Out & About

Remember Groundhog Day is on Saturday, February 2nd. I'm hoping for an early spring. Sturgeon fishing opens on Saturday, February 9th. The state biologists are forecasting great opportunities to land the fish of a lifetime this year. They're saying the fish population is strong. Let's hope for clear water for great spearing.

As some of you know, I have been battling a terrible sinus infection for three weeks now. Thankfully for our trip to Bemidji, Minnesota I felt well enough to enjoy the activities, as I thought I was on the road to recovery. First, I have to say the trip there is beautiful. Bemidji, Minnesota is another beauty on its own. When we arrived, Mekenzy was in class and she asked that we carry in her furniture and set up her bed. It was 8 degrees when we arrived at 3pm, we got her settled and she was off to work. She came to the hotel around 7:30pm to eat and talk with us. Friday morning it was -14 degrees, it was game day.

We brought everything in to let it warm up and get ALL our layers ready. Also to figure out how many warmers we would each need and where we would be putting them. We finished getting ready at Mekenzy's place. Wow, I think the kids park by tapping the car in front of them and then backing up a couple of inches. You couldn't walk between the cars and they were lined up for a block this way. They also have minimum two in the driveway and one parked sideways behind them. Hopefully they don't need to go anywhere. Mekenzy said they start to learn each other's schedules and each house has different rules for parking. We took the bus to the game, by then it was -26 degrees. There were firepits and warming tents but nothing warmed you, just took the chill out. It was an awesome and exciting game to watch and definitely was an experience that we will talk about for years.

It took 25 minutes to catch the bus back to Mekenzy's. More next week.

Case Eagle on Globe Farm Implement Sign Brings \$7,540 at Rich Penn Auction in November

Article & Photos by Rich Penn Auctions

Saturday and Sunday was a bit different. 700 lots sold on Saturday and over 600 on Sunday, with the Case Eagle porcelain sign that soared to the top lot! The Saturday highlights were Soda Fountain items and toys. Among them were strong Coca-Cola items, with an original condition Vendo 44 Gas Station Coke machine popping the high bid of \$3,960. A Vendo 81D in great condition brought \$1,980. All prices include the buyer's premium. A double-sided porcelain Coca-Cola "Fountain Service" sign pulled a top bid of \$3,600, while another Coca-Cola porcelain sign hit \$2,700. A Mint cond Coca-Cola flange sign quickly coaxed up bidding to \$1,925.

Other soda signs appealed to bidders as well. Several rare Whistle signs brought strong bidding from house and internet bidders. A 1948 self-framed Whistle sign quickly snapped up a \$2,475 top bid, while a larger example, but not in quite the same great condition still chirped out a \$2,088 high bid. A Near Mint 7up "Fresh Up..." self framed and embossed metal sign did indeed live up to it's slogan... "It Likes You." In fact it liked bidders so well...they stepped up the bidding to a winning \$2,227 bid! Root Beer brought frothy interest as well! After a frenzy of internet bidding, a Near Mint Hires self-framed metal sign with large bottle graphics brought \$2,400.

Throughout the auction, toys were strong too. A Rare Gendron "Spirit of St. Louis" pressed steel pedal airplane flew away in clear skies with a \$2,750 bid in the cargo hold! An early (c.1930s) battery-operated Bing Sedan rolled away with a \$3,190 bid in tow. A Dark Town Battery mechanical bank hit a line drive bid to bring it home for \$1,920. The Buddy L collection, one of the largest collection to come to market in recent years, did well throughout. A Buddy "L" Road Roller, Model 290, in restored condition rolled up a bid of \$1,650. A trencher on treads in original cond brought \$2,200 A Model 208 Coach packed in a \$2,320 bid. The T-Reproduction Buddy L toys did great as well. A Tugboat No. 3000 chugged away pulling a \$2,200 bid and a second one earned a \$2,160 bid.

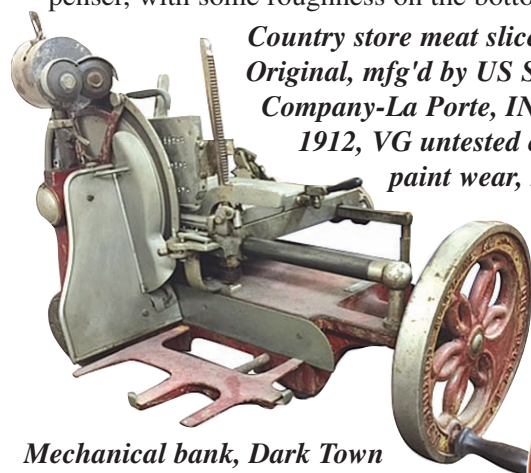

As in all Rich Penn Auctions, there's always a broad selection of Soda Fountain and related pieces. Always doing well, this auction was up to standard. An unusual cast iron Ice Cream table, with swing out seats settled on \$3,000. The Eskimo Pie "Magic Cooler" with graphics and cast Eskimo feet attracted a top bid of \$1,920. Syrup dispensers now seem to be making a good comeback from lower prices in recent years. A nice original Ward's Orange-Crush syrup dispenser, the color added version, sold at \$1,680. The Ward's was followed by a Fowler's Cherry Smash dispenser, with some roughness on the bottom, it still pumped out a \$1,650 bid.

From the Drug Store to the Gas Station, more great pieces kept coming across the block. A porcelain single-sided Ford Authorized Service Station sign in VG cond pumped up a bid of \$2,090. A beautiful double-sided metal flange Racine Tires sign, by Chas W. Shonk Co. and in new-old-stock cond, rolled up a top bid of \$2,784. One of the petroliana pieces with the greatest graphics was a display cabinet for The Tire Saver Alligator Boot, the "Alligator" lithography was by "The American Art Works, Coshocton, OH". The alligator snapped up a big bid of \$3,740. Another tire related piece with strong interest was a Firestone Tires reverse-paint-on-glass light-up sign in metal can. It brought \$1,740. There were several Case Implement pieces that brought bidder interest from across the country. A porcelain single-sided diecut Eagle on the globe, 81" H, soared to \$7,450. Flying close behind was a rare carved wooden example of the same Eagle. This 27"H example brought \$3,025.

Coin-Op collectors always have a range of machines to put their money in. The two top selling pieces were both Wurlitzer jukeboxes. A beautiful model 800, c.1941, in original working condition played for a high bid of \$3,575. A newer model 1700, c.1954, also in great original working cond went to a new home for \$3,190. An early Seeburg model 8200, with an older restoration and also in working cond sold at \$1,920. A working condition figural carved Indian with a Mills slot machine rounded up a bid of \$1,980, while a Rockola Sweepstakes trade stimulator sold at \$1,680. An excellent Pulver Too Choos gum machine with the Yellow Kid figure dispensed a bid of \$1,320.

There were several examples of more unusual pieces selling on both days. Saturday's example was the Van Berkel's Original, c.1912, meat slicer. It appeared to be complete, but untested. It still sliced up a nice thick bid of \$2,040. Sunday offered up a Vintage movie camera, from the Fearless Camera Co.-Hollywood, CA. Likely a movie prop, It captured a bid of \$4,500.

Penn commented, "This was such a fun auction, with huge variety of great Buddy L toys. And there are more coming in our Spring Auction in April! It made me think of all the kids that must have been wild with excitement on Christmas morning!! Collections like this one really make our business fun. And we're very happy with the results. That's all we can ask for. Now it's on to the Spring Auction!" Rich Penn Auctions will be holding another great Auction Event April 26-28, again at the Five Sullivan Bros. Convention Center in Waterloo, IA. That auction will be packed with great advertising, salesman's sample stoves, country store spool cabinets, coin-op machines, decorative items and furnitur and toys. Czech Collectors Association

The origins of CCA stretch back to 1995 when the Czechoslovakian Collector's Guild International (CCGI) was founded. The club was reorganized in 2001 and renamed the Czechoslovakian Collector's Association (CCA). This new name, however, only partially captures our interests as the organization also encompasses a wide range of Austrian, Bohemian, and Czechoslovakian Decorative Arts, what many members refer to as the ABCs of collecting.

Our mission is to foster the collection and appreciation of the art glass, ceramics, and other decorative arts of Austria, Bohemia, and Czechoslovakia from the years 1850 to 1940. CCA's mission is accomplished through: research, education, the publication of a Newsletter twice a year, the sponsorship of an annual Convention, and a comprehensive Web site which features articles and columns devoted to deepening our understanding of the history and production of these beautiful objects of art.

The current board members of CCA were elected at the 2010 and 2011 Annual Conventions and will serve two year, staggered terms. They are David Phelps (President, elected 2011), Rosie Bodien (Director of Publicity, elected 2011), David Fein (Director of Membership, elected 2010), Aggie Elwell (Treasurer, elected 2009), Bob Collier (Secretary, appointed 2011)

Our general membership includes both beginning and advanced collectors, researchers, educators, appraisers, and dealers. Most of the members have been collecting or dealing in the Czech decorative arts for many years. Collectively, the expertise of the members of CCA is unrivaled and our annual conventions also feature seminars from leading researchers in the field. Members can also tap into this expertise through one of our new on-line services, a regular column entitled "Ask the Experts." We also remain committed to an ongoing program of research and publication. In addition to the newsletter, CCA has published three volumes of the Journal of Czech Decorative Arts. Back issues are available through this Web site. Forthcoming articles will be appearing in an on-line version of the journal.

In addition to our commitment to providing club members with the latest research in the field of Austrian, Bohemian, and Czech Decorative Arts, we also realize that many members are active collectors and, as a club, we try to facilitate avenues for club members to purchase those elusive, beautiful, whimsical, and sought after pieces. The annual show, which is held in conjunction with our yearly convention, has always served as a major venue for collectors to view and purchase a wide range of glass, pottery, jewelry, and perfumes and it will continue to serve this function. In addition, we are now offering new services on this Web site, a "where the dealers are" page, a "for sale by members" page, a "Flea Market Finds" page, a "Collection of the Month" page.

The "where the dealers are" page will help members locate dealers who specialize in Austrian, Bohemian, and Czech decorative arts by providing information on the dealers, their locations and their upcoming shows. The "for sale by members" page will allow members of CCA to buy and sell pieces from their individual collections on the CCA website free of charge.

Doll Lovers & Collectors! Mark your Calendars for March 23rd, 2019 to attend the 48th Annual Madison Area Doll Club Show and Sale “A World of Dolls!”

Article & Photos by Vicki Kutz (Madison Area Doll Club)

For the past 47 years, the Madison Area Doll Club has put on one of the premiere doll shows in the Midwest. Held in Madison, Wisconsin it is easily accessed by many Midwest doll collectors and enthusiasts. Be sure to mark the date: Saturday, March 23rd from 9:00 AM to 3:00 PM at Alliant Energy Center Exhibition Hall, 1919 Alliant Energy Way, Madison WI 53713. Admission is 5.00 per person with children under 18 years of age free when accompanied by an adult. There is a 7.00 per vehicle parking fee at Alliant, so bring a car load of other doll collectors with you to share the cost!

The show features over 30 of the best doll vendors from the Midwest in a well-lit display carpeted sales floor. Dolls of all eras and types are represented, including antique, vintage, modern, and artist dolls. Also included are doll clothing, accessories, doll house miniatures, furniture and anything doll-related. You might even find a few boy toys!

Among the treasures, you will find Barbie Dolls to French Bebe's. Antique German dolls are well-represented as well as vintage 1950s dolls, including Vogue Ginny, Madame Alexander, Ideal and others. Cloth and Felt dolls will include makers such as Lenci, Poir, Kathe Kruse and more! Modern dolls such as American Girl and others will provide you with many choices. Artist dolls include Ooak reborn dolls as well as well-known manufactured examples, done by artists such as Dianna Effner. A doll shopper's paradise for either the beginning collector or seasoned veteran!

Our vendors include well-known local, regional and national doll sellers, including Fritzi's Antique Dolls, Victoria's Doll House, Nancy McCray Dolls and many more. We will also have some new vendors joining us this year. We are still accepting vendors for this show. Please see contact information below.

In addition to the opportunity to view and purchase merchandise at sales tables, free doll appraisals are offered and repair consultations will be available. This will be our third year of having silent auctions with items that you can bid on, which have proven to be a fun part of the show for everyone! As always, we will have a free grand prize drawing that some lucky attendee will win. We also feature our club members' doll display. The display will be based on our show theme “A World of Dolls” where different types of dolls from around the world will be featured.

A food court area will be available in the exhibition hall and offers delicious salads, sandwiches, coffee and beverages where you can sit down and take a break, as well as chat with other doll lovers about your purchases or dolls you have seen on the sales floor.

The Madison Area Doll Club of Wisconsin, an affiliate of United Federation of Doll Clubs (UFDC), is a non-profit organization. Profits from the event support other local and national non-profit organizations.

Mark the date: Saturday, March 23rd 2019 from 9:00 AM to 3:00 PM at the Alliant Energy Center Exhibition Hall, 1919 Alliant Energy Way, Madison WI 53713. Early Spicklers Dairy Delivery Wagon Brings \$30,000 at Chupp Auctions in October

Article & Photos by Chupp Auctions

Among the fantastic treasures were 275 lots of weathervanes, lightning rod balls and arrows. Weathervane figures included a running mule, eagle, rams, man riding horse and over the ball-mount rooster. There was also a rare 38"x43" hollow tin Hackney horse cupola topper or weathervane.

There was also a nice collection of 40 plus anvils, salesman sample stoves and farm machinery, horse drawn box wagons, milk delivery wagon, goat wagons and 35+ hog oilers. 400 advertising signs crossed the block including country store, farm & tractor, petroleum, dairy, seed corn and many more. All the items were in excellent

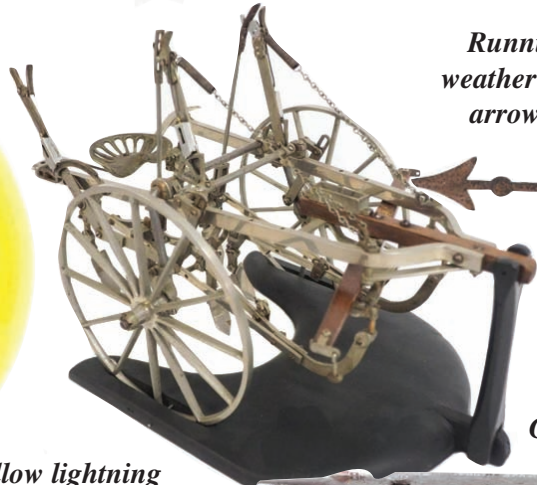

condition and bidders got to take home some fabulous items to add to their collections.

Auctioneers Lyle & Devon Chupp called for bids on other great pieces including farm primitives, ice harvesting tools, butter churns, toys, coins, corn shellers, cast iron seats, cast iron banks, early ornate andirons, early bikes and Hudson Bay blankets.

Antiques School Releases List Of Top Sellers For 2017

The latest results from the Asheford Institute (a professional-level distance learning program on antiques, collectibles and appraising), recently published its annual survey of top buying trends within the antiques and collectibles community this past week.

The Institute, which has been conducting the industry related survey for over six years now, released its latest trending data on decorative arts sales for 2017 via a dedicated page on the school's web site. The survey, which focuses on compiling and grouping information related to customers buying habits over a twelve month period, came about as a result of strong interest from readers requesting updates from previous surveys, said current Director of the Institute, Charles Green. He went on to note that there were some interesting changes in the poll results this year. "Our questionnaire has become more detailed, resulting in answers that are more period and genre specific. We're really able to drill down now into the types of antiques and vintage items that are actually selling well within a 12 month period." Green also acknowledged that the increase in poll-participants (up 15% over last year), had led to more accurate survey numbers in regard to particular sales categories. "More data has simply given us better survey results," said Green.

The school's lead Poll Researcher, Tony Frey, echoed Mr. Green's sentiments and went on to say that the main goal of the Institute's survey was to provide meaningful analysis of measurable interest in current trends within the antiques and collectibles marketplace, based on actual sales results and requests for specific items from vendors.

Frey, who has worked on all six of the school's past polls, noted that while the survey was based on a general series of questions, and did not employ any standardized formulas, the overall results were still very revealing when looked at as a whole. "The shift in what's considered collectible is continuing to change, and at a more accelerated pace than ever before," said Frey. "For the last few years it's been Mid-century modern, but this year we're beginning to see some cracks in that crown."

Some of the other highlights from the poll included a resurgence of all things Western. "We're seeing a revitalized interest by the public in literally anything related to the American past and particularly the wild, wild west" said Frey. Other top sellers on the school's list include a few industry standards such as Star Wars items, space related toys from the 1960's and 70's, as well as automobilia and related mechanical items. Frey noted that just as in past polls, the most visible movement in collecting genres was being reported by younger dealers, who indicated that consumer tastes seemed to be trending towards virtually anything related to the latter half of the twentieth-century. "The reality is the younger collectors are the one's moving the ball forward now," said Frey, "the rest of us just appear to be along for the ride."

For readers wanting to view the full results of the Institute's survey, you can find them online at: <http://www.asheford.com/2017-survey-results.html>. For more information about the school's antiques and appraisal course, they can be contacted at: (877) 444-4508, or you can write to them at; the Asheford Institute of Antiques 981 Harbor Blvd., Suite 3, Dept. 275BNV8 Destin, FL 32541-2525 (Canadian Office: 131 Bloor Street West, Suite 200, Dept. 124BNV8 Toronto, ON M5S 1R8).
