IN ORDINARY TIME

Abraham said, 'If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead.'" - Lk 16:31

From the Desk of Father George

Greetings Parishioners and friends of St. Julie's,

While the calendar tells us that summer has officially changed to fall, a few scattered days of hot weather can send a message which is just the opposite. We too send or receive mixed or confusing messages. It is sort of like a sporting activity when the team hasn't congealed or matured enough to see the overall picture. Without a vision of utilizing players for their best skills, it can become a bunch of players all trying to do their own thing.

In the parable of the rich man and Lazarus, Jesus does not condemn the rich man for being rich, but for failing to realize the opportunities he has for alleviating the suffering of Lazarus at his gate. If players on a team do not see the overall game, and only see themselves and their own needs, they will most likely come up empty handed. We need to put our skills and talents at the service of others.

Christ calls us to such a vision... a vision that sees beyond our own poverty to recognize the poverty of others, to understand that our lasting legacy is how we use the talents and resources we have been given by God to build His kingdom in our time and place. As members of One Body, we are called to serve one another unified in the grace of Christ.

Fr. George

Catholic Communication Campaign

This is an opportunity to help people across the United States and around the world connect with Christ. For example, the island of Samar in the Philippines is home to nearly two million people, about 90% of whom are Catholic. Many live in remote villages outside the reach of television and the Internet. Instead, radio is a critical source of information. The Catholic Church has provided the people of Samar with spiritual programming through a dedicated radio station for 20 years. But in 2013, Typhoon Haiya hit the island. It destroyed the entire radio station. The community has been unable to fund a new station, leaving hundreds of
