Do you Pray? 

I loved this interpretation of Prayer. What is a prayer? Prayer doesn't just happen when we kneel or put our hands together and focus and expect things from God. Thinking positive and wishing good for others is a prayer. When you hug a friend. That's a prayer. When you cook something to nourish family and friends. That's a prayer. When we send off our near and dear ones and say, 'drive safely' or 'be safe'. That's a prayer. When you are helping someone in need by giving your time and energy. You are praying. When you forgive someone by your heart. *That is prayer. Prayer is a vibration. A feeling. A thought. Prayer is the voice of love, friendship, genuine relationships. Prayer is an expression of your silent being. *Keep praying always*

This week my prayers were for: my dog; I prayed for Father George; the Saints; my family; dad, mom, Ashley, grandma, papa; JJ, Jovie, Sparky, Sadie, Chance, Ada Mae.

This is how I used my time and talent for others: I fed my dog; helped clean up my toys; helped pick up my toys & make the bed; I vacuumed for my mom; I made breakfast for my brother.
