WILLAMETTE VALLEY STREET RODS - MEMBERSHIP MEETING

OCTOBER 4, 2016

Meeting called to order at 7:00 pm by President Dave LaCompte followed by the Pledge of Allegiance.

OFFICERS REPORTS

President: A welcome to visitors and new members who are present tonight. The new members who recently joined are Steve Sailes, and Steve Specht. Dave stated that there had been quite a bit of negative talk behind the scenes, and suggested that negative attitudes be left at home because negativity is contagious and has no place in our group. He reminded us that the current officers are retiring in a couple of months so step up and let's see some new faces on the board.

Vice President: Mike Vickers also commented on the position of officers to be changing and you need to volunteer if you want change and bring new ideas forward. If you are interested, step up to the plate.

Secretary: Sharon informed the membership that there are copies of the minutes from last meeting and also the Carousel meeting on the back table along with a questionnaire regarding the Carousel Cruise for next year. The Secretary position will also be open as she will not be running.

Treasurer: Not present so no report

Membership: Jim Palmquist is not planning on seeking membership for next year. He has stickers and business cards available if you need them.

Newsletter: The October newsletter is out and he will need someone to take over the newsletter for next year.

Website: Gary Pullen was not present but is wanting to continue as webmaster.

Social Chair: Ed & Gloria said that WVSR won the Trophy and \$100 at the Rollin Oldies 50's in the Fall Car show in Lebanon and need to draw names for both.

Brent Lindemann won the money and Ray Agen won the trophy which he passed on to Terry & Jackie Criswell who passed it on to Rod & Sandy.

Ed & Gloria stated that they would like to put together an outing to Champoege Park either a Saturday or Sunday for a drive and potluck activity (weather permitting). He asked for a show of hands to see how many would be interested in this. There seemed to be enough interest that they will look into getting it organized.

Member at Large: Dayle thanked everyone for the last few years as Member at Large and said that Glen Rader was interested in taking over as Member at Large. Glen stated that he has only been in the club for a 3 years or so and wanted to get more involved.

Member Care: Vickie Champ was not present but Russ gave her report. Cards were sent to Knikki Oman, to the family of Diane Tucker, Diane passed away in Texas while she was visiting the family, and Larry Kruljac was hospitalized again at OHSU.

A reminder that Vickie has 2 tables for the Family Building Blocks Fundraising Luncheon and would like to have some members to come. Notify Vickie if interested.

Historian: Pam Foster announced all the people with birthdays for the month of October. Happy Birthday to all you October Birthday people.

A-Team Report: Jeff reported that no work was done last week but there is much to do so come out and help.

A-Team Fundraiser: Not collecting any cans now but she has bags and tags.

Scholarships: Mark Scott reported that website and everything is forwarded on to recipient.

Carousel Cruise: Warren presented to Chuck Drake the Pam Drake Memorial Award and thanked him for his support. Warren showed the Carousel Cruise flyer poster that will be auctioned off as a last money maker for the club. It is worth about \$75 and it will be auctioned off at the Christmas Party. There was also about 130 lbs. of food that was collected and donated to Marion-Polk Food Share.

Christmas Dinner Report: Linda Spansel announced that the menu for the December 17 Christmas Dinner will be Prime Rib for \$18 or Stuffed Turkey Breast for \$15. There will be music and a dance floor. Fun and games. She will be sending out an e-mail to everyone tomorrow. Make sure you get your reservations in with your food choice and money.

Old Business: Dave announced that we have a lot of T-shirts to sale from the Carousel Cruise. He said the club owns the shirts because we bought them with the intention of selling more of them at the car show. The price for M-XL are \$15, \$16.50 for 2X and \$18 for 3X.

Yellow Book - Cost \$5 - It tells us what NW Car shows are happening during the year. They will cost \$6 in Albany at the Swap Meet.

Thank you to the Road Warriors who delivered the sponsors trophies to them. They are Ernie, Ed & Gloria, Glen, Sharon

& Frank, Warren & Paul.

Dayle asked about what was happening with the idea of a display case or shelving for Pietro's. Dave stated that it was going to be discussed more but Pietro's wants it done professionally. Not sure of expense involved and do we want to proceed.

John Palmer informed us that a few of our club members went to Walla Walla, WA for a car show. On the Friday night 12 mile cruise, half way through the cruise Jim Schuette and Warren took a wrong turn and didn't follow the rest of the group. They eventually found their way back. John had a trophy made up with NSEW and Wrong Way Schuette and presented to Jim.

There was discussion on new officers not having to pay dues as an incentive to run for an office. Glen Rader opened the discussion by saying he feels that everyone including the officers should have to pay dues to be part of the club. Rob stated he agreed with Glen and said "simply put you're a member, pay your dues, it goes for club expenses." Mark stated he would be for it if it was for a hardship like a serious illness or something on that order for a member, but not just because you're an officer. After further discussion it was decided this be dropped.

Nominations for Officers 2017

President: Charlie Wulfers was nominated with Charlie declining the nomination. No other nominations were made, and will be carried over to next month.

Vice President: Mike Vickers was nominated and accepted the nomination. No other nominations were made.

Secretary: No nominations were made.

Treasurer: Sherri Cartwright was nominated but she was not present. Dave to ask her, and nominations to continue to next month.

Member At Large: Glen Rader was nominated, and Glen accepts the nomination.

Nominations closed and will continue at November meeting.

New Business: Ernie Lamoureux stated that members don't have enough say regarding the Carousel Cruise decisions and feels that the membership should have more information from the committee and be allowed input in decisions being made. According to our by-laws decisions made by the committees are to be reviewed and voted on by the membership at the next general meeting. There was much more discussion on this subject. A questionnaire was given out and explained that this was to get a feel for what the membership thinks about continuing with the Carousel Cruise, and Friday night Kickoff next year and to get comments from the members. There was much discussion regarding the questionnaire and whether it would be better to do a show of hands from the members who are in attendance at the meeting or to send the questionnaire out to all the members by e-mail so all could vote. According to the bylaws all votes shall be determined by a simple majority of members present. Some of the members filled the questionnaire out and turned them in for a review by the members at the next meeting. Ray Agen to put out an e-mail reminder that we will vote for new officers and the questionnaire regarding the Carousel Cruise.

Rich Bailey talked about the Rod and Speed Show. He stated that last year's show was incredible. Raised lots of money and had lots of food donated for the Food Share. He reminded everyone that it is a great show and affordable for \$25 per car and we have a club participation award.

26th Annual Santa Cruise-In and Breakfast

Mark your calendars for this awesome event! Of course I am speaking of the "Santa Cruise", or the Toys for Joy toy drive sponsored by the Brent Strohmeyer Foundation and the Stayton Fire Department. The date is Saturday, December 3rd at the Stayton Fire Department. Car clubs from all over the state come to participate in this very worthwhile project. There are awards for the best decorated car (Ed & Gloria won last year, Linneman's are past winners), and a Club Participation award (Willamette Valley Street Rods won last year). Entry fee is an unwrapped toy, or a check to help purchase toys. Stayton Fire Department is putting on a pancake breakfast for a reasonable cost. Check with Russ Strohmeyer for any other information you may need. Help us give Toys for Joy, and experience a great time with all your car club friends!

What do Car Buffs do in the off seasons with no car shows or cruise-ins to show off their toys? They go to swap meets and collect treasures for the next project!

One of the best indoor swap meets is coming up on November 19th at the Linn County Fair/ Expo Center hosted by The Enduring A's

FOR ALL YOUR BATTERY NEEDS

Hail the Swap Meet Wagon!

With summer car shows over, car people don't just sit and watch re-runs of Happy Days, they do what car people all over the country do....they go to swap meets!

Perhaps they are looking for some cylinder heads, or a set of tires, no problem when you have a swap meet wagon! They come in all shapes and sizes. Just like being an individual with the classic cars we drive, we like to be individual in our swap meet wagons too!

I have given a short questionnaire to some of the people I know in the on-line car culture, and I get so many remarks on this particular subject. Some hate the things, they take up too much room in the isles, they slow down the lines... hog the space so to speak. Others however love to see all the classic wagons, and try to show off their own creation!

"I like 'em with fat wheels and good bearings...those skinny tires get mugged down in gravel..." That was one guy's take on it, another said " I like the skinny wheels, they go good on the concrete..."! There are as many opinions as there are wagon styles. I personally have an extra long wagon. I put a wooden box inside so I can sit when I get tired, and store my purchases without them being out in the open. Quite handy! Yes, it was a rust bucket when I got it but I oiled it up, and now just have a kind of a "patina" on it.

Here are some I thought you would like to see. These are from California to New York.... No state has the market on individual style!

Willamette Valley Street Rods will be holding nominations and election for officers at the November meeting, yes, that's only a week away ... or today if you are reading this in the print copy of Cruiz'n News.

Many of our officers have been in office for several years and feel it is time to step down. Please consider running for an office. It is very rewarding and you get to finally put names to faces (or in many cases, faces to names) you see at events we attend.

Change is good for any organization, it keeps it fresh and growing.

The WVSR Needs YOU!

Please print and fill this form out and bring it to the November meeting and give to one of the Officers or Carousel Committee members
