I hereby promise to play the Game only in accordance with the rules of the Game as set forth by the sponsor. In particular, I agree;

To wear safety goggles at all times when I am on the playing field, or at the target area, even after I have been marked with paint or the Game is over, and to the goggles snug by pulling the straps tight. I understand that serious eye injury, including loss of eye sight, could occur if these safety goggles are not on when marking guns may be discharged anywhere near me. Should my goggles fog up or for any other reason such that I can not see through them properly, I will ask someone near me, on the playing field or in the target area, to lead me out of the area I am in to where all marking guns are on safety. Only fogging up or getting dirty and that if I am anywhere near a marking gun as it discharges, and my "safety goggles" are not properly on, I may get seriously or permanently injured: and

To avoid any physical contact or fighting with other players;

To stay within the boundaries of the playing field and not chase or run after anyone over ledges or mountainous terrain; and

To avoid pointing at or shooting at the head of any player at any time.

For safety reasons I agree to use only equipment and/or supplies provided to me by the Sponsor while playing the Game or in the target area. Written permission of the Sponsor is necessary should I elect to use other equipment or supplies. If I have chosen not to use the goggles or marking gun available from the Sponsor, I hereby certify that the goggles or marking gun which I have chosen to use are at least as safe as the Sponsor's from claims arising out of any additional risk resulting from my use of goggles or marking gun other than those available from the Sponsor.
