PARISH MISSION STATEMENT

St. Julie Billiart is a welcoming Catholic stewardship based community that strives to proclaim God's goodness in our friendly and caring outreach to those seeking a spiritual home.

Our faith community is centered in the celebration of the Eucharist. Sent forth nourished by the Word of God and our sacramental encounters with the Lord Jesus, we endeavor to live the Gospel each day.

As a compassionate Christian people, empowered by the Holy Spirit, we minister to each other and the greater world community through prayer and action.

26th SUNDAY IN ORDINARY TIME

“Abraham replied, ‘My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented.’” - Lk 16:25

From the Desk of Father George

Greetings Parishioners and friends of St. Julie's,

While the calendar tells us that summer has officially changed to fall, a few scattered days of hot weather can send a message which is just the opposite. We too send or receive mixed or confusing messages. It is sort of like a sporting activity when the team hasn't congealed or matured enough to see the overall picture. Without a vision of utilizing players for their best skills, it can become a bunch of players all trying to do their own thing.

In the parable of the rich man and Lazarus, Jesus does not condemn the rich man for being rich, but for failing to realize the opportunities he has for alleviating the suffering of Lazarus at his gate. If players on a team do not see the overall game, and only see themselves and their own needs, they will most likely come up empty handed. We need to put our skills and talents at the service of others.

Christ calls us to such a vision... a vision that sees beyond our own poverty to recognize the poverty of others, to understand that our lasting legacy is how we use the talents and resources we have been given by God to build His kingdom in our time and place. As members of One Body, we are called to serve one another unified in the grace of Christ.

Fr. George

Family Perspective

In today's gospel parable the rich man wanted to warn his brothers so they could avoid his fate. Evidently, his whole family ignored the poor! If you were the rich man and could warn your family, what would you tell them? Better yet - invite them to practice the works of mercy to those in need.

"God of peace, bring your peace to our violent world... Comfort and console us, strengthen us in hope, and give us the wisdom and courage to work tirelessly for a world where true peace and love reign."
- Pope Francis

Thanksgiving Meal Planning

The annual Thanksgiving Day Meal at St. Julie's is a long standing tradition that is in need of HELP.

While the meal and preparation is well organized, *we are in need of a Chairperson(s) to manage/direct the process not only leading up to, but also including the day itself.* Call Fr. George if you are interested in assuming this most important role in our mission to serve those in need. From previous Thanksgiving Day Meals, we are able to provide clarity and direction for this most important leadership role. Please do not place this meal in jeopardy... for a ship without a rudder has no plan!
