Coca-Cola Collectors Quench Their Thirst for Soft Drink Memorabilia at Arneson Auction Event in Deforest, Wisconsin

Auctioneer Jim Arneson (left) and Coca-Cola Collector Steve Denmeyer with the best of the signs: a 1930's double-sided lollipop sign that later sold for \$1,175.

Article & photos by Brian Maloney

Steve Denmeyer had kept a secret of sorts for much of his life. He'd been collecting Coca-Cola memorabilia since the age of fourteen, but only a few friends knew of his huge and ever-growing collection. Fast-forward a few decades and Steve decided it was time to part with the hundreds of soft drink artifacts, so he gave auctioneer Jim Arneson a call. And a few months later it was all on display in the Comfort Inn Ballroom in Deforest, Wisconsin, site of the November 9th auction. Winner of the day price wise: a classic 1930's "lollipop" sidewalk sign that sold for a solid \$1,175.

31" x 55" "Coca-Cola, Sign of Good Taste" embossed steel sign - \$490.

GBV-50 slider-type Coca-Cola vending cooler, circa 1950's-60's - \$300.

These 1960s "Coca-Cola, Sign of Good Taste" 18" x 54" embossed steel signs sold for \$425 and \$400.

Six-Hundred Lots of Coca-Cola Memorabilia Cross the Block at November 9th Arneson Auction

Article & Photos by Brian Maloney

Coca-Cola. It's one of the world's most recognized brands today, but the product took a winding road on its way to success. Concocted by Georgia native and Civil War veteran John Pemberton as a substitute for his morphine addiction, he first marketed the prototype through his wholesale druggist enterprise as "Coca Wine." When Atlanta passed prohibition legislation in 1886, Pemberton revised the formula, and the first Coca-Cola soft drink was born.

Oral partnerships between Pemberton and other local businessmen temporarily resulted in three versions of the product competing with each other, but through deaths, buyouts, and very probably some forged signatures, today's Coca-Cola Company emerged by 1889. A few decades later and the heavily-advertised product was already among the most popular soft drinks, slowly becoming the American cultural icon it remains to this day.

Not surprisingly, Coca-Cola artifacts are also among the most popular of advertising collectibles today. And the Coke-collecting attendees of this November 9th Arneson Auction surely weren't disappointed with what they found: more than six-

hundred lots with no reserves - 100% of them Coca-Cola-related.

There was no doubt as to the prize of the sale, a 1930s double-sided "lollipop" sidewalk sign complete with its cast iron Coca-Cola base. In-house bidding quickly took the sign to its \$1,175 hammer price. Three super-clean 54" embossed "Coca-Cola, Sign of Good Taste" signs all did well too, the best fetching \$490. Other auction highlights included a whole row of portable Coca-Cola coolers, plus a way-cool Coca-Cola go-kart that drove off for \$370.

In a few short hours, it was all over. The efficient Arneson Auction crew had all six-hundred & thirty-two lots sold and everybody packing up their newest treasures. Auctioneer for the day was Jim Arneson. Arneson Auction Service is one of the Badger State's oldest auction firms, founded by Ray Arneson way back in 1937. They now conduct over one-hundred antique, collectible & specialty auctions per year throughout the upper Midwest. Second-generation auctioneer Jim Arneson brings plenty of experience to each auction - he first started working at his father's auctions at age six! Arneson Auction service can be reached at 715-743-7035, or through their Website www.whats4sale.biz. And as always, be sure to look for all of their upcoming auction listings in the Auction Action Antique News!

Antique Vintage Handkerchiefs Fun To Collect And Use

By Shelby Weister, Four Seasons Antique Mall

Handkerchiefs have been around for centuries, but in the 1920's, Kleenex tissues began to take their place. A hanky became an inexpensive accessory for an outfit and the perfect "Christmas gift for a friend or relative because you didn't need to know the size to purchase. Also they were a special gift easy to enclose in a card and mail.

Today, many ladies carry or tie them on their purses or put them in the cuff of a blouse so they are handy when needed. The distinguishing features of handkerchiefs are patterns and designs. They come in many styles, colors and shapes. Many animals, such as dogs, appear o handkerchiefs, while floral ones are plentiful.

Children's hankies depict cartoon characters or nursery rhymes. In the 1930's, many children went to school with a handkerchief pinned to their clothing.

There are designer handkerchiefs, and some are signed like works of art. Though they were mass produced, you'll be able to recognize the style of a particular artist even if the handkerchief isn't signed.

History and patriotism is a way of learning of a handkerchief's age or time span. the red, white and blue hankies represent the armed forces and instill patriotism in the wearer. Many military personnel purchased hankies as gifts for loved ones. "Remember Pearl Harbor" is one of the most poignant of all the hankies. After World War II, gas rationing stopped and many people took to the road for vacations. No item was a better souvenir than a handkerchief - inexpensive and small.

Most handkerchiefs are cotton or linen and most have hand-rolled edges. There are also some that are silk.

To bring your handkerchiefs back to a nice condition, try to remove stains by soaking them in Oxy Clean or use cold water with hand soap. Always rinse thoroughly and never squeeze or wring it dry. Lay the handkerchief flat on a towel to dry and then iron it and store with acid free paper between each handkerchief.

Lace, crocheted and tatted handkerchiefs are very nice for special events, such as confirmation or first communion. For a wedding, a handkerchief can meet the need for something borrowed, blue, old or new.

Great American Folk Art Items Are Unique, Limited & Very Collectible

article & photos by
Midwest Decoy Collectors Association

Sporting collectibles can come in many forms. Hand made and painted, these items are delightful to see and cheery, they are great for decorating with whimsy.

Folk Art hand carved items created across the mid-continent from Minnesota to Pennsylvania.

Great American Folk Art items are unique, limited & very collectible. Hand carved from Grandpa in the garage in the winter typically in the winter when you couldn't work on the farm.

For example shorebirds, they are all different & people like them because they are reminded of walking on the beach & nice weather.

Geese are always very popular & are carved in all regions. Great for that fireplace mantel, patio or the cabin in the woods.

Collectors Trade Show - Serving Clubs and Collectors

The "Collectors Trade Show" on the Collectors.Org website is designed to serve the needs of both collecting clubs and collectors, offering aisles of vendors featuring products and services of interest to collectors and to the leadership of collecting clubs.

Collectors.Org is the official website of both the National Association of Collectors(NAC) and the Association of Collecting Clubs(ACC). ACC works with over 2400 collecting clubs on six continents. NAC is for individual collectors, identifying and addressing those needs and concerns that are common to all collectors.

The Collectors Trade Show can be reached directly at:
<http://tradeshow.collectors.org>

Collectors will find vendors offering everything from shipping supplies to display cases...alarm systems to price guides...collector software to training courses...appraisal or restoration services and much more.

The leadership of collecting clubs will find vendors with customized logo merchandise, membership incentives and club management tools, event planning, convention sites or meeting facilities, printing options and internet services.

Other aisles feature auction houses, antique malls and galleries, collectibles shows, flea markets, and specialty aisles for specific types of collecting.

The Collectors Trade Show is always open...7 days a week...24 hours a day. Many vendors offer collectors special discounts if they are a member of an ACC member club or an NAC member.

A potential vendor wishing to have a display booth in the Collectors Trade Show can get information by contacting ACC/NAC at: info@collectors.org or 301.926.8663. A display booth can feature your full line of products or services with direct links to your own website. A booth costs \$100/year and includes development of the booth based on your own website or materials provided - at no additional cost.

Excitement Building For 12th Annual Antique Sporting Collectible Show

This annual event held in Oshkosh, Wisconsin is gaining a lot of popularity with both collectors and dealers. The Oshkosh Sunnyview Expo Center is an ideal location for this show. The modern facility is spacious, bright and clean. It is an easy drive from all of the major cities, with easy access off Highway 41. There are acres of lighted and paved parking.

"At this time we are looking at around 125 dealers with about 350 tables" states organizer Dennis Gauger. The contracts have been signed, with the show to be held the 1st weekend in February through the year 2018. We feel it is important to remain consistent. Each year the show will be held the same time (1st weekend in February), the same place (Sunnyview Expo Center in Oshkosh, Wisconsin) and the same hours (Saturday, from 9-4 and Sunday from 9-2.

The first weekend in February is a prime date for the show to be held. It is a sure cure for "Cabin Fever", which its just about then. We are fortunate to have many fine reputable dealers that assist in the promotion of the show each year.

Each year there is more merchandise suitable for the novice collectors. We also have many items that the general public bring in for appraisal or to sell the weekend of the show. There is an amazing number and type of items that will be bought and sold including, Decoys, Fishing and Hunting Antiques, Traps, Indian Artifacts, Wildlife Mounts, Early Advertising, Baseball and Football memorabilia, Military Items, Carvings, Wildlife Art, Archery, Outdoor Books and Literature, Knives, Golfing Items and so Much More!

Due to the quantity of merchandise, Friday is dealer set-up day. Some of the dealers with larger inventory can drive right into the building for unloading. Friday is also an opportunity for a lot of networking among dealers who will be too busy during show hours because of the heavy show traffic. we are starting to attract dealers from neighboring states due to the continued success of the show and the low cost of lodging and fine restaurants in close proximity to the Expo center. Each year there will be new promotions. Live Saturday morning radio broadcast. Last Year's free Sunday morning breakfast at the Expo Center for all participating dealers and door prizes for the general public were appreciated by all and will be continued again this year. Dealer fees will remain the same low and the general admission for the public will remain the same at \$5.00. Children will be admitted free to encourage young people to participate and start collecting got themselves. Sunday is "Ladies Day" with Free Admission for the women.

Food Service will again be on site. In addition there will be 24 hour security and surveillance cameras. Show hours are Saturday, February 1st from 9-4 and Sunday, February 2nd from 9-2. Dealer Set-up Friday afternoon and evening and Saturday and Sunday at 7AM. Expo Center directions: just north of Oshkosh, Wisconsin off Highway 41 (Exit 124) Jackson St.
