Forty-Three Years of Fun at the Massive Olmsted County Gold Rush Antique Show & Market

Article & photos by Brian Maloney

August 14th through the 16th were important dates in Rochester, Minnesota, for they marked the weekend of the massive Olmsted County Gold Rush Antique Show & Flea Market. Now in its forty-third season, Gold Rush fills the fifty-two-acre Olmsted County Fairgrounds with antiques and collectibles - often with well over 1,000 dealers. Show promoters Richard & Kae Townsend have been running Gold Rush for the past twenty-five seasons, but have a much-longer association with the venerable event. They were among the dozen-or-so dealers at the very first Gold Rush Show way back in the early 1970's!

“Asparagus Man” Donations Keep Good Company

64th Fall Wisconsin Antiques Dealers Association Show

Lends Assist to Friends of the Wisconsin Historical Society

Oct. 2 & 3, 2015, Waukesha

Article & photos by Debbie McArdle (Friends of the Wisconsin Historical Society)

Anyone familiar with Wild Rose, Wisconsin, will remember it is as a tiny, picturesque town, smack dab in the middle of the state. If you ever traveled down County Highway K between 1947 and 1975, you may have encountered the tiny one-bedroom farm home of Adam and Anna Berg with signs “Odd Job Work” and “Asparagus” hanging on the clapboards. Adam had just retired as a Chicago cab driver in 1947 when he and Anna made Wild Rose their home, selling asparagus and charging 10-cent admission to their art gallery to generate a small cash income. He became known locally as the “Asparagus Man”. A self-taught folk artist, Berg believed isolation from the cultural mainstream allowed him to develop a technique to “carve” his paintings using the medium of oil. By adding multiple layers of oil paint over a period of years, he transformed his paintings into low reliefs up to 1/2” thick. Here, in his primitive Wild Rose surroundings, he traded his Chicago cab for a used bicycle, never owning an automobile again. He and Anna lived without modern conveniences, including running water (except a hand pump

Adam Berg's monumental 60” x 48” “Heaven on Earth” (completed in 1963) will be offered for sale for the first time in 38 years at the Friends of the Wisconsin Historical Society's April 2016 auction! It is a modern-day “Peaceable Kingdom”, displaying everything good that is given to us - including a wedding!

at the kitchen sink), so that he could pursue what he believed was his destiny - to paint in a manner no one had seen before.

Berg described “Heaven on Earth”, (completed in 1963 after five years of paint layering), as “the masterpiece of his life's work”. He died in 1975. This most impressive work, purchased in 1973 for \$2,300 (more than \$13,000 in 2015 dollars!) was generously donated (along with several other Berg works) to the Friends of the Wisconsin Historical Society for their 2016 “30th Star Benefit Antiques Auction” and was subsequently on display at the February, 2015 WADA show in a free booth pro-

c1830 Windsor rocker, original paint and stencil.

vided by the members of the Wisconsin Antiques Dealers Association.

Berg's folk art created quite a stir at the February WADA antiques show, spurring other donors to come forth with incredible donations. Now the “Asparagus Man” paintings are keeping good company with other worthy objects; a circa 1830 Windsor rocker in original paint, scales, buggies, commemorative flow blue, spinning wheels and much more.

On Oct. 2 & 3 in Waukesha the Wisconsin Antiques Dealers Association is again providing the Friends of the Wisconsin Historical Society with a free booth at the antiques show where volunteers will accept tax-deductible donations of antique and vintage items for the April 2016 auction. Tax deductible receipts will be provided to each donor. In addition to the free booth space at the show, WADA has provided their fourth grant to the Friends of the Wisconsin Historical Society as founding & continuing sponsors of the “30th Star Benefit Antiques Auction”. WADA is a not-for-profit organization and the admissions charged at their Waukesha shows fund such grant and scholarship programs. See <http://www.WisconsinAntiquesDealers.com> to learn more.

Carol Miller of Bailey's Honor Auction Service in Oconomowoc has once again volunteered to call the auction. You can follow her may auctions throughout the year at <http://baileyshonor.com/>

For questions about the 2016 “30th Star Benefit Antiques Auction” or to make a donation of an antique or vintage item, please contact Riene Wells at 262.363.4700, info@eagle-house.com or Debbie McArdle at 815.575.1272, jjm-card@comcast.net.

Volunteers will be on hand February 6 & 7 to accept tax-deductible antiques and collectibles for the “30th Star Benefit Antiques Auction”.

The fascinating collectibles in Paper Empires: 100 Years of German Paper Soldiers (1845 - 1945) by Rafael de Francisco Lopez brought history to life for a generation of children can can do the same now.

These paper cut-outs developed from toys into a historically important reflection on the German military and social classes from the early nineteenth to the early twentieth century, culminating in their proliferation during the rise and reign of the Third Reich. They make it possible to take a tour through German military and political history, from the Battle of Jena-Auerstedt in 1806 right up to the Maginot Line in 1940. These German paper soldiers, or papiersoldaten zum ausschneiden are, without a doubt, unique visual images that, nowadays, are similar to archeological artifacts, which are very hard to find on the market. Even today, the number of preserved or catalogued images in German museums is very small, so this book, showing thousands of figures in 173 color images, is a an essential collection.

Out & About

It has been a beautiful week here, the sun has brought smiles and cheer to my co-workers. We have a co-worker's wedding in two weeks and hope that the weather continues to be beautiful for that day.

I hope for California they receive the cooler weather that has been predicted for them. To help the firefighters out, and to protect the sequoia trees. Back in the days when Bob and Jeni traveled, they saw the trees at Sequoia National Park. The pictures of the trees were beautiful and enormous. Mom and dad had a wonderful time during that trip with lots of adventure and many stories to tell.

Minnesota's Olmsted County Fairgrounds Hosts 43rd Annual August Gold Rush Antique Show & Market

Article & photos by Brian Maloney

Although the show got started in the nearby town of Oronoco, for many years it has made its home in Rochester. The town is best known, of course, for its world famous Mayo Clinic. Founded in the 1880's by Dr. William W. Mayo after the great tornado of 1883 destroyed much of the town and wounded thousands, the Mayo Clinic is today among the largest and most well-respected medical facilities in the world. Many famous people, including former Presidents George H.W. Bush, Gerald Ford, and Ronald Reagan, have visited Rochester as patients of the Mayo Clinic.

The city of 100,000 citizens is now centered around the clinic. Be sure to visit its unique downtown shopping district, with overhead skyways and underground walkways (known as subways), where shoppers can access most businesses in climate controlled comfort year-round.

And in its two generations of operation, the Olmsted County Gold Rush Antique Show & Flea Market has gained fame of its own. From humble beginnings back in the 1970's, the show has now grown into one of the largest indoor/outdoor antiques events anywhere - with often more than 1,000 dealers from around the U.S. and beyond setting up for both of the scheduled summer shows.

Richard and Kae Townsend, promoters of the Olmsted County Gold Rush Antique Show & Flea Market, have been in the antiques business for much of their lives. "We know what it's like to be an antiques dealer" said Richard, "Kae and me were dealers at the very first Gold Rush Show forty-three years ago. But now that we're running the event, we're here to serve the dealers. We try to make their stay here as trouble-free as possible. Many stay at the dealer's campground adjacent to the show, complete with full hook-ups and other amenities."

Richard navigates the fifty-two-acre fairgrounds by golf cart, and knows hundreds

of the dealers by name. "In some of the buildings, nearly every dealer has had occupied the very same spot since we took over the show twenty-five years ago," Richard told me. "I'm sure that the good attendance has a lot to do with the loyalty of the dealers. We'll often draw over 40,000 shoppers over the course of a weekend, and have had more than 30,000 folks come on a single day."

Admission is always free, and parking only \$5. And although Saturday and Sunday are the most popular days to visit the Olmsted County Gold Rush Antique Show & Market, everyone is welcome on Friday - set-up day - to shop as the booths take shape. You may find some early bargains then, but Richard said to be sure to come back on Saturday or Sunday as well, to see what the late-arriving dealers have to offer.

It may be called an "antique show & flea market," but the show is unquestionably geared towards antiques and collectibles. "It's probably 90% old stuff here at the show" said Richard. "You can find items ranging from five cents to \$5,000 - whatever your tastes and pocketbook can handle."

If you missed the August edition of the Olmsted County Gold Rush Antique Show & Flea Market, you won't have to wait long for another great Townsend Promotions event: their Cedar Rapids Antique Show is right around the corner, happening at the Hawkeye Downs Expo Center in Cedar Rapids, Iowa on October 9th through the 11th. And you can now get your antique "fix" all winter at Townsend's monthly Rochester Antique Market. It's held indoors at Rochester's Mayo Civic Center - with the first shows of the season this November 1st and December 6th.

For more information about all of their events, Townsend Promotions can be contacted by phone at 507-269-1473, or through their website www.iridescenthouse.com. And as always, keep an eye out for all of Townsend Promotion's upcoming events in the Auction Action Antique News!

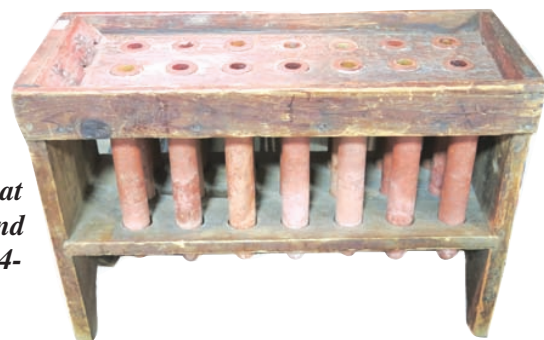

Local Toy buff Toys for Boys showed up with some great vintage bikes, like this motorized 1948 Whizzer Pacemaker (\$1,800) and girl's Western Flyer priced at \$850. 507-285-1243

Classic Americana is always in style at Colleen Frese Antiques, where I found this rare wood & red ware pottery 14-candle mold, asking price \$1,495. 319-360-4301

Steelcraft airplanes at Toys for Boys included a super-clean Army Scout Plane, plus this 1930s Lockheed Sirius racer priced at \$1,150. 507-285-1243

Classic American furniture (like this Wisconsin-found folk art cupboard, \$2,950) cupboard)

is a mainstay at Thomas Rawson Antiques, but I also found this funky 1920s Iowa-found sheet iron goose decoys there too, asking price \$175 each. 319-364-8943

Two colorful embossed steel signs from Square Nail Antiques: the Stern Brau Beer (Belleville, IL) example priced at \$350, the Chesterfield Cigarette sign at \$140. 309-521-8354

Country accessories from Square Nail Antiques included this Enterprise tabletop coffee mill (\$895) and 30" Shaker slat basket priced at \$400. 309-521-8354

Early lighting was the focus at Missouri's Hauke Antiques, where sat this wonderful late 18th century wooden double candle stand priced at \$1,825. 573-486-0254

Two early American lighting devices from Hauke Antiques: the 18th century forged grease-fat lamp with penny feet priced at \$775, the "bird-cage" tin candlestick at \$435. 573-486-0254

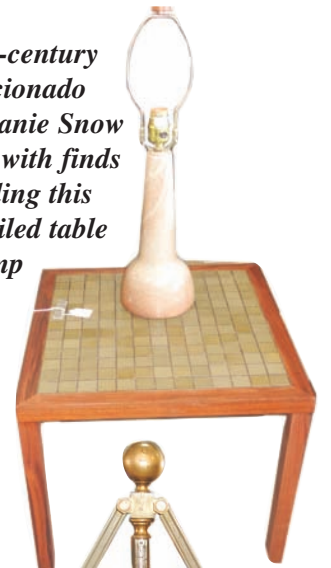

Jerry and Ruth Grandbois have been bringing a huge selection of restored vintage telephones here for more than twenty years. You can get refurbished pay-phones starting around \$200, or authentic crank-type models (with modern touchtone keypads hidden inside) for \$300 to \$400. 507-932-3398

My furniture pick from Amity Marketing's large furniture inventory: this exceptional 1940s kubb stool, made by noted Minnesota carver Halvor Landsverk & priced at \$2,265. 701-899-1655

Mid-century aficionado Stephanie Snow came with finds including this

Martz/Marshall Studios tiled table (\$250) and Martz table lamp priced at \$165. 507-424-3226

North Dakota's Amity Marketing came with some choice 19th century Scandinavian immigrant pieces, my favorite this 24" trunk with a "Amerikans Union St, Paul, Minisota" address on the exterior, and a nice robin-egg blue interior - \$425. 701-899-1655

At the eclectic Frank's Specialties, the inventory ranged from an elegant 20" Amphora figure to a swingin' 60s Speidel watchband store display. 929-858-9122

You never know quite what you'll find at Ted Slaton

Antiques & Art, from a way-cool 1920s Electrochef electric range in mint green (\$1,100) to an extra-clean Mobo Bronco toy complete with manual - \$550. 608-792-5470

From Frank's Specialties, a spectacular custom-made 1890s German desk clock & barometer made for the president of a steam engine company - \$5,000. 929-858-9122

Spectacular period art glass and silver awaited at Grape & Cable, where shoppers found gems like this 6" Wave Crest "egg crate" enameled Opal Ware box, asking price \$950. 630-399-6312

Period cast iron from Rory Evans Antiques: the sitting camel tie rack priced at \$425, the Bradley & Hubbard parrot doorstop at \$285. 913-708-2497

Exhibitor Ted Slaton hams it up with larger-than-life Green Giant & Sprout store display figures, asking price \$400 for the set. 608-792-5470

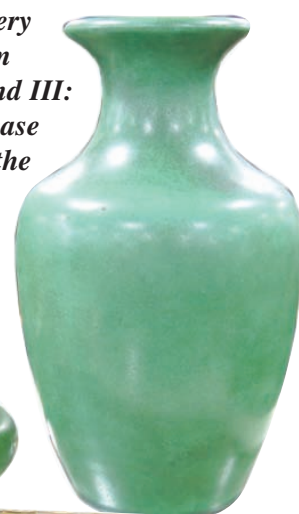

Art pottery collector William Bilsland III came with hundreds of examples, including these early 7" Haeger Pottery Art Deco vases priced at \$65 (pink) and \$185 for the celadon version. 714-328-7219

From Schoolmaster Antiques, a pair of 24" display mannequins wearing a variety of athletic & medical support devices, used by drug stores in the 1940s or 1950s - \$1,250 and \$1,150. 608-356-1017

Two art pottery classics from William Bilsland III: the 8" Teco vase priced at \$750, the tiny 3" Grueby Faience squat vase at \$650. 714-328-7219

Another advertising rarity at Schoolmaster Antiques: this 19th century Van Stan's Stratena Glue store display in marvelous condition & complete with advertising card - \$950. 608-356-1017

My pen shows the size of this 19th century English exhibition knife made by George Shadford Lee to advertise his skills, with a tintype of the maker inlaid right on the knife. I found it at Schoolmaster Antiques - price tag \$22,000. 608-356-1017

Two more vintage finds from Wisconsin's Beanpot Antiques: the boxed 1916 Animate Toys Baby Road Builder set priced at \$675, the Poll-Parrot Shoes store display at \$495. 608-385-3609

National Autumn Leaf Collectors Club

We love and collect the famous Autumn Leaf pattern, one of the most-popular vintage china patterns in America. The many and varied dinnerware pieces, produced by the Hall China Company, were sold door-to-door by Jewel Tea Company salesmen for many years. Numerous accessory pieces, including metal, paper, plastic, cloth and glass items were also offered.

These beautiful dishes were often the centerpiece of family dinners and bring back many wonderful memories of our mothers, grandmothers, aunts or neighbors. Special memories of helping Grandma make pudding in the custard cups, setting the table with Mom's "good dishes," or smelling the wonderful aroma of fresh coffee and tea that was delivered directly to our homes continue to remind us of many happy times with our loved ones.

The NALCC offers a full-color newsletter six times per year, special commemorative Autumn Leaf items, many options for adding to your own collection, an Autumn Leaf Price Guide, a popular National Convention with an Autumn Leaf/Jewel Tea Show & Sale, Autumn Leaf Auction and much fun and fellowship with collectors from across the United States. If you haven't already joined us, do it today!

We encourage you to become a member of the National Autumn Leaf Collectors Club®. Additionally, you may know someone who collects Autumn Leaf chinaware and wish to gift an NALCC membership for that person. Our annual membership fee is \$30.00. We welcome and introduce our new members through our newsletter. Visit: <http://www.nalcc.org>

Cookie Cutter Collectors Club

The purpose of the Cookie Cutter Collectors Club is to share information with others who are also interested in cookie cutters and related items. We research, record and share data with each other regarding the history of cookie cutters. We get together periodically to discuss our favorite topic and show and swap cutters but mostly we enjoy the friends we've made and have lots of fun! There are a number of regional cookie cutter collectors groups all across the country that also have meetings and new groups or new members are always welcome. The club has a facebook page for keeping up with each other and the latest discoveries in cookie cutters. Every two years we have a 3 day convention in a location determined by the presiding president. We put out a quarterly newsletter and a yearly membership cookie cutter made exclusively for our members. There is also a National Cookie Cutter Historical Museum in Joplin, Missouri, that is open to the public. And each year we sponsor an exclusive Cookie Cutter Week cutter that is available to members for purchase.

Become a
Member of our Club. . .

Club dues are \$25 a year. You will receive the quarterly newsletter Cookie Crumbs, and a collectable signed, dated membership cookie cutter. You may join any time during the year but our membership year runs January 1 through December 31 and you will receive all the newsletters and cutter for the year that you join. DONLEY AUCTION SERVICES AND KRAFT AUCTIONS PRESENTS THE CADILLAC COLLECTOR CAR AUCTION OF THE CENTURY!

Auction features approximately 500 1920's-1990's vehicles including over 200 Cadillacs to be sold at NO RESERVE!

October 2nd and 3rd 2015 Roscoe, Illinois (near Rockford, IL)

"Rusty Gold" Collector Cars

They might not appear impressive to the general public but collectors and rehabbers will positively jump for joy at the opportunity to buy the autos in the "Rusty Gold" Auction. Scheduled for the first weekend in October, the "Rusty Gold" Auction features over 600 vehicles from the collection of Lew Lazarus.

Lazarus is the general manager of Collector Cars, Ltd. It is a family owned business that will continue to thrive for many years. However, they are anticipating the arrival of new cars and have run out of room to put them! Therefore, they are clearing up space in their lots by auctioning off their lifetime collection of cars. The Lazarus family has been in the auto business for 102 years.

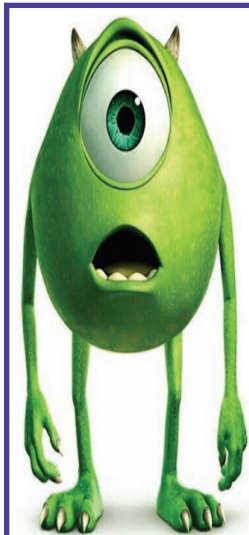

Starting in 1913, Lew's father operated a GM dealership. He ran it until he died 60 years later. The family continued with dealerships in Forrester and Oregon, Illinois. Owning the dealerships gave the Lazarus family many opportunities to collect cars. Lew, himself, has been featured in many articles over the years.

The "Rusty Gold" Auction will include a '25 Flint, a '41 Packard coupe with dual side mounts, a '41 Packard limo Le Baron body - 1 of only 7 ever manufactured, a '49 Cadillac convertible and a Henney World War II military ambulance. In an unprecedented event, 2 other Henneys will also be sold at this auction. A '70 Cadillac Calais once owned by George Barris, an auto customizer who designed the original Batmobile is in the auction. Over 100 vintage Cadillacs, many other vehicles, advertising, pumps, scooters and an entire lifetime's worth of collecting are included as well.

Unlike most auto auctions, and in a very exciting turn of events, the "Rusty Gold" Auction will be No Reserve and No Minimum. It will be held at the historic Lensing Auto Museum located at 13825 Metric Drive, Roscoe, Illinois, 61073.

Donley Auction Services and Kraft Auction Services are partnering for this amazing sale. The preview will be all day Thursday, October 1. The auction will be held on Friday, October 2 and Saturday, October 3. Bidding can be done in person or online at www.DonleyAuctions.com or www.KraftAuctions.com

Antiques Abbreviations

by Mike Paul

A while ago a reader asked about explaining some of the abbreviations they encounter in auction ads. This got me thinking about the abbreviations auctioneers use and why we use them. After a phone call to Gloria I offered to put together a listing.

By definition, an abbreviation is a shortened form of a word or phrase used for brevity. Within context and reason it identifies certain aspects of a piece to the buyer without needlessly going into detail. A lamp buyer will know what a “bracket lamp” is. It’s unnecessary to say, “Victorian cast iron wall bracket with mercury glass reflector, chimney & drop in finger font”. Most auctioneers use abbreviations in order to keep the size of the ad affordable. However it can be too much of a good thing and some of the more arcane descriptions can confuse or mislead the reader. To a person who collects a particular category most abbreviations in that category are readily recognized. To anybody else they are probably gibberish. Even a novice farm toy buyer won’t need a three day weekend to decipher IH, McD & JD. WWI & WWII are obvious but would most folks recognize CW (Civil War) out of context? Coins, firearms, Hummels (152/A TMK3 UB K255 HB, anyone?) and other categories all have their own abbreviations that often are exclusive to that field. But if you are a glassware buyer does it really matter if you can’t translate a 28g, o/u, d-bbl, ss w/syn stock and vr?

Some descriptions, while not technically correct, get the point across. For example “Jewel T”, (which is short for Jewel Tea, a grocery chain) takes up less space than “Autumn Leaf”, (a pattern name for china offered as a premium by Jewel Tea). This may seem like a trivial difference but similar descriptions over several publications begin to add up.

A listing that encompassed all of the collecting fields would be more of a project than I can take on but the following abbreviations should get you through most ads for antique auctions. If you have others you’d like to add to the list or that you’ve wondered about, please email them to me at mike@paulauction.com.

A&C - Arts & Crafts. Refers to the style of furniture usually associated with early 1900s Stickley. Often but erroneously referred to as Mission or Prairie.

ABC - American Brilliant Cut. Refers to the “Brilliant” period of late 19th/early 20th century American cut glass

B&H - Bradley & Hubbard. A manufacturer of quality lighting and decorative accessories.

B&W - Blue & White. The glaze colors used on utilitarian stoneware that was often found in the kitchen.

CI - Cast Iron.

COP - Century Of Progress. Typically refers to souvenirs hauled back from the Chicago World’s Fair of 1933/34. Even in the middle of the Great Depression, a lot of Wisconsinites made the trip to see the COP.

CRS - Somebody explained this to me once, but I can’t seem to remember what they said.

Dmg - Damage.

gl - Gallon. Typically used when advertising stoneware capacity

For Rest - For Restoration. Don’t go to the auction expecting a cream puff.

GBCF - Glass Ball Claw Foot. Describes the foot usually found on late Victorian parlor and lamp tables.

GWTW - Gone With The Wind. A style of lamp with a matching font and top globe. Correctly referred to as a parlor lamp but popularly known as a Gone With The Wind, after the movie of the same name.

LRRH- Little Red Riding Hood. Typically refers to the Regal China products that feature her.

MIB - Mint In Box. Any item, but often a toy, that is in the same condition as new and in the original box.

MOP - Mother of Pearl. Polished nacre usually derived from mollusk shells. Typically found in jewelry, ladies dresser articles, buttons and in the windows of RPOG art.

NIB - New In Box. Similar to above but often assumed to be of modern production

NOS - New Old Stock. Old merchandise, often with original manufacturer’s tags and merchant’s price tags, that has never been sold or used.

NWOT - New With Original Tags, but sometimes used as New With Out Tags. eBay sellers are usually guilty of using this both ways. If buying online, clarify before bidding.

o/b - Outboard. An outboard motor.

OOB - Oil on Board. Art work done on a board, usually Masonite.

OOC - Oil on Canvas. Art work done on canvas.

Pre Pro - Pre Prohibition, prior to 1920. Refers specifically to alcohol related advertising.

Post Pro - Post Prohibition, after 1933. Refers specifically to alcohol related advertising.

QA - Queen Anne. Generally refers to a 1920’s or 30’s revival style exemplified by a cabriolet leg.

Repro - Reproduction. A good definition would require a separate article but you get the idea. Occasionally people will use the slang “Repop” for repro or “Repo” which is inaccurate and what happens to your car when Vinnie pulls up in a tow truck.

RPOG - Reverse Painted on Glass. Less common as ROG. Any item where the design or artwork has been applied to the obverse side of the glass but typically a lamp shade, decorative framed art or advertising items.

RPPC - Real Photo Post Card. Differentiates a post card that was printed, (developed) off your film from one that was commercially printed. These were so popular that Kodak marketed the 3A folder specifically for the RPPC.

RR - Railroad.

RW - Red Wing. Red Wing, or less often, the several other stoneware companies that called Red Wing, MN their home.

/s/ - Signed.

s/g - Salt Glaze. Refers to the type of glaze used on stoneware and to differentiate it from the later, more common, zinc glaze.

TOC - Tin Over Cardboard. A type of sign made of tin wrapped over a piece of paperboard and hung by a piece of short thread mounted to the back side of the sign. Commonly used in the 1930’s and 40’s by brewing and other industries.

T&S- Time & Strike. Refers to clock movements. Differentiates between time only and striking movements.

16th Annual 20th Century Art and Design Show & Sale "From Mission to Modern"

Article & photos by Brain Smith (Eastwood Gallery)

The 16th Annual Twin Cities Arts and Crafts Show and Sale has a new name and a new look. The newly named Twin Cities 20th Century Art and Design Show "From Mission to Modern" is still the largest event in the Midwest showcasing mission furniture and accessories of the American Arts and Crafts Movement (1890 - 1920), but now will include other 20th Century movements including Art Moderne, Art Deco and Mid Century. It will still be held at the Minnesota State Fairgrounds in the Progress Center Building on Saturday September 26th and Sunday September 27th, 2015. You'll find furniture, metalwork, pottery, textiles, art and lighting; everything from Stickley, Limbert, Roycroft, Rookwood and the esteemed Minneapolis Handicraft Guild. High quality reproductions will be for sale as well. Many of the nation's leading dealers will be on hand to answer questions and advise on how to decorate your home.

The show will also offer the highest quality 20th Century Design including pieces by Eames, Herman Miller, Knoll and much more.

A unique show, unlike anything the Twin Cities has seen before. The 16th Annual Twin Cities 20th Century Art and Design Show and Sale "From Mission to Modern" will offer the highest quality, and will certainly be a show talked about for a long time. All under one roof and one weekend only, Saturday September 26th from 9 am - 5 pm and Sunday September 27th from 11 am - 4 pm at the Minnesota State Fairgrounds Progress Center Building. Admission is only \$7. For more information call 651-695-1902.

Collectors Trade Show - Serving Clubs and Collectors

The "Collectors Trade Show" on the Collectors.Org website is designed to serve the needs of both collecting clubs and collectors, offering aisles of vendors featuring products and services of interest to collectors and to the leadership of collecting clubs.

Collectors.Org is the official website of both the National Association of Collectors(NAC) and the Association of Collecting Clubs(ACC). ACC works with over 2400 collecting clubs on six continents. NAC is for individual collectors, identifying and addressing those needs and concerns that are common to all collectors.

The Collectors Trade Show can be reached directly at:
<http://tradeshow.collectors.org>

Collectors will find vendors offering everything from shipping supplies to display cases...alarm systems to price guides...collector software to training courses...appraisal or restoration services and much more.

The leadership of collecting clubs will find vendors with customized logo merchandise, membership incentives and club management tools, event planning, convention sites or meeting facilities, printing options and internet services.

Other aisles feature auction houses, antique malls and galleries, collectibles shows, flea markets, and specialty aisles for specific types of collecting.

The Collectors Trade Show is always open...7 days a week...24 hours a day. Many vendors offer collectors special discounts if they are a member of an ACC member club or an NAC member.

A potential vendor wishing to have a display booth in the Collectors Trade Show can get information by contacting ACC/NAC at: info@collectors.org or 301.926.8663. A display booth can feature your full line of products or services with direct links to your own website. A booth costs \$100/year and includes development of the booth based on your own website or materials provided - at no additional cost.

"Antique Graniteware" A Free Exhibit at the 64th Fall WADA Antiques Show Waukesha (Milwaukee) Wisconsin

Article & photos by Debbie McArdle (Wisconsin Antiques Dealers Association)

Daryl Alpers of Iowa has been collecting graniteware for more than 30 years. He has accumulated so many choice pieces, he can't possibly display them all in his home, so most have been packed away for many years.

Prepare to be amazed!

Alpers
Graniteware

On October 2 & 3, 2015 Daryl will assemble and share his enormous collection with those who attend the 64th Fall Wisconsin Antiques Dealers Association Show & Sale at the Waukesha Expo Center. Some forms will be familiar to attendees, while others will be rarely found. It will be interesting, even for Daryl, to be able to view his massive collection all in one place! Daryl has been a member of the Graniteware Society for decades and will be delighted to answer any questions visitors might have about this colorful utilitarian ware. A better, more qualified, expert cannot be found! Graniteware is still being made in various forms, long recognized as a colorful, yet sanitary, way to prepare and store food. An educated buyer can spot old from new by attending venues like the Wisconsin Antiques Dealers Assn.

Shows where merchandise is guaranteed by each dealer to be authentic, and where dealers gather, not just to sell their antiques, but also to share their knowledge with the public in an effort to preserve an accurate history of our material culture.

In addition to Daryl's personal exhibit of his prized graniteware collection in Booth #11, he will also be selling choice antique treasures from nearby Booth #18.

Wander the three large rooms at the show featuring 54 of the Midwest's top dealers from 6 states, each offering a choice variety of authentic antiques. The Waukesha County Expo Center's Forum Building, 1000 Northview Road, Waukesha, WI 53188, is the home of this semi-annual event. Show hours are Friday, 10-8 and Saturday, 10-5. In addition to the good food customers have come to expect, a traditional Wisconsin Fish Fry will be served late Friday afternoon and evening so bring your appetite!

The Wisconsin Antiques Dealers Association is a not-for-profit organization. Your admission of \$6.00 funds scholarships for high school students as well as grants to Wisconsin historic and heritage groups. A \$1.00 discount coupon for admission to the Antiques Show is available at: <http://www.WisconsinAntiquesDealers.com/> Free parking. ATM on premises.
