

St. Julie Billiart is a welcoming Catholic stewardship based community that strives to proclaim God's goodness in our friendly and caring outreach to those seeking a spiritual home.

Our faith community is centered in the celebration of the Eucharist. Sent forth nourished by the Word of God and our sacramental encounters with the Lord Jesus, we endeavor to live the Gospel each day.

As a compassionate Christian people, empowered by the Holy Spirit, we minister to each other and the greater world community through prayer and action.

From the Desk of Father George

Greetings Parishioners and friends of St. Julie's,

As the days of August signal the preparations for returning to classrooms and routines, many of us try to squeeze a summer's worth of fun into a few remaining days. Over the weeks many of our parishioners have shared with me their stories of family re-unions and gatherings. It is always a pleasure to hear about the joys of one's heart. It is a clear reminder of our connections to each other and to God.

The Israelites were clearly aware that God existed. Their journey as a people of faith was filled with accounts of God's love for them. We too should be able to readily identify God working in our lives. God journeys with us... do we journey with God? Are we aware of God's presence, and do we actively look for Him? If we restrict God to private moments of life, then we limit our experience of Him.

I believe that we need to celebrate God throughout our journey. Looking for God outside of a private moment brings us a panoramic God that surrounds and encompasses us. God is present everywhere. Looking for Him is not only our joy, but being greeted by Him is our reward for having kept watch. Take sometime this week to search for God in your neighborhood or place of work. Notice the goodness of someone's work or ethics. Comment to a friend about what you saw, and make God alive in your words and your heart.

Fr. George

Family Promise

Family Perspective

"Much will be required of the person entrusted with much." We have been blessed with abundance. Yet, we are tempted to want even more. A Christian family reaches out to others. Pope Francis recommends experiencing "the happiness of giving, the nobility and grandeur of spending ourselves unstintingly, without asking to be repaid, purely for the pleasure of giving and serving." The Joy of Love #94. How are you and your family doing?
