Holy Land gifts

After all Masses on November 9 & 10 there will be a display of handmade articles for sale such as nativity scenes, crucifixes, rosaries, the last supper and many other beautiful religious items.

Because of conflict in the region, many Christian families in Bethlehem are struggling to make ends meet. Holy Land Gifts represents over 100 Christian families who make a living by selling traditional olivewood handcrafts and religious articles. When you purchase one of these beautiful gifts, you are helping artisans in the Holy Land provide for their families who live and work with dignity in a region fraught with tension.

Thank you for supporting this project to keep the Christians present in the Holy Land.

"I would now like to say a special word to women who have had an abortion. The Church is aware of the many factors which may have influenced your decision, and she does not doubt that in many cases it was a painful and even shattering decision. The wound in your heart may not yet have healed. Certainly what happened was and remains terribly wrong. But do not give in to discouragement and do not lose hope. Try rather to understand what happened and face it honestly. If you have not already done so, give yourselves over with humility and trust to repentance. The Father of mercies is ready to give you his forgiveness and his peace in the Sacrament of Reconciliation. To the same Father and to his mercy you can with sure hope entrust your child."

(Pope St. John Paul II, The Gospel of Life, #99)

If you know someone considering abortion, God has given you the opportunity to be a lifesaver! "Rescue Kits" are available in the literature rack in the church foyer. In the Rescue Kit are various brochures and other information that can equip you to help someone you know decide in favor of life. Pick up a Rescue Kit, look through the various materials, and prayerfully decide which information will be most helpful. Pray like crazy, and then go talk to the person you know considering abortion. Through you, God can work a miracle!
