The visit to Superior Glass Works in Molalla was very informative and well worth the trip.

The showing of "The Deuce of Spades" was a big hit. Everyone enjoyed the movie, all the cool cars parked on High Street The Elsinore Theater looked GRAND! As a highlight, at the end of the movie, the main character - Johnny also made an appearance in the Elsinore front lobby. He posed for many pictures with guests, and graciously signed art work raffled off. Proceeds benefitting youth in our local community.

WOW,,,I'm having a hard time keeping up with all the happenings in this club. Dancing, A Project, Carousel Cruise, all the cruises and car shows. Seems there is always something to do, never a dull moment. Thanks to all that made it to Brad Peterson's Superior Glass tour. We had about 15 cars caravan over after breakfast following my GPS...Mistake. Dirt road blocked off 1 block away. 15 Cars turning around on a dirt road. Hmmm...someone else leads next time. But it turned out to be a informative and interesting tour. The Deuce of Spades movie the following day was also fun. It was a lot better story than I thought it was going to be. I think everyone really enjoyed it. I couldn't believe how many street rods were parked down town both sides of the street. What a great time! Then we had the 'flash cruise' Warren called. A bunch of us had ice cream on a hot Sunday afternoon at Cafe 22. We need to do these more often.

The Participation award at the Lamb and Wool festival was won by a club called MidValley Cruisers. Must be a new club? We had 12 cars there. I don't think I've seen so many low rider trucks. The lamb burgers were great, onion rings were killer, corn dogs were huge, Russ had the tunes playing but the best of all was the pie ala mode! I made sure to get a pie to go.

Remember to get signed up for our cruise to Cool Desert Nights June 20th-22nd. Call or email for info.

I'll keep trying to remember to send out the weekly reminders of to do's and shows. If you have something going on that you want to pass to the club just email it to me.

Have a great June.

Ray

Member Profile: Todd and Claudia Johnson

I could tell immediately that this man has a sense of humor when I read the member profile. He seemed fine giving up the information that he had married Claudia… and he did it on " March 20th"! The rest of the profile means I get to be creative. The question I like to ask is "Why did you join Willamette Valley Street Rods?" because I get so many different answers. With Todd, the answer was "..wanted to re-join". Now does that mean he found the grass was NOT greener on the other side? He must like our company, because he has been (as he puts it) "on and off " for about 12 years!

Todd and Claudia have two really *sweeeet* hot rods! One is a 1930 Ford Victoria, and the other a 1967 Camaro RS/SS , and although he answered the question about his talents and hobbies with "Nuttin, really", I suspect there

are quite a few. Did you notice the humor there? When you put the comma in, he is stressing the fact that he is definitely hiding SOMETHING! See, told you he has a sense of humor.

By the time you read this, Claudia will have retired from Chemeketa Community College, to join her hubby. Todd claims to be "retired", but he did not say from what…hmmm what can I make up? He says he is a "pretty dull and boring " guy with "too many" embarrassing moments to recall. I think we all ought to just make our way to his personal space and shake his hand. Maybe you can learn more about him and Claudia. I just have a hunch he is a really great guy who loves hot rods. So go say hi….

Deuce of Spades

April 28th was a beautiful sunny Sunday, and several clubs gathered at the famous Elsinore Theater in Salem to see a special screening of the movie "Deuce of Spades " ;

"When a hotrod girl finds a mysterious letter dating back to the fifties hidden in her roadster, she is left with nothing but questions... She sets out to find the answers and retrace her deuce's troubled past. ..." Newly Downloaded Movies 2011 OCT

The club members all drove their hot rods, and they lined the street on both sides and around the block. Many downtown visitors enjoyed seeing the cars and visiting with club members. Sort on an impromptu cruise-in. We waited for the 3 pm screening, seeing friends and enjoying time with the cars. Photos were being snapped, and we all felt like we were celebrities, but the only real celebrity was the star of the film, Timothy Luke who played the part of Johnny Calloway whose pesence gave the event a "red carpet" feel.

We were anxious for the film to begin and we all made our way into that totally restored 30's style theater. I think there were over 300 people or more.

Jeff and Pam Foster from CJ's Hot Rod Shop sponsored the event. It was just a great time had by all. If you want ot see the film you can write to Faith Grainger http://www.deuceofspadesmovie.com/ to obtain a copy.

Henry Ford Museum

Marilyn and I recently took a trip to the Henry Ford Museum and to St. Louis, Mo. The first day we toured the Greenfield Village that showed a lot of history as to where Henry Ford was born. We saw Henry Ford's work shop where he built the Quadricycle. The home and workshop where the Wright brothers invented the airplane. Among other highlights were Thomas Edison's workshop, Harvey Firestones boyhood home, the court house where Abraham Lincoln practiced law. And many other historical buildings and shops. The next day we went to the Ford Rouge Factory Tour and watched the Ford F-150 being built. In the 1930's a new car rolled off the factory line every 49 seconds. Today in in one

shift they produce 600 F-150s, which makes the F-150 the time leader in vehicle sales. Our last stop was the museum. all

Some of the highlights were presidential cars, the chair that Lincoln was shot in, Rosa Parks bus, steam trains, the Quadricycle, George Washington's camp bed, and a lot of vehicles from 1900 thru the 1960s. Off to St. Louis to see my daughter, where we visited some museums, toured the Budweiser brewery, visited the St. Louis Arch, and my favorite visiting a part of route 66, where we went to have some ice cream at Ted Drew's famous frozen custard which is on the historic route 66 tour. We had a lot of fun , it went to Quick. Would recommend The Henry Ford Museum to anyone that likes history and old cars.

We just got the 1927 Ford coupe back from the paint shop and would like to ask anyone in the club if they would like to help me install the windows and whatever else. I will be getting everything put back together like fenders and running boards and lights. My cell number is 541 297 0412.

WVSR T-Shirts

We are trying to put in an order for WVSR Club shirts, the black t-shirts with the small red street rod on the left side with the club name below it. The same design is on the back except on a larger scale. We need a minimum of 24 shirts to order the shirts. The cost of the shirts are $15 for ladies and men's sizes up to XL, 1XL-4XL are $17. Shirt orders need to be prepaid before we order them. If you are interested please call Vicki Champ/503.910.5952 or email vchamp@comcast.net, See Vicki at the meeting to place your order and pay. If we don't get enough orders for 24 shirts we won't be ordering the shirts and everyone's money will be returned to them.

We also have a lot of leftover black t-shirts from the last two car shows that we are selling for $5 each. Vicki will bring them to the meeting on July 2nd to sell.
