# Out & About

We hope everyone had a Wonderful and Safe New Year.

The weather has been abnormally warm. We had some crunchy snow from our last little storm for quiet awhile but then it rained and all of it disappeared. There have been no one on either local lakes ice fishing because they are not frozen yet. Mekenzy said they were ice fishing in Bemidji before she left. She said that she might go with a friend when she goes back after Christmas. Mekenzy has never been ice fishing before, I tried to explain that I think it is fun. It has just been one of those milder winters so far. The kind where you look at your snowmobile more than you are able to ride it. The winter you watch more of the birds in the water than the fish.

Tia was home only for a few days and then she had to go back to college to work. She works in the science department prepping labs and on her cells. Mekenzy moved off campus into a house so she could have her own room. So, when she goes back, she needs to take her bed and some furniture with her.

Brandon has been busy working over break. He helped with the giving tree at school this year. Donating his time and truck to go get the gifts and helped wrap them all. He was definitely in the Christmas Spirit this year.

## When Out and About this weekend, be sure to check out:

Antiques Center at Wales is having their Holiday Open House & Sale on Now thru Sunday, January 6th. Located at Antiques Center at Wales, 323 East Summit Avenue, in Wales, Wisconsin. See their ad in Auction Action Antique News.

## Mark your calendars for:

West Bend Antique, Artisan, Fine Arts Show & Sale on Friday, January 18th & Saturday, January 19th. Located at Washington County Fairgrounds in West Bend, Wisconsin. See upcoming events for more information.

The Great Milwaukee Classic Antique & Collectible Fishing Tackle Show on Friday, January 18th & Saturday, January 19th. Located at Sheraton Milwaukee Brookfield in Brookfield, Wisconsin. See upcoming events for more information.

Mekenzy took a picture of the trees by the college in Bemidji before she came home. Here are just a few things that we have done since the kids have been home for the holidays. We went & got our Christmas tree, always a fun day, we take a wagon out & spend an hour

looking & laughing. We visited Santa & the kids told him how they are doing in school & what they would like for Christmas. Mekenzy & Noah went ice skating at Titledown. The family has cooked a few dinners together & made some picture boards for their college rooms.

## Homer Laughlin China Collectors Association

HLCCA is a non-profit organization comprised of collectors, antiques dealers, historians, etc., who share an interest in the dinnerware and other pottery products that were, and are, produced by the Homer Laughlin China Co. (1873- ). HLCCA offers a wide range of services, events, and other benefits for people whose interest levels vary from mild curiosity to sophisticated collecting.

Our quarterly magazine, *The Dish* produced in full color throughout since v. 2 no. 2 (Winter 1999-2000), is the premier communication tool for, and among, the HLC collecting community. Each 24-page issue contains 5-7 feature articles whose topics range from individual collector's stories to in-depth discussions of particular lines or decorative schemes, and from biographical essays on noted artists or artisans involved with the creation of HLC products to reviews of new books on collecting HLC wares. *The Dish* also includes regular reports on numerous Association Activities. The HLCCA also has a book on *Fiesta, Harlequin, and Kitchen Kraft*.

HLCCA holds an annual 2 1/2-day Conference during the summer. The Conference offerings include seminars, workshops, and multi-media presentations, auction, collectors' exhibits, a dealers' show-and-sale, and most importantly, an opportunity for HLC collectors to meet, greet, and network with other collectors who share similar interests.

We also operate an online store which offers many HLC-related books for collectors, and HLC pottery items that are not readily available from retail stores. Since 1999, HLCCA has commissioned limited edition juice pitchers, each of which commemorates a notable event from a particular year in the 1930s. These pitchers are available only to members of HLCCA.

Please browse around our website, <http://www.hlcca.org>, to learn, in greater detail, the benefits of HLCCA membership. At any point, if you have a question, please go to the About Us page where you will find an email address for our officers or volunteers, all of whom are pleased to address your questions about the Homer Laughlin China Collectors Association.

# Wisconsin Antiques Dealers Association 45th Winter Antiques Show in Waukesha February 1 & 2, 2019 ~ 55 Dealers from 7 States

Article & Photos by Debbie McArdle

Founded in 1948, the Wisconsin Antiques Dealers Association is a non-profit, charitable organization dedicated to preservation & education within Wisconsin. Their next antiques show is at the Waukesha Expo Center in Waukesha February 1 & 2 where, once again, your paid admission will help fund scholarships and grants awarded annually.

Waukesha County high school seniors recently submitted entries for the Wisconsin Antiques Dealers Association's annual scholarship competition. Winners for the 2018-2019 school year will receive their awards at February's 45th Winter Wisconsin Antiques Dealers Show. Essay rules for each school year's competition always appear on the WADA website.

In addition to scholarships, the Wisconsin Antiques Dealers Association awarded a sixth grant to the Friends of the Wisconsin Historical Society, continuing as the founding sponsor of the "30th Star Benefit Antiques Auction". This latest grant from WADA will carry the partnership between the Wisconsin Antiques Dealers Association and the Friends of the Wisconsin Historical Society through their 2020 benefit auctions. Grant application guidelines for history-based non-profits are posted on the WADA website.

To encourage donations from the general public of items more than 50 years old for their upcoming "30th Star Benefit Antiques Auction", the Wisconsin Antiques Dealers Association is again providing a free booth to the Friends of the Wisconsin Historical Society at their February 1 & 2 Antiques Show. Attendees to the show are invited to bring their donations (more than 50 years old) to the show where they will receive a tax deductible receipt. If the items are too large, other arrangements can be made. Call Phil Schauer at 608/295-7240 or Debbie McArdle at 815/575-1272 for more information.

Show your support and help preserve history by attending the  
45th Winter WADA Antiques Show  
Friday, February 1, 10 am - 8 pm  
Saturday, February 2, 10 am - 5 pm  
Waukesha County Expo Center, 1000 Northview Road,  
Waukesha (a Milwaukee suburb), Wisconsin 53188.

A special exhibit, "Made in Wisconsin", hosted by Wisconsin collectors will be available to all attendees. A traditional Wisconsin Fish Fry (baked fish also available) will be served Friday, late afternoon and evening. As always, there will be five drawings for \$50 gift certificates. There's plenty of free parking and an ATM is on the premises. Questions? (414) 510-4441 or visit [www.WisconsinAntiquesDealers.com](http://www.WisconsinAntiquesDealers.com).

*Enthusiastic buyers flock to Colleen and Daryl Alpers' booth, always filled with interesting and colorful antiques.*

# 19th Annual West Bend Antique Vintage and Fine Arts Show Announcing another highly anticipated event..

Article & Photos by Larry Kaczmarek

Slated for Friday, January 18, from 11:00 am-7:00 pm and Saturday, January 19, from 9:00 am-4:00 pm.

The West Bend show and sale is a two-day event held at the beautiful Washington County Fair Complex. Admission is \$6 good for both days of the sale. \$1.00 off with any ad.. Children under 16 are free and parents are encouraged to bring their family along. Strollers and wheelchairs are welcome. The building is handicap accessible. Parking is free. Hot food and beverage by Brian's catering will be available.

One of the show's highlights, for example, is to incorporate a Scavenger Hunt into the show. Special antiques from our personal stock are hidden in plain sight in each booth. Every hour a photo of an item is revealed. Whoever finds the item gets to keep it, and wins a small prize. Not only is it a fun way to engage children, it also gets the adults to visit every booth at the show.

**Make sure you sign up for the chance to win one of 2 gift certificates awarded each day.**

One thing that won't ever change is the outstanding quality and variety of dealers who sell at the West Bend Show. The event features knowledgeable and friendly dealers

showcasing antiques and collectibles from Mid-Century Modern to Art Deco and Mission; from Country Primitives to Art Nouveau and Victorian. The array of merchandise for sale includes furniture, clocks, home decor, garden, decorative art, glassware, hand woven carpets & rugs, Native American, maps, linens & quilts, toys, sporting goods, advertising, fine art and jewelry displayed in 40 attractively designed booths.

"The West Bend Antique Show is a family-oriented event that encourages adults and youth to explore, discover, learn about and even own a piece of the past. These items were used and cherished by our ancestors," says Kaczmarek. "We can teach our children to appreciate old things by showing them that an antique show is more of a treasure hunt, if you will. The workmanship and beauty of some of these items make them real treasures."

"For example, just give a child a marble and a flashlight and show him how to use the flashlight to see the beauty glowing inside a tiny little marble and watch his face light up."

So, if you're looking for something to do this winter, if you have "cabin fever" and that's sure to warm your heart, take your family to the West Bend Antique & Fine Art Show on January 18 & 19, 2019 at the Washington County Fair Park, Hwy 45 & PV (Pleasant Valley Rd.), West Bend, WI. For more information, visit [WestBendAntiqueShow.com](http://WestBendAntiqueShow.com).

One of Larry's favorite sayings is "Find a way to get there" because it's an event you and your family won't want to miss! Thank You.

# Golf Collectors Society

The Golf Collectors Society is an international organization dedicated to preserving the treasures and traditions of the game of golf. Founded in 1970 by Robert Kuntz and Joseph S. F. Murdoch, the organization today has over 1400 members from 15 different countries.

The Society's website features a masthead showing a golf memorabilia collection. Three sections underneath give a brief overview of what the group is all about, a center section on recent news and a block for text style ads. This gives the homepage a nice, clean and uncluttered appearance, yet traditional in approach.

Links across the top take site visitors to various segments including a webzine section, resources, events, a forum, membership, faq, links, and how to contact the Society.

We like the well-thoughtout membership page which briefly explains and visualizes some of the member benefits, plus providing contact information and a membership form. The links page includes links to several other golf collecting associations.

The faq section (frequently asked questions) is very simple and yet, very helpful. This is a section that should be considered on every collecting club's website. It simply and briefly answers questions like: Who belongs? How do I determine the value of items? Are there Society shows that are open to the public? How do I determine when an item was made? Where can I get more information? etc.

By spending only a couple of minutes on the site, if a visitor has an interest in collecting or studying golf memorabilia, it would be hard to resist joining!

## The History of the W. Nelson McCoy's Blue Bird Pottery

By Dewayne Imsand  
An Old "Blue Bird" Pot Shop

W. Nelson McCoy was born in 1820 in Harpers Ferry, Virginia, which is located in West Virginia. In January 1848, he and his wife Ester moved to Ohio's, Muskingum County, Springfield Township, in a community called Putnam. At that time, Putnam was a suburb of Zanesville, but in 1872, it became incorporated into Zanesville.

During the same year as W. Nelson and his wife arrived in Putnam, they had a son whose name was James W. Years later J.W. would go on to establish a well-known pottery, the "J.W. McCoy Pottery".

W. Nelson came to Putnam as a farmer. He acquired some land and built a house. In addition to farming, he also built a small, log building to produce stoneware during the warmer months. The pottery was a small, "Blue Bird" type shop, which was like the ones many of the farmers had at the time. It was primitive in its equipment, and the ware it produced was rough and unfinished. Although during that period, most of the home-owned, "Bluebird" shops operated under primitive conditions.

W. Nelson only produced pottery for a few years, not eight as previously believed. In January 1853, a notice was published in the "Zanesville Daily Courier" stating that a partnership that W. Nelson had with Jeremiah Elder was dissolved. The partnership was in a Putnam grocery store, named Elder & McCoy, which had been established at some uncertain prior time.

On the same date that W. Nelson ended his partnership with Elder, a second notice was published reporting that he had taken another partner, Norman Dodge, in the grocery business. Later W. Nelson bought out Elder, and the name of the grocery was changed to "McCoy & Dodge".

# The History of The Old Reel Collectors Association

In 1989 Mike Nogay, a dedicated reel collector from West Virginia, decided that it was time for reel collectors to have their own organization. He thought up the name, had the club logo designed, and had ORCA incorporated as a non-profit, educational corporation in the state of West Virginia.

On October 9, 1990 a letter was mailed out to reel collectors that had expressed an interest in the formation of such a club. Finally in January 1991 the first Newsletter of the Old Reel Collectors Association, Inc. was mailed to the original 36 charter members.

From those first wobbly steps, ORCA has grown into an adventurous adolescent. As ORCA passed our tenth anniversary in 2000, we have reached our identity. ORCA's membership currently remains between 800 and 1000 dedicated members.

The original four page newsletter has now grown into a 32-36 page magazine, The Reel News. The first ORCA Convention was held in Pennsylvania in June, 1999. This event was a fully rounded Convention rather than just a tackle show. In 1998 ORCA was the first tackle collector's club to jump into the electronic age, with its own Web Site, and electronic data to help out our members who are on line.

ORCA is headed toward maturity with a full head of steam. There is no longer a question of whether ORCA is going to make it. We have made it, and we are now leading the field in collectible fishing tackle information. We'd love to have to you as part of our group. Visit our website: <http://orca-online.org>

35Considering his job at the grocery, and the labor involved in farming, maintaining his household, supplying clay and firewood for his kiln, one would imagine that W. Nelson only had a small amount of time for actual pottery production. Surely, the volume he produced was small, and it was undoubtedly unmarked, since none that is attributable to him has been found.

Prior to 1853 a grocery store in Zanesville was owned by "James Benjamin & Co.". Sometime after 1858 W. Nelson acquired the major share in the "Benjamin & Co.", and the name of the store was then changed to "McCoy – Benjamin & Co.". Hugh McDonald was another owner besides McCoy and Benjamin.

In addition to the operation of the store itself, James Benjamin had other interests; he was a wholesale dealer in stoneware. The newspaper "Zanes Times Signal" carried an article in 1957 by Norris F. Schneider, who, quoting old sources, said that during the 1870's Benjamin was one of the three major stoneware wholesalers in the region. The other major stoneware wholesalers at the time were J.C. Gillespie, and Hudson C. Ward.

The crock shown is an example of Benjamin's wares. The inscription on it is stenciled in blue ink, and reads, "Jas. Benjamin Wholesale Stoneware Depot Zanesville, O".

W. Nelson is not known to have been associated with James Benjamin in the pottery business in Zanesville. However, he and Benjamin were associated in the pottery business located in Cincinnati. (See the article, "The History of the James Benjamin Potteries and his Connection with W. Nelson McCoy", which is contained on this Web site).

W. Nelson as a long-time, Zanesville businessman, became respected and popular. In 1881, he was elected the mayor of Zanesville, and in 1883, he was reelected. W. Nelson continued managing and working in his grocery and dry goods store until the early 1890's. He died in 1894.
