The Holiday Vibe Was in the Air at AR Promotions "Park" Holiday Antique Show in Wausau

Article & photos by Renee Wiskow

AR Promotions held their annual Holiday Antique Sale on November 10 & 11 at Marathon Park's East Gate Hall in Wausau, Wisconsin. The first snowfall of the season came in on Friday, but on Saturday, the start of the show was sunny and bright. Eager buyers were lined up out the door for the 9 a.m. opening and even though it was cold, everyone seemed excited. The holiday season was definitely in the air and people were happy to be starting their Christmas shopping.

“Park” Holiday Antique Show - Quality Antiques, Vintage Finds & Lots of Great Treasures

Article & Photos by Renee Wiskow

Show Promoter's Ray & Audre Hanson

As always, I had my Mom with me. She's an awesome helper for me at the shows and she loves looking at the antiques as much as I do. The show was filled with great stuff, including a lot of winter and Christmas items. Santas, sleds & snowmen could be found in many booths, giving the show a very festive feel.

We always enjoy chatting with the dealers, they are always very friendly and helpful. You can learn so much when you attend a show. I really enjoy attending Ray & Audre's shows. They do such an excellent job of setting everything up and getting the very best dealers. This was our first time at the

“Park” show, as last year we had several inches of snow which kept us away. But we are already looking forward to next year's show!

Audre & Ray are animal lovers and they were collecting pet toys/items at the door for the Humane Society (who were providing the fantastic food at the show).

With 35 great booths at the show, believe me, you are bound to go home with a treasure or two. There was a fantastic bookcase made from an old screen door in the booth of Schoolhouse Antiques. It was a gorgeous piece and if I would have brought more money (and had room in my car), it would have come home with me. I'm not sure where I would put it, but I would have found a place!

You can't go wrong at this show, \$5 gets you in the door and you have a whole day (or two!) of fun. No matter what your looking for, you will find it here. Toys, advertising, stoneware, primitives, shabby chic, jewelry, furniture, breweriana, decoratives, folk art and so much more. It's a great chance to step back in time and learn more about the past.

For more information, AR Promotions can be reached at 715-355-5144, via their website: antiqueshowsinwis.com and on Facebook: Wausau Antique Show and Sale. Be sure to check out next's years show, you won't want to miss it.

February is also the time of year we often long for the warmth of summer and visit with friends. The RHS Antique Show & Sale, Appraisals & Chili Lunch is the place you can stay warm, purchase a wonderful antique, discover the estimated value of your antiques, and mingle with friends while enjoying a tasty bowl of Chili.

DEALERS - Friess Lake School is in the heart of Richfield and offers easy access and reserved parking for dealers in addition to extensive parking for guests. In recent years the 5 appraisers/dealers brought antiques to sell. In 2018, RHS added indoor vintage/antique dealer booths. Booth fees: \$35 for 10 x 10 booth and \$40 with electric. 8' tables can be rented for \$5 or bring your own. More information regarding Dealer Registration, Guidelines and Booth layout at www.richfieldhistoricalsociety.org

APPRAISALS - Bring your coins, stamps, watches, civil war and WWII items as well as any general item for appraisal. Appraisals per item: \$5.00 this fee allows you to enter the Antique Show & Sale area for FREE.

FOOD - Delicious Chili along with White Chicken Chili is featured item on the menu. Make your choice and add fixings such as onions, sour cream and cheddar cheese. If you have attended the RHS event before, you will remember the delicious cornmeal muffins, a brownie and beverage included for \$7.00. Chili Dogs went over so well in 2018 we are offering them again in 2019. Homemade pie is \$2.00 per slice.

This event supports projects of the Richfield Historical Society. In particular, restoration of the Messer/Mayer Mill. Now that all foundation walls have been restored the future goal is to "Get the Mill Grinding".

Richfield Historical Society was founded in 1996 to promote the interesting history of the Richfield WI area and pioneers who settled the area. In 1998 the Town of Richfield purchased land which included the Messer/Mayer Mill and Homestead. This property now is known as the Richfield Historical Park. Each year RHS offers various events: Antique Show & Sale, Appraisals & Chili 3rd Sunday in February, Maple Syrup Family Day 4th Saturday in March, Annual Art Fair 4th weekend in July, and Annual Threshere 3rd weekend in September.

Visit RHS Antique Show & Sale, Appraisals and Chili Lunch once, and you'll return again and again. So, mark your calendar; and we will see you there.

Christmas Candy Canes

whychristmas.com

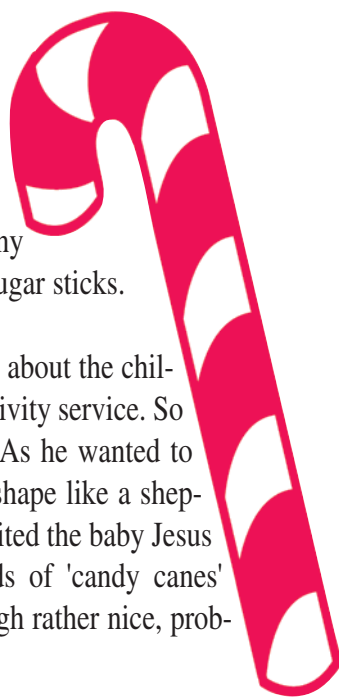

The Christmas Candy Cane originated in Germany about 250 years ago. They started as straight white sugar sticks.

A story says that a choirmaster, in 1670, was worried about the children sitting quietly all through the long Christmas nativity service. So he gave them something to eat to keep them quiet! As he wanted to remind them of Christmas, he made them into a 'J' shape like a shepherd's crook, to remind them of the shepherds that visited the baby Jesus at the first Christmas. However, the earliest records of 'candy canes' comes from over 200 years later, so the story, although rather nice, probably isn't true!

Sometime around 1900 the red stripes were added and they were flavored with peppermint or wintergreen.

Sometimes other Christian meanings are given to the parts of the canes. The 'J' can also mean Jesus. The white of the cane can represent the purity of Jesus Christ and the red stripes are for the blood he shed when he died on the cross. The peppermint flavor can represent the hyssop plant that was used for purifying in the Bible.

Around 1920, Bob McCormack, from Georgia, USA, started making canes for his friends and family. They became more and more popular and he started his own business called Bob's Candies. Bob McCormack's brother-in-law, Gregory Harding Keller, who was a Catholic priest, invented the 'Keller Machine' that made turning straight candy sticks into curved candy canes automatically! In 2005, Bob's Candies was bought by Farley and Sathers but they still make candy canes!

The Tradition of Mistletoe at Christmas

whychristmas.com

Mistletoe is a plant that grows on a range of trees including willow, apple and oak trees. The tradition of hanging it in the house goes back to the times of the ancient

Druids. It is supposed to possess mystical powers which bring good luck to the household and wards off evil spirits. It was also used as a sign of love and friendship in Norse mythology and that's where the custom of kissing under Mistletoe comes from.

When the first Christians came to Western Europe, some tried to ban the use of Mistletoe as a decoration in Churches, but many still continued to use it! York Minster Church in the UK used to hold a special Mistletoe Service in the winter, where wrong doers in the city of York could come and be pardoned.

The custom of kissing under Mistletoe comes from England. The original custom was that a berry was picked from the sprig of Mistletoe before the person could be kissed and when all the berries had gone, there could be no more kissing!

The name mistletoe comes from two Anglo Saxon words 'Mistel' (which means dung) and 'tan' (which means) twig or stick! So you could translate Mistletoe as 'poo on a stick'!!! Not exactly romantic is it!

Mistletoe was also hung on the old English decoration the Kissing Bough.
