Well now that I am feeling better, the cruises are over, and there is an empty feeling that sort of wants to settle on me. Unless you have a love for the cars, or own one, you cannot really understand the feeling. I was able to get to a few... Stros, Blue Moon, Les Schwab, Mt. Pleasant, McMinnville, and of course the Carousel Cruise, and Hot August Nights in Reno!

The club has helped me to feel a part of it all, everyone so kind to let me stick a camera in their face, or ask dumb questions. Many of the club members won some awards and that was pretty cool, but the participation award for the 50's in the Fall was a bonus! We should all make an effort to keep that one! Perhaps we can gather a few more!

With the close of one season, the door opens to another. I am anxiously waiting for the weekends so I can go out to my garage (just big enough for BB and a few tools) that is just barely a work space, and began working on some new update or plan, or necessity in preparation for next year. Cannot wait to dig into that carb! I still cannot use the headers I bought at PIR but that is what you get when you turn me loose with money and car parts. Anyone need a (what is this thing anyway) ??

I guess I just wanted to say thanks for being such a great bunch of people! Some of you have made the difference in the difficult days I have face recently, but yuou know wh you are, and you know what you have done...All I can say is thank you, thank you, thank you. I love being a member of WVSR!

See you at the meeting!

Well for the most part the weather has been pretty good. Our club had a great showing at th Fifties in the Fall show in Lebanon—we took Club Participation with 21 cars. Members who got an award were John Stanton for Participants Pick, Ernie & Laura Lamoureux for Best Pre 30's, and Nick & Laura Baxter for Best Panel Truck. We all had a great time. October has the Canby Swap Meet on the 2nd, the last Silverton First Friday on the 7th, and the Classic Car Expo on the 7th—9th. Its never to early to be thinking about our Club Christmas Party December 10th.

Cruise to Florence

Tim & Pat Smith have invited our club to visit their car museum in Florence Saturday October 15th. They have a very nice collection of some very cool cars including the "Mel's Diner" Display built by our club years ago. We plan to leave Pietro's Parking lot at 8am Saturday Oct 15th and take the scenic route (no freeway) so we will be able to see things we don't often see. We'll have lunch in Florence at a cool little Diner then go to the museum. We have talked about going to their place for several years. I think this will be a fun day trip. This will be a Rain or Shine event - All cars are welcome.
