DISTRIBUTION LINES

A complete source for heat shrink tubing products and heat shrinkable related technology

Supplies engineered solutions for PCB depaneling, robotic soldering, hot bar soldering of flex circuits, pneumatic and servo assembly presses, robotic screw fastening and racks for PCB

High precision tweezers, cutters and pliers for electronic, medical device and industrial manufacturing

Manufacturer of flux removers, canned air, solder mask, conformal coating, stencil wipes, solder braid and many other fine products

Offers a variety of stereo zoom, binocular microscopes, triocular microscopes and micro/macro zoom video inspection systems along with a full line of accessories to configure your systems

Manufacturer of soldering, desoldering and rework systems, advance package rework, benchtop fume-extraction and fluid dispensing systems

DIRECT LINES

Specializing in producing ultra low humidity dry cabinet, digital dry box, auto dry box, file management, digital dry cabinet and baking dry cabinet with durable quality and competitive pricing

Manufacturer of ergonomic chairs for office, production and cleanroom environments

Global manufacturer and custom formulator of epoxy adhesives EPO-TEK offers a complete line of electrically conductive, thermally conductive, optically clear and photo-curable (UV) materials

Conformal coating systems, fluid dispensing solutions and custom automation products for solar, semiconductor packaging, printed circuit Board assembly, medical device manufacturing, and consumer electronics

X-Ray Inspection System

X-ray systems that feature high power micro-focus x-ray sources up to 130kV, high resolution digital detectors, large inspection stages with 350° degrees rotation, oblique angle inspection, and all of the manual and automated s/w tools you expect in an advanced system are included. Offers a variety of stereo zoom, binocular microscopes, tri-nocular microscopes and micro/macro zoom video inspection systems along with a full line of accessories to configure your system

PCB assembly, inspection and testing needs including box-building and assembly fixtures. Also offers related products such as wash baskets, fingers and nozzles

develops and provides Inline Automated Optical Inspection (AOI) Systems for printed circuit board production line producing mother modules for various electrical devices today

Western Industrial Tooling
Precision. Quality. Innovation. Pride.

A precision tooling company specializing in close tolerance tools used primarily by industrial and aerospace markets. and a leading provider of injection molds (plastic, silicone, and ceramic), as well as wire and cable processing equipment
