CRUIZ'N NEWS

July 2017 Issue

Willamette Valley Street Rod member Bill Watson enjoyed his good luck on Sunday at the 20th Anniversary of the Rickreal Swap Meet and Car Show. The cast plaque is a 2009 WVSR Club plaque, and Bill would not take offers from any of the members present to buy it from him. The 2009 plaque can be seen in Bill's hands because he would not even let us hold it! Club member Don Erickson and his grandson were selling the current plaques at his booth, so if you want one, you can ask if he has any left. \$20 . Club past president Dave Lecompte found a couple motor mounts!

Postal Connections:

Postal Connections, a store in your neighborhood, provides a wide variety of business and administrative services that support on-the-go consumers and business people. We provide the service you want with the technology we know.

Services and products offered include a full spectrum of shipping choices, packaging, mailbox rental, copying/printing, office/shipping supplies, internet services, document preparation, notary services, passport photos, greeting cards and faxing.

It was good to see Larry out at the swap meet! Larry, Victoria, and their grandson manned the booth selling items from years of collecting the unusual, the unique, and "just the thing you are looking for" items.

Give Victoria a call if you think you can use anything they may want to part with, she will make you a good deal!

ITEMS FOR SALE OR WANTED

1971 EL CAMINO SS: 350 4spd, posi-traction, 373 rear-end ratio (12 volt), AC, PS,PB, factory am/fm stereo, easy lift trailer hitch, includes long block 350 overhauled engine (not installed) and fiberglass canopy cover, 15x8.5 corvette rally wheels with new TA radials. Never wrecked. Exterior: black lacquer with dark grey striping. Interior: cloth bench seat, headliner and carpets replaced. Second owner since 1973. Serious buyers only – please. \$25,000

1940 FORD STANDARD BUSINESSMAN'S COUPE: Partial Restoration includes headliner, door panels, side panels, seat cover not installed, new solar green safety plated glass windows (all), rebuilt Lincoln Zephyr brake system complete, dash refinished but not installed, new radial tires, powder-coated 15" wheels, new wiring harness. The interior is a reproduction of the original type material (corduroy and wool) by Mac's Auto Supply. 1955 265 Chevrolet V-8, factory 3 on the tree, dual exhaust with glass pack mufflers, radio delete, great patina, all original – never disassembled, very light surface rust, very nice body – barn find in California. Has current clear Oregon title. We are in the midst of restoration but unable to complete due to health. We were told this car was featured in the December 1956 Hot Rod magazine for having the first 265 V-8

Melissa Lucas has been managing the Schroeders Guest House for a number of years, until her purchase of the restaurant and bar last year. She and her husband Mark kept things just the way they were (with a few minor changes) but now are ready to embark on Melissa's dream! Having changed the name to BlondZee's when she took the ownership, I am sure folks had questions. I myself had to ask...why BlondZee's? If you have been in the restaurant lately, you see the definite changes made...BlondZee's is a classic car-themed establishment with posters and license plates lining the walls. The trophies belong to our club members The Palmers for their Chevy. Melissa and Mark are also club members and Carousel Cruise Sponsors. Melissa and her daughters are blond, and the "Z" of Melissa's was the inspiration.

In just a few weeks, ground will be broken for the new addition of "The Glass Garage". It will replace the existing flower beds on the west side of the restaurant along the old "gut", Portland Rd. In the day, it was the cruising place to be on a weekend night! Melissa plans to build a very secure and well lighted room, much like a showroom. It will be all steel and glass, and will have Melissa's Z as the first month-long car featured. Each month the car will be replaced with another from the community. The second car will be Doug Dagget's 62 Chevy. Doug was a founding father of WVSR.

In addition to the garage, Mike Donnelly will have a cruise night on alternating weeks during the summer. For more information on the cruise in, contact me and I will get you the information. If you have a car you want to see in the lime-light, get ahold of Melissa and see what she can do for you! Sounds like a fun time over there at BlondZee's!

Doug Daggett's 1962 Chevy

J

Just a few pictures from the club meeting!
Thanks Pam Foster!

Roll the Dice Car Show at Spirit Mountain

Congratulations to the trophy winners:

The newsletter did not receive any A-Team pictures this month, but it did receive a letter from Pam Foster asking that I remove the ad for Cruzin' Classics Chrome Shop out of the paper.

Art McIntosh, owner of the chrome shop, is retiring at the end of June. He has donated to the A-Team club projects . The club is more than appreciative for his sponsorship and his excellent chrome work! My Studebaker truck sports several pieces Art did at his shop for me.

Willamette Valley Street Rods wishes Art a very Happy Retirement!

Carousel Cruise

UPDATE:

The committee is working hard to get things ready, making sure we do not drop the ball on anything. If you have input or want to help do anything from stuffing goodie bags (we are still gathering items), or just want to donate an item (cash works too if you want the raffle team to purchase an item for you). Please minute to go to the link below to see all the wonderful ways that the Salem's Riverfront Carousel give to our community! t
The Salem Riverfront Carousel has partnered many years with Willamette Valley Street Rods in allowing us to hold our event at the park, allowed us to put classic cars in front of the Carousel a week before the cruise, and many other ways of sponsorship. Next month we will have a great article on the Carousel. In the mean-time, please watch the video and enjoy!
