### Raffle Prizes and Silent Auction Items needed for the August 11th Carousel Cruise!!!

We are once again asking all of our club members to donate at least one item for the raffle and/or silent auction at the club's annual Carousel Cruise. Of course you can donate more than one item if you want, we won't turn extras away :-). The more donations we have, the less we will need to buy with the club's funds. It doesn't have to be expensive, or a car related item. Just something new, or in like new condition. Keep in mind its not a garage sale. If we all looked around our house we could probably come up with something worth donating. And keep in mind that we usually have more prizes for men than women, so some prizes for the ladies or the kids would be appreciated also. Gift cards are a quick easy idea. If you are a business owner and want to donate services, that's another option. The list is endless as to what people would like to

see in a raffle. The better the prizes, the more tickets people will buy, and the more funds the club will have for the coming year.

Silent Auction items are larger and more valuable than raffle prizes and over the past three years have brought in hundreds of dollars to the club's coffers.

If you don't have a donation lying around the house or the time to purchase something, you can always give money and we'll go shopping for something.

Please start bringing the raffle/silent auction items to the July or August meetings or the 4th of July picnic, and give them to Vicki, Sherri, or a board member. Of course, you can also bring them the day of the show. Any questions, please call or email.

Chassis & body will be displayed at Carousel Cruise. Need sponsors & parts donated. Proceeds will be donated to a local charity. Members should think about a color idea. Work party every Thursday night at 5:30pm. So far, there has been a large turnout, usually 10 to 15 individuals. A great time is had & all help is appreciated. Dayle would like to see signage for the A display at the Carousel Cruise stating that proceeds will be going to local charities. Russ suggested that members come up with a charity & be prepared to tell the club why at the next meeting. If a decision is not reached at the next meeting, signs will simply state "donations to be made to local charities". Sandi & Dayle talked about ice cream booth fundraiser for A Project at Carousel Cruise. Hope to have freezer and ice cream donated. Would also like a display board with project pictures. Sam donated a transmission to the A project & welcomed members to watch the rebuild.

Mike stated that no monies will come from the treasury to sponsor any trophies & will cut number if not enough sponsors. Major sponsors accepted through July 15th. Trophy sponsors accepted until August 1st. Hoping to get more \$150.00 or more trophy sponsors. Sponsor money goes Lynda Agen & sponsorship forms to either Mark Dostal or Ray Agen. Mark is maintaining data base of all sponsors, vendors & entrees. Greg has a copy of last year's sponsor list available & all sponsors from last year should be recontacted. Sylvia will be contacting Les Schwab. Mark encouraged members who may have purchased a vehicle in the past year to contact their salesman to see if they would be willing to sponsor a trophy. All members encouraged to take Carousel Cruise flyers when attending events. John Woods shared there will be a trophy work party on July 14th at Greg Smiths' shop. Our July trip to Roseburg was a BLAST! The drive there was fun, after checking in we went to a cruise-in at the town of Glide. Ray won an award & Jim Schuette won the 50-50 drawing for \$200. Then at the river forks show we won "club participation" for over 80 miles. Later that night we cruised the streets of Roseburg as the crowds of people watched. Everybody had a great time and some have already booked their rooms for next year. Road trips like this are a great opportunity to get to know club members better and meet new people too. I'm planning to set up more road trips up in the future, thanks to all who participated.

## COVERED BRIDGE TOUR

Sunday morning, July 1, I awoke to rain and cloudy skies. I thought "rats!!" (or worse). I wanted to do the covered bridge tour. I checked the weather report on line and it sounded promising so I was optimistic that it would clear up for the day. By 9:00 it was still raining. By 10:00, there was just a little drizzle. I drove my '34 to Pietro's parking lot to see if anyone was there to proceed on the tour. Sure enough, Tom and Jane plus her parents were there in their '39 woody, Ernie, Laura and Zoey were there in their '27 Ford sedan, then Rich and Delia showed up in their red convertible, so it was a go. We hit a little shower between Salem and Stayton. Gary and Dee Farrier in their '48 Ford pickup, and Brent and Bernadine in their hardtop met us there. Ed and Dottie are Rollin' Oldies members that I had invited to join us. Weir '35 International pickup, my friend Ed Anderson and his wife Dottie in their '54 Ford ally and Kay Huecker joined us in their regular car. Connie met us there to deliver some of her famous cookies. My granddaughter, Sidney also came and rode through the tour with me. By the time we left the park in Stayton, the rain had totally stopped and the rest of the day continued to improve. We visited a couple of the bridges then stopped at the Roaring River Linn County Park for a lunch break. Everyone brought picnic lunches and we all enjoyed some of some Connie's chocolate chip cookies. We proceeded with the tour cruising back roads at a leisurely pace and saw three more covered bridges. The last stop was at my place where Connie had some ice cream treats with chocolate and caramel topping and some home grown berries waiting for us. And of course, more cookies. I opened my garage doors and everyone checked out some of my current projects. Rick and Olga came by in their blue Chevy pickup to join us. By that time, it was a beautiful afternoon and Rich Wright even had the top down on their '64 Chevelle convertible. Even though the start of the day seemed a little dubious weatherwise, it really turned to be a great day. There were a total of 22 people and 9 cars that participated in the tour. I think everyone enjoyed the day.

## Graffiti Weekend Road Trip

The club needs to do another trip like the Graffiti Nights Car show. It was a blast !! We met Friday at K Mart for the drive down at 10am. Think we had about 12 cruisers. Stopped at Coberg for lunch where we surprised the cafe but they had a table for all set up. Then off to the Windmill Inn in Roseburg to check in. We checked in, cleaned up a little & headed about 20 miles away to Glide for the Firemen's Car Show. Set up our chairs in the shade under a tree, it was a hot day. Dave lost Sherri first thing...she noticed a place to shop and was gone. The BS was flying for quite awhile when a couple of cuties came by selling 50/50 tickets, 1 for \$1, 6 for \$5, or an arms spread length for \$20. Sherri and Kathy couldn't pass up that one so they

spent \$10 a piece and split the tickets. The guys had a contest for who had the longest spread, guess what, my gorilla drag'n arms beat out Warren and Ernie by 1/2 an inch. 39 tickets, a record!! Kathy won 50/50 \$200 and split it with Sherri who immediately wanted to find a Casino...Dave was 'no way'. At the trophies awards, my truck won the Firemen's Choice...what an honor & a surprise!

Heading back to Roseburg & the motel we stopped at a gorgeous look out where the 2 rivers met about 75 feet down & you could see that the place we were standing had been flooded...man, that's a lot of water.

Saturday morning up early and off for the car show in a beautiful Roseburg park. Very well organized by the Stray Angels car club & had to be over 400 cars there. I saw license plates from all over the West. After parking hopped a golf cart ride to the pancake breakfast. It was agreed that the guitar player there needed a tune up!! At the end of the show we gathered around for the awards where Dave collected the Participation Award for WVSR, the most club cars from over 80 miles away. WTG club!!

Then it was back to Roseburg for dinner & margaritas at a Mexican restaurant & the motel for a couple of beers and relaxation from a long day. It was a pretty uneventful, no break down, trip. Just Dayle's fan running all night until the battery had had enough. But a jump and go from Dave and all was OK. Looking forward to the next long distance show.

Claudia and I went to the Tom Newton breakfast in the park/car show on Sunday July 28th and ran into Mel & Angela Meyers there.

The Park is a good car show setting, the show itself is set up well by the Kiwanis, the breakfast is good, the cars are good, the DJ was Bruce Silkett, and one of our club members managed to win a trophy—that's us ;-)

This show is one of the good ones for the car club to-do list.  
Todd Johnson

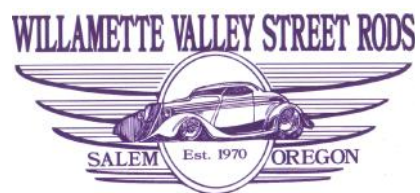

Don Honmouth and Kathy Cegla were also at Dallas with Kathy's 300Z and Don's 280Z which took first in the Import/Euro class. Don reports tht the Import/Euro was the largest class at the show.
