Club member Don Rogers hosted a garage tour for the club. What a beautiful shop and what awesome vehicles! Thank you Don, it was a great tour!!

The Winter Rods and Speed Show was once again a fantastic show! This year the special attraction was the second building which held the "Special Interest Vehicles". One highlight for the spectators was the 1958 Ford retractable car and the boat that matched! Red and white were excellent colors. The pair won the trophy for "King of the Show". This editor liked the little tow truck! See a few photos inside! Ed & Gloria Blair won the Best Station Wagon Award!

HOT ROD HAPPENINGS.... Gene Schuff, Social Chair

The Bowling Tournament was a great success! Present were: The Rolling Oldies, American Street Masters, Silerton Flywheels, The Willamette MG Club, as well as Willamette Valley Street Rods. There were 18 teams with 4 bowlers per team for a total of 36 bowlers. WVSR had the most bowlers and the largest cheering squad!

Rollin' Oldies won the tournament with the prize being a bowling pin hat and a gift bag donated by the Silvertown Flywheels. It was a fun time, and there is talk amongst the teams about another tournament in the near future.

Candy has prepared a DVD of pictures that will be shown at the February 5th club meeting.

Gene Schuff

Many WVSR members made their way to Don Rogers' home to see the new "Shop". Words fail me to tell of how nicely his collection of classic cars filled the pristine space!

There were two vintage Corvettes, the "Pretty Boy Floyd car" (once belonging to the bank robber himself), a 2018 Telsa, and a few other very, very cool cars!

The shop was designed to have a half-loft containing a lounge area with a shuffleboard, restroom, and captains kitchen. The wall was full of plaques, photos, and memorabilia from Don's career as a sound specialist in Hollywood. On the windowsill laid Don's Oscar that he had won, and members took turns holding it and remarking how heavy it was. Outside the window the view included a spectacular lake with mountains in the distance...boy what a tour! Thank you Don for the great day!

IN MEMORIAM

LYNDA JEAN AGEN

June 27, 1954—January 27, 2018

Lynda Jean was born in Enumclaw Washington on June 27, 1954 to Norman R. Best and Josephine Kowalski. Lynda grew up in Buckley, Washington where she graduated from White River High School and then went on to business school. Lynda moved to Anchorage, Alaska in 1977 with her daughter Sara to be with her older brothers, Jim and Richard Best. Lynda worked in an accounting firm as a bookkeeper until 1979 when she then married her husband, Ray Agen and together they started Agen's Automotive. In 2008, they sold the business and retired to Salem, Oregon.

In Salem, Lynda had worked as a volunteer and part time employee for Family Building Blocks. She always came home with a loving story about the little children. She was a Member of The Red Hat Society and a member of Willamette Valley Street Rods. In 2009 she started Cherry Hill Confections, in which she sold her famous toffee popcorn to friends and local stores.

Lynda was warm, caring and had a vibrant beautiful smile. She had a way of welcoming you into her life that left you feeling sincerely cared for and loved. She was a fantastic cook, baker and crafter and enjoyed sharing her talents with those around her. Lynda will be deeply missed by her family and friends.

GARAGE TOUR

If you have never gone on one of the garage tours, you are missing out! We meet good friends, eat good food, see awesome stuff, and have a good time!

(Thanks Don, I liked "winning". Boy is he heavy!)

All Club Bowling Tournament Firebird Lanes, Salem

The Winter Rod and Speed Show presented by Albany Burgerville and Wilson's NA-PAAuto Parts had all the ingredients for another great show: immaculate show cars, a celeb appearance, vendors, live music and a wide variety of customs, race cars, trucks, motorcycles and classics. This year the eleventh annual event grew to two buildings for the first time in three years, making it the second biggest indoor car show in the state.

The event was completely full by Christmas which necessitated the need for a second building which was named the Motorsports and Special Interest Expo which attracted a wide variety of cars and earned lots of compliments from spectators. Also new this year was a classic rock band, Uncommon Denominator, which played on Friday night giving the show a much more festive atmosphere. They even got some people dancing in the isle and that was okay with us!

The Crowd on Friday was larger than last year and more food was collected for the Friday Night Food Drive. Saturday was steady all day as both days combined brought in 2,500 spectators and the car count exceeded 130 vehicles.
