboxes, Slot Machines, Trade Stimulators and Vending. But the most fun will be the toys."

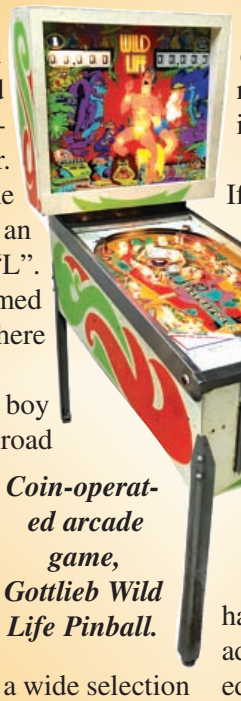
Multi-colored stained and leaded glass hanging Drug Store show globe.

The auction offers collectors a large collection of pressed steel toys, mostly being Buddy L. From outside trains, to flivvers, to trucks to machinery, there are over 200 to choose from. Many are original and others are restored. But the collection encompasses the full range of what Buddy L produced, even Buddy L wooden toys.

Buddy L is an iconic name among toy collectors. With roots that reach to Moline, IL and the Moline Pressed Steel Co., toys entered their production in 1921. Fred A. Lundhal, the founder, wanted a different, better toy for his 6 year old son Arthur. He wanted a toy that could stand up to the play of a 6 year old boy. The toys were an instant success and the line became Buddy "L". Named after Lundhal's son Arthur, nicknamed Buddy L in the 15th St. neighborhood where they lived in Moline's Velie addition.

Coin operated Pulver gum machine w/Clown figure, Exc orig yellow wrinkle finish.

Buddy L toys were the ones every young boy wanted. And the company produced a broad range of toys for every young lad's imagination. World War II changed all that. With the restriction on steel supplies, the demise of Buddy L pressed steel toys was imminent. After the War, plastics dominated the toy industry.



Coin-operated arcade game, Gottlieb Wild Life Pinball.

But there's more than pressed steel. There's a wide selection of cast iron toys, mechanical banks, still banks and even over a hundred cast iron door stops.

As with all Rich Penn auctions, advertising collectors are going to be offered a tasty selection of great signs. Well over a hundred signs will be offered in porcelain, metal, cardboard and paper. Among that selection is a classic, porcelain diecut Case Eagle on globe. Tobacco collectors have always admired the Murad, "The Turkish Cigarette" self framed metal sign featuring a beautiful Turkish woman. She elegantly holds a classic tin of Murad. Coca-Cola collectors will have dozens of choices in porcelain and metal. Button signs, flange signs, self-framed and light-up signs. Even door pushes, thermometers and clocks. The same variety will be offered in Hires, Pepsi, Seven-Up and other soda brands.

Soda Fountains also offered their customers soft drinks made right at the fountain. Syrup dispensers held the syrup. The "Soda Jerk" pumped in a couple shots of syrup and put the glass under the fountain head...jerked the handle and filled the glass with carbonated water. The last touch...stir it with a long spoon and there you had it. Your own Root Beer, Grape, Strawberry or Orange Crush! Many of those syrup dispensers will be offered for your Soda Fountain.

The Soda Fountain was a treasure trove of things collected today. From candy & ice cream signs to sucker holders and candy displays, all are subject to the passion of today's serious collector. Those collectors will have lots to chose from at this Rich Penn Auction.

The Soda Fountain was nearly always an added profit center in the Drug Store. Another profit center was the Cosmetics and Fragrance counter. Those centers had everything needed to look good and smell good! The Beauty Counter was full of high margin cosmetics and fragrances. It's the same today. The fragrances were promoted at point of sale with extra large display bottles and display materials. Those display bottles were called Factices. The Art Deco Beauty Bar is offered at this auction as are dozens of name brand Factices!

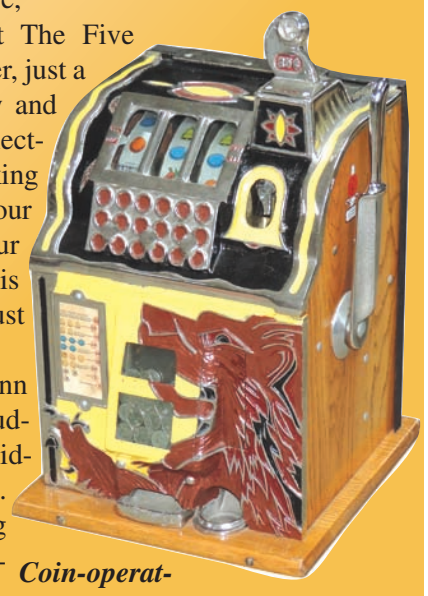
The fragrance counter was for the more delicate things. The seed counter was for staples! And you have the option of bidding on one of these as well. Penn's auctions always include a variety of country store and drug store displays. This auction is no exception. The Sherer-Gillette Company of Chicago made these great oak store seed counters. They were unique in that you could display the bulk commodity in a merchandise window at the front of each drawer. The one offered has all the original Sherer drawer pulls. These counters are a favorite with decorators. They make perfect kitchen islands!

Cast Iron horse-drawn Circus Wagon with driver & Rhinos.

What about the perfect game room? If you like being entertained for a nickle or dime, you'll have lots of options. Penn's auction includes a wide selection of coin-operated machines. Among them are slot machines, Coke machines, trade stimulators, jukeboxes, pinballs and vending machines. There's something to decorate every game room or Man Cave!

There are also dozens of other collector and decorator favorites, Spool Cabinets, a Lorillard Tobacco cabinet with etched glass, barber shop items, petroliana and lots more,

Penn added, "Again we're at The Five Sullivan Brothers Convention Center, just a half block from our office. It's a great facility and adjoins a hotel and parking ramp. Both are connected by an enclosed skywalk. Plus, it's within walking distance to great restaurants. The hotel gave our guests a special $79 room rate. We think our guests will enjoy this fun auction!" The site is conveniently located in downtown Waterloo, just one block off the freeway.



Coin-operated Mills 25c Lion Front slot machine, c.1930s.

For those who can't make it, Penn offers multiple bidding options, including absentee, telephone and live bidding online through LiveAuctioneers. Find the links to the online catalog on Penn's website. Full color catalogs will be available for $40. Prices realized will be posted online. Just contact Rich Penn Auctions at 319-291-6688 to order yours. Go to www.RichPennAuctions.com to register or to preview the auction. Absentee and phone bidding are always welcome.

For additional information contact Rich Penn Auctions at 319-291-6688 between 9 AM & 5 PM CST, M-F.

Bulldog Antiques partners with vendors across the stateline area to bring first-of-its-kind Antique Market to Marengo.

Article by Don Rose & Chuck Follett

After three years in business, Marengo's Bulldog Antiques is venturing into uncharted territory. On Saturday, October 13th, they are hosting their first BaBAM (Big Bulldog Antique Market).

Whether your thing is Advertising, Americana, Local History, Military, Signs, Tools or Toys, Marengo is the place to be on **Saturday, October 13th between 9am and 3pm!**

BaBAM will be held at Bulldog Antiques, located at 505 N. State Street (Route 23) in Marengo and at their annex, on the same block.

At press time, Bulldog's partners, including antique pickers, customers and friends have committed to displaying a wide variety of antique goods throughout Bulldog's lawn spaces and annex parking areas.

When partners Chuck Follett and Don Rose opened Bulldog three years ago, their objective was to help make Marengo a destination. Customers have come from throughout the midwest to discover their well-curated vintage, cool and TRUE mid-century & earlier antiques. They don't handle reproductions or other non-authentic 'antiques.' Shops like theirs are hard to find.

Their October 13th event will hold true their commitment for selling real antiques and helping focus on Marengo's charm. Don't miss it!

Cookie Cutter Collectors Club

The purpose of the Cookie Cutter Collectors Club is to share information with others who are also interested in cookie cutters and related items. We research, record and share data with each other regarding the history of cookie cutters. We get together periodically to discuss our favorite topic and show and swap cutters but mostly we enjoy the friends we've made and have lots of fun! There are a number of regional cookie cutter collectors groups all across the country that also have meetings and new groups or new members are always welcome. The club has a facebook page for keeping up with each other and the latest discoveries in cookie cutters. Every two years we have a 3 day convention in a location determined by the presiding president. We put out a quarterly newsletter and a yearly membership cookie cutter made exclusively for our members. There is also a National Cookie Cutter Historical Museum in Joplin, Missouri, that is open to the public. And each year we sponsor an exclusive Cookie Cutter Week cutter that is available to members for purchase.

Become a
Member of our Club. . .

Club dues are $25 a year. You will receive the quarterly newsletter Cookie Crumbs, and a collectable signed, dated membership cookie cutter. You may join any time during the year but our membership year runs January 1 through December 31 and you will receive all the newsletters and cutter for the year that you join.
