Old Business

Cleaned out the club trailer and returned it to CJ's, we should consider getting some totes for storing event supplies.

There was a motion to sponsor 4 trophies for the Mt. Angel Oktoberfest show, it was seconded and passed, we will be sponsoring 4 trophies at the show!

New Business

Where do we get T-shirts? The official club shirts are available only at Salem Emblem and must be of the club colors and design. Other apparel may be purchased by members to their own preference, but Salem Emblem is where you get a bona fide club shirt.

Upcoming Events/ Swap Meets, etc.

Warren is planning a trip to Toppenish in October with trailers to bring back car parts, good time to find some of those hard to find items.

Don't forget to listen to Russ Strohmeyer car show report on KBZY Friday morning at 9:30! He really is quite a radio personality....Tune in to find out what's happening in your area!

Club Christmas Party is coming soon to Roth's IGA in West Salem December 14th at 6:00 p.m. Part of your dinner is subsidized by the club, I'm getting hungry just thinking about it!

The 50/50 winner collected \$60! Way to go Sandy!

The next Officers Meeting is Tuesday, September 24th - 7:00 p.m. at Elmer's Restaurant (early for dinner).

The next WVSR General Meeting is Tuesday, October 1st - 7:00 p.m. at Pietro's Pizza (early for dinner).

Adjourned

The cooler air is making it's way down from the North. Already I hear my friends in Alaska are putting their cars away for the winter. I'm so thankful having moved here that I can now enjoy my cars way into the winter. My first winter here I was surprised to go to the Santa Cruise driving my truck in December, never have done that before! There seems to always be a new experience or show. I decided to go to some shows I had never been to in September.

Lakeside Retirement Center in Stayton was a fun one. There were 65 cars there and most of them I had never seen. It rained a bit but the burgers and dogs were great. It's so fun and gratifying to see all the smiles and listen to the car memo-

ries of the residents and listen to the stories of why they voted on a certain car. Check it out if you haven't. I took my 'new' Ford to the Skyline Ford Show, (it does seem I have to 'fix or repair daily'), it should have been called a Mustang show. Russ was there play'n the tunes and keeping everyone entertained. Vicki had her Mustang all shined and look'n good. She's sure enjoying it. Last weekend I headed over to the Bay House show in Lincoln City to do something different. There were 98 cars there mostly from the coast area and most I've never seen. Laura and Zoe were there with their 'new' burgundy 52 Chevy coupe. What a cool car!, I love that body style, Congrats to Ernie and Laura.

The car show are winding down but still around. On September 28th the Heritage Car Show is in Independence. 11am-4pm. Don't forget the First Friday in Silverton on October 4th. 5-8pm. The Lyon's Firefighters Chili, Salsa Cook off October 5th. 9-3pm.

October is the month to put in your nominations for new officers to be voted on in November. I would like to help break someone else in for this job. We have a really large membership with lots of talent that needs to be tapped for some great new ideas.

Safe cruising, see you at a car show!

Ray

### WVSR Christmas Party

Save the Date!!! Club Christmas Party will be held at Roth's Hospitality Center in West Salem on Saturday, December 14, 2013. Be there at 6pm for some great social time. Dinner served starting at 6:30pm. Watch for the rest of the details in an email and the next newsletter. Any questions call Vicki Champ.

## Member Profile: Danny Johnston

It is nice to have a profile from new members. Danny and his wife Emily have been members for one full month, but had no trouble getting the member profile sent in. He and Emily are basically newlyweds, they had their first anniversary June 9th.

Danny is a supervisor for TMobile (we need to talk), and Emily is owner of a classy clothing boutique called "Felicity Boutique". The address was not included in the profile, but you ladies can just ask and I am sure she will spill the beans.

Danny is a drummer, and he is also a drum builder. He is just now 40, and has a son Taylor, age 10. Somehow drums and boys? Maybe he has some earplugs in his pocket? All kidding aside, I imagine drum building is a real art. I couldn't build one!

Mine had a picture of a Quaker on it!  
As far as Danny's most embarrassing moment (we KNOW he had one), he says he "can't think of any".

Ok we won't press you, but I bet you do have one...(smile).

The Johnston's were brought to WVSR by Sandi Norris. Sandi is Danny's Great-Aunt. We are glad he has joined us. His really nice ride is a 1970 VW. In Danny's words it is "shaved, custom everything!".

Take a look at the pictures, and see all the detail. I am sure if you have any comments or questions, he would be more than happy to visit with you. Go introduce yourself, you know it takes a while to get to know everyone, so make him feel a part of things.

Welcome to the Johnston Family! Thanks for becoming a part of the most awesome car club in the Willamette Valley!
