- We will always place safety first, which will mean regular buddy checks, safety drills and procedures to ensure child safety. Safety procedures are to be treated with utmost importance.
- We ask all parents to go over this code of conduct with enrolled children. We place high importance on all students treating others in a positive, respectful way.
- Be respectful, honest and kind. Use positive language, be gracious competitors and show good sports etiquette and share.
- Be considerate to others and to the environment by cleaning up after yourselves.
- Follow staff directions and please ask if you don't know!
- No violence, throwing things, rough housing or demeaning language

### Consequences of not following code of conduct

Examples include but are not limited to: 1) intentionally hurting another child 2) stealing 3) refusing to comply with a safety directive 4) violence, etc.
