Hot Rod Happen'ns

In February Sherri and I really enjoyed the Valentines Party, as always our Party Committee did a incredible job! After dinner and social time Russ, Margie and Vicki were the hosts for "Let's Make A Deal" . Several of us made it on stage and won some great prizes. Many of the "Road Lords" car club were there too. It was neat to show them what a great time we have together.

Some of our members were in the Salem Roadster Show as participants and vendors.

In March we have the Portland roadster show at the expo center and a shop tour at Dale Deshons home.

There are still a few rooms available for our trip to Graffiti Nights in Roseburg July 6 and 7 this summer, don't get left behind.

Valentines Day Party

For those of you that didn't go to the club Valentine Party this year you really missed out on a good time! After dinner the guests were surprised with a game of "Lets Make a Deal" from the late 70's, complete with the theme song playing over the loud speaker to the game show host with his two assistants. Some of the prizes that were given away were a Car, Refrigerator (filled with beverages), Gift cards to restaurants, Cash, Chocolates, A Bouquet of Flowers and Wine.

We invited the Road Lords to our party, not sure what they thought of all of the craziness, but they seemed to have a good time. Some of their members were lucky enough to be contestants in the game show, and won some pretty good prizes. Wilbur Hall from the Road Lords was such a good sport, he even modeled the booby prize that he won!!!! You'll have to ask him about it if you weren't there. Thanks Wilbur, the picture of you modeling it turned out great.

One more thing that we learned at the party, if you're ever out and around and need something, get a hold of Sherri Cartwright, she probably has it in her purse!!! You'd have to have been there to see the humor in that.

Thanks everyone for being such good sports that night. We hope you had a good time. We had a lot of fun going down memory lane putting it all together..

Vicki
