## Strong Prices at Cady Auction Gallery & Appraisal's 2012 Fall Consignment Auctions

*Article & photos by Cady Auction*

Cedar Rapids, Iowa: Cady Auction Gallery & Appraisal's 2012 fall consignment & estate auctions had variety and featured some unique and desirable items. Each auction was generously attended by in-house and on-line bidders. The Cady Auction crew is always there to assist buyers before, during and after the auctions. "We are proud of our staff," stated Mike Cady, owner & President, "We do not utilize them as 'yeppers' since we feel that yeppers can cause confusion. Our floor manager, Lora, organizes the lots to be sold in order, our 'Vanna's' show the bidders the items that are being sold & assure the high bidder receives what they won. Our Internet facilitator, Amanda, does an excellent job accepting bids via the Internet and if possible is happy to answer any of their messaged questions."

## Two Days of Fun at Zurko Promotions Grayslake Antique & Collectible Market

*Article & photos by Brian Maloney*

The Lake County Fairgrounds in Grayslake, Illinois. It's impossible to say the name without thinking about the Grayslake Antique & Collectible Market that's made its home there for more than thirty years. Zurko Promotions has been running the show for a good part of that time, and the event is still going strong, with hundreds of vendors exhibiting at each of the two-day monthly shows. The recently renovated Lake County Fairgrounds facility makes antiquing easy, with all the dealers set up in and around the climate-controlled 65,000 square-foot Grand Exhibition Hall – and with acres of free parking to boot.

How about this weather, personally, I am enjoying it. I could do without the cold, but prefer that over the snow. Seems everyone is getting anxious for spring to be outdoors at an auction's. I know it could be worse and it is in other places. Our hearts go out to those who have been through so much with the weather last year.

We want to Thank everyone again for all your patience with the changes we had over our holiday break. Our new employee's commented how everyone has been so understanding. Tom is learning auctioneer's names and adjusting to being the only male in the office, he is always cheerful and likes to give us ladies a hard time to keep us on our toes. Lynn has finally found the perfect job setting for her and has already made her space her own with family and pet pictures and has two monitors surrounding her.

Brandon's first tournament win in his 3 year hockey career. He talked more about how players on the team played & how proud he was of how they played, then how he played. He enjoyed the fact that the coaches sprayed them with Sparkling Juice after in the locker room. He thought that was awesome.

# Lake County Fairgrounds Hosts Massive Monthly Grayslake Antique Market

*Article & photos by Brian Maloney*

Hundreds of dealers from several surrounding states can be found at each Grayslake Antique & Collectible Market. At this December edition of the show, Chicago Pinball was among the most popular among them, offering restored arcade machines from classic mechanical pinball machines to the early hybrid and electronic models. Some were surprisingly affordable too, with prices starting at under \$800.

Things couldn't have looked more different than at the nearby display of James Tamraz, purveyor of all things military. Vietnam War-era memorabilia filled much of the booth, but he brought much more – my favorite an authentic Chicago Police Department riot helmet (\$200) used in the infamous 1968 National Democratic Convention melee.

Vintage furnishings more your thing? Look no further than Picker's Place, where the swingin' '60s are always in vogue. Bargains there ranged from traditional 19th century walnut pieces to a great chrome & smoke Lucite dinette set sale priced at only \$225! In fact, your decorating options here at Grayslake are almost unlimited - from high-end Victoriana at 4 Ever Lookin' Antiques, to Mid-Century Modern lighting at 29 Palms, to industrial design at several local vendors. And remember, the next Grayslake Antique & Collectible Market is only a month away!

With over three-dozen antiques shows & markets each year, plus dozens of auctions of all kinds, you'd be hard pressed to find a weekend without a Zurko Promotions happening going on somewhere in the Midwest. "It all started back in 1969," Bob Zurko told me, "that was the year I held my very first antiques show, at the V. F. W. Hall in Chicago Ridge, Illinois." A few years later, Zurko made the move to Shawano, Wisconsin, and Zurko Promotions started in earnest.

The still-popular Shawano Flea was born soon after, held every Sunday from April through October at the Shawano County Fairgrounds. Of course, the Shawano Flea Market is now just a small part of the Zurko Promotions line-up. Their famous Wheaton, Illinois Antiques Market, now held on the third Saturday of each month at the DuPage County Fairgrounds, has long been recognized as one of the best indoor-outdoor antiques markets around. The show is now a year-round event, continuing right through the winter! Be sure not to miss the famous All-Nite Wheaton Markets, held each August and October.

That same DuPage County Fairgrounds is now also home to one of Zurko Promotions newer events: the Chicagoland Civil War Show & Sale. Held twice each year, the show features hundreds of tables of military memorabilia from the Civil War, Revolutionary War, and more. And don't forget this venerable Grayslake Antique & Collectible Market, held on the second weekend of every month except July.

There are countless more Zurko Promotions events as well - from the Eagle River, Wisconsin Antique & Collectible Market (held in conjunction with Wisconsin's Cranberry Fest on October 5th), to antique & flea markets from Antigo, Wisconsin to Centreville & Berrien Springs, Michigan.

With shows on nearly every weekend, you'd think there would be little time for Bob Zurko to indulge in his one of his favorite pastimes: auctioneering. You'd be wrong though, for Zurko Promotions still conducts numerous auctions each season at their Shawano auction facility, housed in the town's restored Community Hall.

For more information, just call 715-526-9769 or visit [www.zurkopromotions.com](http://www.zurkopromotions.com). And as always, keep an eye out for listings of all of the Zurko Promotions events in the Auction Action Antique News!

*I found this streamlined pair of 9" Art Deco lamps at 29 Palms, priced at \$350 for both. 815-721-0554*

*One local vendor had felt penants to spare, from this classic 1934 Chicago World's Fair example (\$55) to this (who knew) 1948 Wisconsin Centennial Exhibition one, asking price \$75.*

*No, you're not seeing double, it's just identical twin antique dealers Laura Berger (left) and Linda Richmond teaming up with a great selection of vintage jewelry, fashions, and more. Laura offers complete estate sales services in the Milwaukee area too, just give her a call at 414-466-4000.*

*From antique to Mid Century Modern to Industrial Design, there were furniture bargains from one end of the Lake County Fairgrounds Expo Hall to the other.*

## Antiques Abbreviations

*by Mike Paul*

A while ago a reader asked about explaining some of the abbreviations they encounter in auction ads. This got me thinking about the abbreviations auctioneers use and why we use them. After a phone call to Gloria I offered to put together a listing.

By definition, an abbreviation is a shortened form of a word or phrase used for brevity. Within context and reason it identifies certain aspects of a piece to the buyer without needlessly going into detail. A lamp buyer will know what a "bracket lamp" is. It's unnecessary to say, "Victorian cast iron wall bracket with mercury glass reflector, chimney & drop in finger font". Most auctioneers use abbreviations in order to keep the size of the ad affordable. However it can be too much of a good thing and some of the more arcane descriptions can confuse or mislead the reader. To a person who collects a particular category most abbreviations in that category are readily recognized. To anybody else they are probably gibberish. Even a novice farm toy buyer won't need a three day weekend to decipher IH, McD & JD. WWI & WWII are obvious but would most folks recognize CW (Civil War) out of context? Coins, firearms, Hummels (152/A TMK3 UB K255 HB, anyone?) and other categories all have their own abbreviations that often are exclusive to that field. But if you are a glassware buyer does it really matter if you can't translate a 28g, o/u, d-bbl, ss w/syn stock and vr?

Some descriptions, while not technically correct, get the point across. For example "Jewel T", (which is short for Jewel Tea, a grocery chain) takes up less space than "Autumn Leaf", (a pattern name for china offered as a premium by Jewel Tea). This may seem like a trivial difference but similar descriptions over several publications begin to add up.

A listing that encompassed all of the collecting fields would be more of a project than I can take on but the following abbreviations should get you through most ads for antique auctions. If you have others you'd like to add to the list or that you've wondered about, please email them to me at [mike@paulauction.com](mailto:mike@paulauction.com).

**A&C** - Arts & Crafts. Refers to the style of furniture usually associated with early 1900s Stickley. Often but erroneously referred to as Mission or Prairie.

**ABC** - American Brilliant Cut. Refers to the "Brilliant" period of late 19th/early 20th century American cut glass

**B&H** - Bradley & Hubbard. A manufacturer of quality lighting and decorative accessories.

**B&W** - Blue & White. The glaze colors used on utilitarian stoneware that was often found in the kitchen.

**CI** - Cast Iron.

**COP** - Century Of Progress. Typically refers to souvenirs hauled back from the Chicago World's Fair of 1933/34. Even in the middle of the Great Depression, a lot of Wisconsinites made the trip to see the COP.

**CRS** - Somebody explained this to me once, but I can't seem to remember what they said.

**Dmg** - Damage.

**gl** - Gallon. Typically used when advertising stoneware capacity

**For Rest** - For Restoration. Don't go to the auction expecting a cream puff.

**GBCF** - Glass Ball Claw Foot. Describes the foot usually found on late Victorian parlor and lamp tables.

**GWTW** - Gone With The Wind. A style of lamp with a matching font and top globe. Correctly referred to as a parlor lamp but popularly known as a Gone With The Wind, after the movie of the same name.

**LRRH** - Little Red Riding Hood. Typically refers to the Regal China products that feature her.

**MIB** - Mint In Box. Any item, but often a toy, that is in the same condition as new and in the original box.

**MOP** - Mother of Pearl. Polished nacre usually derived from mollusk shells. Typically found in jewelry, ladies dresser articles, buttons and in the windows of RPOG art.

**NIB** - New In Box. Similar to above but often assumed to be of modern production

**NOS** - New Old Stock. Old merchandise, often with original manufacturer's tags and merchant's price tags, that has never been sold or used.

**NWOT** - New With Original Tags, but sometimes used as New With Out Tags. eBay sellers are usually guilty of using this both ways. If buying online, clarify before bidding.

**o/b** - Outboard. An outboard motor.

**OOB** - Oil on Board. Art work done on a board, usually Masonite.

**OOB** - Oil on Canvas. Art work done on canvas.

**Pre Pro** - Pre Prohibition, prior to 1920. Refers specifically to alcohol related advertising.

**Post Pro** - Post Prohibition, after 1933. Refers specifically to alcohol related advertising.

**QA** - Queen Anne. Generally refers to a 1920's or 30's revival style exemplified by a cabriole leg.

**Repro** - Reproduction. A good definition would require a separate article but you get the idea. Occasionally people will use the slang "Repop" for repro or "Repo" which is inaccurate and what happens to your car when Vinnie pulls up in a tow truck.

**RPOG** - Reverse Painted on Glass. Less common as ROG. Any item where the design or artwork has been applied to the obverse side of the glass but typically a lamp shade, decorative framed art or advertising items.

**RPPC** - Real Photo Post Card. Differentiates a post card that was printed, (developed) off your film from one that was commercially printed. These were so popular that Kodak marketed the 3A folder specifically for the RPPC.

**RR** - Railroad.

**RW** - Red Wing. Red Wing, or less often, the several other stoneware companies that called Red Wing, MN their home.

**/s/** - Signed.

**s/g** - Salt Glaze. Refers to the type of glaze used on stoneware and to differentiate it from the later, more common, zinc glaze.

**TOC** - Tin Over Cardboard. A type of sign made of tin wrapped over a piece of paperboard and hung by a piece of short thread mounted to the back side of the sign. Commonly used in the 1930's and 40's by brewing and other industries.

**T&S** - Time & Strike. Refers to clock movements. Differentiates between time only and striking movements.

The legendary Airstream travel trailer, with its unmistakable shiny aluminum airplane fuselage design, has been the world's most recognized RV for over 80 years—also making Airstream the oldest and longest operating producer of RVs. This book is the first-ever to tell the remarkable Airstream success story through the unique medium of collectibles and memorabilia. The book contains some 370 pictures (both color and black-and-white) of more than 425 separate pieces of Airstream memorabilia from the authors' collection, including an amazing group of 285 postcards. Many items shown are quite scarce, and some are truly rare. The book begins with a foreword by Rich Luhr, the Editor and Publisher of Airstream Life magazine. Topics covered include Airstream history, advertising, rallies, international connections, look-a-likes, art, and humor. The unique approach taken here makes this book both an invaluable stand alone resource for information and a source of good old-fashioned entertainment. This book is also a price guide that provides an estimated value for every piece of memorabilia displayed.

# Unique & Desirable Items Cross the Block at Cady Auction Gallery's Fall Consignment Auctions

*Article & photos by Cady Auction*

Cady Auction held an Antiques & Collectibles auction on August 25th, there was something for about any collector. The star was a 1938 Gibson ES150 electric guitar, which sold for \$2400 after a hard fought battle by bidders. (All results do not include buyer's premium.). See photos for more results.

During the weekend of September 22 & 23, 820 lots including 105 guns, ammunition, military items and coins, were sold to a crowd of 400 registered, enthusiastic in-house and on-line bidders. The surprises of the day were 2 WWII German helmets, a chicken wire helmet sold for \$725 and a snow camel helmet sold for \$850, and a 1882 Spencer 12 ga. shotgun sold for \$750. See photos for more results.

The October 27th Antiques & Collectibles sale offered the most talked about item.

Just in time for Halloween, an Odd Fellows ceremonial real human skeleton in its original coffin, nicknamed "Chuck" by the Cady Auction staff, was on its way to Arizona after a winning bid of \$2000. The lucky buyer was an on-line Proxibid.com bidder that wanted to draw attention to his store by displaying Chuck in the front window. This auction also featured a collection of celebrity items from an estate that was donating the proceeds to Camp Courageous, a camp for disabled children and adults located in Anamosa, Iowa. See photos for more results.

Cady Auction is the premier auction house in Cedar Rapids, Iowa. They specialize in marketing quality consignments, including estates, whole collections or 1 item. Since they are a Federal Firearms License holder, many of their auctions include firearms. Go to [www.cadyauction.com](http://www.cadyauction.com) or call 319-364-4143 for more information. Mike and Deb Cady are available to talk with you about the most advantageous way to market and sell your property.

## Excitement Building For 11th Annual Antique Sporting Collectible Show

This annual event held in Oshkosh, Wisconsin is gaining a lot of popularity with both collectors and dealers. The Oshkosh Sunnyview Expo Center is an ideal location for this show. The modern facility is spacious, bright and clean. It is an easy drive from all of the major cities, with easy access off Highway 41. There are acres of lighted and paved parking.

"At this time we are looking at around 125 dealers with about 350 tables" states organizer Dennis Gauger. The contracts have been signed, with the show to be held the 1st weekend in February through the year 2018. We feel it is important to remain consistent. Each year the show will be held the same time (1st weekend in February), the same place (Sunnyview Expo Center in Oshkosh, Wisconsin) and the same hours Saturday, from 9-4 and Sunday from 9-2.

The first weekend in February is a prime date for the show to be held. It is a sure cure for "Cabin Fever", which is just about then. We are fortunate to have many fine reputable dealers that assist in the promotion of the show each year.

Each year there is more merchandise suitable for the novice collectors. We also have many items that the general public bring in for appraisal or to sell the weekend of the show. There is an amazing number and type of items that will be bought and sold including, Decoys, Fishing and Hunting Antiques, Traps, Indian Artifacts, Wildlife Mounts, Early Advertising, Baseball and Football memorabilia, Military Items, Carvings, Wildlife Art, Archery, Outdoor Books and Literature, Knives, Golfing Items and so Much More!

Due to the quantity of merchandise, Friday is dealer set-up day. Some of the dealers with larger inventory can drive right into the building for unloading. Friday is also an opportunity for a lot of networking among dealers who will be too busy during show hours because of the heavy show traffic. We are starting to attract dealers from neighboring states due to the continued success of the show and the low cost of lodging and fine restaurants in close proximity to the Expo center. Each year there will be new promotions. Live Saturday morning radio broadcast. Last Year's free Sunday morning breakfast at the Expo Center for all participating dealers and door prizes for the general public were appreciated by all and will be continued again this year. Dealer fees will remain the same low and the general admission for the public will remain the same at \$5.00. Children will be admitted free to encourage young people to participate and start collecting for themselves. Sunday is "Ladies Day" with Free Admission for the women.

Food Service will again be on site. In addition there will be 24 hour security and surveillance cameras. Show hours are Saturday, February 2nd from 9-4 and Sunday, February 3rd from 9-2. Dealer Set-up Friday afternoon and evening and Saturday and Sunday at 7AM. Expo Center directions: just north of Oshkosh, Wisconsin off Highway 41 (Exit 124) Jackson St.

## 63rd Oregon, Illinois Antique Show March 23rd & 24th, 2013

### COME, LOOK, ENJOY & BUY THOSE SPECIAL ITEMS

The Oregon Woman's Club is proud to announce their 63rd annual antique show. Many changes have taken place during the past sixty+ years transforming a small antique and hobby show into one of the premier shows of Northern Illinois. This year is no exception, with the addition of more exhibitor booths and new dealers to this area, it is shaping up to be our largest and best show ever.

The Oregon Woman's Club, a member of the General Federation of Women's Clubs, sponsors this show as a major fund raising event and uses the proceeds to help fund various community projects and charities.

As in past years, the show will be held at the Blackhawk Center Sports Arena, located on the Oregon public school campus. The facility offers ample parking, handicap accessibility and a huge area for over 50 Midwest antique dealers to display their merchandise for sale. Quality antiques from the early 1800's through the retro era of the 1950's includes all areas of collecting - furniture, glass, china, pottery, toys, primitives, textiles, jewelry, dolls, silver, decorator items and more. You will be amazed at the selection available. There will be items for all collecting tastes and budgets.

The snack bar sponsored by the Oregon, IL, Kiwanis Club will be serving sandwiches, soups, desserts and beverages. Mary Lou's Crystal Repair from Joliet, IL, will be on hand both days to repair your damaged heirlooms "while you wait". On Sunday, Munda & Associates, Auctioneers & Appraisers, Freeport, IL, will offer verbal appraisals of your small treasures for \$5 per item. Please supply photos of large items. If a written appraisal is needed, discuss details with Munda & Associates.

Show times are Saturday 9:00 AM to 5:00 PM and Sunday 10:00 AM to 4:00 PM. Admission donation is \$6 per person, which is good for both days of the show. Door prizes will be awarded both days of the show.

Location is the Blackhawk Center, 1101 West Jefferson Street, one block south of Rt 64 (Washington Street), Oregon, IL. Watch for directional signage.

Mark your calendar for March 23rd & 24th and make plans to come enjoy the day or week-end. For additional information on area lodging and attractions visit [www.discoveroregonillinois.com](http://www.discoveroregonillinois.com). For additional information about the show or becoming an exhibitor call 815-732-2219 or 815-652-2047.

The entire show is open to the public for room to room trading on Wednesday night, March 6th and all day and night Thursday and Friday, March 7th & 8th. On Saturday March 9th, the ballroom is set up with scores of collectors and dealers displaying their wares from 8:00 am to 2:30 pm.

Decoys are always the main event at this show but there are all types of sporting collectibles available for all collectors. Items such as duck and goose calls, hunting knives, traps, wildlife paintings and prints, shotshell boxes and cartridges, all types of vintage fishing tackle and a large selection of collectors books will be on hand.

Show chairman Roger Ludwig states that last year all the tables were sold out, but this year the table area will be expanded so hopefully nobody will be turned away. To be safe, get your table reservations in as soon as possible.

## “Man’s Best Friend” February 1 & 2, 2013 At W.A.D.A. Antiques Show In Waukesha

Gathering for the 39th consecutive Winter Wisconsin Antiques Dealers Assn. Show on February 1 & 2 in Waukesha, many of the most respected dealers in the Midwest will offer fresh-to-market wares. Authenticity, condition and rarity are the guidelines for merchandise exhibited by their 50+ carefully-chosen antiques professionals.

The Wisconsin Antiques Dealers Association (called W.A.D.A. by many) was formed in 1948, making it the oldest, continually-functioning State antiques organization in America. Their not-for-profit group is dedicated to preserving Wisconsin's heritage and to providing ongoing education for their dealers and the general public – thus their free exhibit, "Man's Best Friend", a display of antique dog-related items representing 30+ years of collecting by a Greenfield,

Wisconsin resident. Their most unusual item may be a painted tin dog umbrella stand!

The Waukesha County Expo Center's Forum Building, 1000 Northview Road, Waukesha, WI 53188, is the home of this event. New show hours are Friday, 11-9 and Saturday, 10-5. In addition to the good food customers have come to expect, a Friday Night Fish Fry has been added to the menu so bring your appetite! Admission of \$6.00 funds scholarships for high school students as well as grants to Wisconsin historic and heritage groups.

A \$1.00 discount coupon is available at: <http://www.wisconsinantiquesdealers.com/> Free parking. ATM on premises.
